1 GENERAL PROVISIONS

As we have seen earlier, section 10 exempts certain incomes. Such income are excluded from total income and do not enter into the computation process at all. On the other hand, Chapter VI-A contains deductions from gross total income. The important point to be noted here is that if there is no gross total income, then no deductions will be permissible. This Chapter contains deductions in respect of certain payments, deductions in respect of certain incomes and other deductions.

Section 80A

(i) Section 80A(1) provides that in computing the total income of an assessee, there shall be allowed from his gross total income, the deductions specified in sections 80C to 80U.

(ii) According to section 80A(2), the aggregate amount of the deductions under this chapter shall not, in any case, exceed the gross total income of the assessee. Thus, an assessee cannot have a loss as a result of the deduction under Chapter VI-A and claim to carry forward the same for the purpose of set-off against his income in the subsequent year.

(iii) Section 80A(3) provides that in the case of AOP/BOI, if any deduction is admissible under section 80G/80GGA/80GGC/80-IA/80-IB/80-IC/80-ID/80-IE, no deduction under the same section shall be made in computing the total income of a member of the AOP or BOI in relation to the share of such member in the income of the AOP or BOI.

(iv) The profits and gains allowed as deduction under section 10AA or under any provision of Chapter VIA under the heading “C.-Deductions in respect of certain incomes” in any assessment year, shall not be allowed as deduction under any other provision of the Act for such assessment year [Section 80A(4)];

(v) The deduction, referred to in (iv) above, shall not exceed the profits and gains of the undertaking or unit or enterprise or eligible business, as the case may be [Section 80A(4)];

(vi) No deduction under any of the provisions referred to in (iv) above, shall be allowed if the deduction has not been claimed in the return of income [Section 80A(5)];

(vii) The transfer price of goods and services between such undertaking or unit or enterprise or eligible business and any other business of the assessee shall be determined at the market value of such goods or services as on the date of transfer [Section 80A(6)].

(viii) For this purpose, the expression “market value” has been defined to mean,-

(a) in relation to any goods or services sold or supplied, the price that such
goods or services would fetch if these were sold by the undertaking or unit or enterprise or eligible business in the open market, subject to statutory or regulatory restrictions, if any;

(b) in relation to any goods or services acquired, the price that such goods or services would cost if these were acquired by the undertaking or unit or enterprise or eligible business from the open market, subject to statutory or regulatory restrictions, if any;

(ix) Where a deduction under any provision of this Chapter under the heading “C – Deductions in respect of certain incomes” is claimed and allowed in respect of the profits of such specified business for any assessment year, no deduction under section 35AD is permissible in relation to such specified business for the same or any other assessment year.

In short, once the assessee has claimed the benefit of deduction under section 35AD for a particular year in respect of a specified business, he cannot claim benefit under Chapter VI-A under the heading “C.-Deductions in respect of certain incomes” for the same or any other year and vice versa.

Section 80AB
This section provides that for the purpose of calculation of deductions specified in Chapter VI-A under the heading “C - Deductions in respect of certain incomes”, the net income computed in accordance with the provisions of the Act (before making any deduction under Chapter VI-A) shall alone be regarded as income received by the assessee and which is included in his gross total income. Accordingly, the deductions specified in the aforesaid sections will be calculated with reference to the net income as computed in accordance with the provisions of the Act (before making deduction under Chapter VI-A) and not with reference to the gross amount of such income. This is notwithstanding anything contained in the respective sections of Chapter VI-A.

Section 80AC:Furnishing return of income on or before due date mandatory for claiming exemption under sections 80-IA, 80-IAB, 80-IB, 80-IC, 80-ID and 80-IE

(i) Section 80AC stipulates compulsory filing of return of income on or before the due date specified under section 139(1), as a pre-condition for availing benefit under the following sections –

(1) Section 80-IA applicable to undertakings or enterprises engaged in infrastructure development, etc.

(2) Section 80-IAB applicable to undertakings or enterprises engaged in any business of developing a special economic zone.

(3) Section 80-IB applicable to certain industrial undertakings other than infrastructure development undertakings.
DEDUCTIONS FROM GROSS TOTAL INCOME

(4) Section 80-IC applicable to certain undertakings or enterprises in certain special category States.

(5) Section 80-IE applicable to certain undertakings in North-Eastern States.

(ii) The effect of this provision is that in case of failure to file return of income on or before the stipulated due date, the undertakings would lose the benefit of deduction under these sections.

**Note:** The deductions under section 80-IA to 80-IE in respect of certain income will be dealt with in detail at the Final Level.

**ILLUSTRATION 1**

Examine the following statements with regard to the provisions of the Income-tax Act, 1961:

(a) For grant of deduction under section 80-IB, filing of audit report in prescribed form is must for a corporate assessee; filing of return within the due date laid down in section 139(1) is not required.

(b) Filing of belated return under section 139(4) of the Income-tax Act, 1961 will debar an assessee from claiming deduction under section 80-IE.

**SOLUTION**

(a) The statement is not correct. Section 80AC stipulates compulsory filing of return of income on or before the due date specified under section 139(1), as a pre-condition for availing the benefit of deduction, inter alia, under section 80-IB.

(b) The statement is correct. As per section 80AC, the assessee has to furnish his return of income on or before the due date specified under section 139(1), to be eligible to claim deduction under, inter alia, section 80-IE.

**Section 80B(5)**

“Gross total income” means the total income computed in accordance with the provisions of the Act without making any deduction under Chapter VI-A. “Computed in accordance with the provisions of the Act” implies—

(i) that deductions under appropriate computation section have already been given effect to;

(ii) that income of other persons, if includible under sections 60 to 64, has been included;

(iii) the intra head and/or inter head losses have been adjusted; and

(iv) that unabsorbed business losses, unabsorbed depreciation etc., have been set-off.

Let us first consider the deductions allowable in respect of certain payments.

Notes:

(a) For the purpose of calculating the actual capital sum assured,
   (1) the value of any premiums agreed to be returned or
   (2) the value of any benefit by way of bonus or otherwise, over and above the
       sum actually assured,
   shall not be taken into account.

(b) In respect of the life insurance policies to be issued on or after 1st April, 2012,
    the actual capital sum assured shall mean the minimum amount assured under
    the policy on happening of the insured event at any time during the term of the
    policy, not taking into account -
    (1) the value of any premium agreed to be returned; or
    (2) any benefit by way of bonus or otherwise over and above the sum actually
        assured which is to be or may be received under the policy by any person.

In effect, in case the insurance policy has varied sum assured during the term of
policy then the minimum of the sum assured during the life time of the policy shall
be taken into consideration for calculation of the “actual capital sum assured”, in
respect of life insurance policies to be issued on or after 1st April, 2012.

(c) Any sum received under section 80DD(3) shall not be exempt under section
    10(10D). Further, any sum received under a Keyman insurance policy shall also
    not be exempt.

(d) Explanation 1 to section 10(10D) defines “Keyman insurance policy” as a life
    insurance policy taken by one person on the life of another person who is or
    was the employee of the first-mentioned person or is or was connected in any
    manner whatsoever with the business of the first-mentioned person. The term
    includes within its scope a keyman insurance policy which has been assigned
    to any person during its term, with or without consideration. Therefore, such
    policies shall continue to be treated as a keyman insurance policy even after the
    same is assigned to the keyman. Consequently, the sum received by the keyman
    on such policies, being “keyman insurance policies”, would not be exempt under
    section 10(10D).

Therefore, the maximum permissible deduction u/s 80C = ₹ 1,50,000 – ₹ 1,20,000 = ₹ 30,000.

2.2 Deduction in respect of contribution to certain pension funds [Section 80CCC]

(i) Where an assessee, being an individual, has in the previous year paid or deposited any amount out of his income chargeable to tax to effect or keep in force a contract for any annuity plan of LIC of India or any other insurer for receiving pension from the fund set up by LIC or such other insurer, he shall be allowed a deduction in the computation of his total income.

(ii) For this purpose, the interest or bonus accrued or credited to the assessee’s account shall not be reckoned as contribution.

(iii) The maximum permissible deduction is ₹ 1,50,000 (Further, the overall limit of ₹ 1,50,000 prescribed in section 80CCE will continue to be applicable i.e. the maximum permissible deduction under sections 80C, 80CCC and 80CCD(1) put together is ₹ 1,50,000).

(iv) Where any amount standing to the credit of the assessee in the fund in respect of which a deduction has been allowed, together with interest or bonus accrued or credited to the assessee’s account is received by the assessee or his nominee on account of the surrender of the annuity plan in any previous year or as pension received from the annuity plan, such amount will be deemed to be the income
of the assessee or the nominee in that previous year in which such withdrawal is made or pension is received. It will be chargeable to tax as income of that previous year.

(v) Where any amount paid or deposited by the assessee has been taken into account for the purposes of this section, a deduction under section 80C shall not be allowed with reference to such amount.

2.3 Deduction in respect of contribution to pension scheme notified by the Central Government [Section 80CCD]

(i) As per the “Restructured Defined Contribution Pension System” applicable to new entrants to Government service, it is mandatory for persons entering the service of the Central Government on or after 1st January, 2004, to contribute 10% of their salary every month towards their pension account. A matching contribution is required to be made by the Government to the said account. The benefit of this scheme is also available to individuals employed by any other employer as well as to self-employed individuals.

(ii) Section 80CCD provides deduction in respect of contribution made to the pension scheme notified by the Central Government.

Accordingly, in exercise of the powers conferred by section 80CCD(1), the Central Government has notified the 'Atal Pension Yojana (APY)' as a pension scheme, contribution to which would qualify for deduction under section 80CCD in the hands of the individual.

(iii) Section 80CCD(1) provides a deduction for the amount paid or deposited by an employee in his pension account subject to a maximum of 10% of his salary. The deduction in the case of a self-employed individual would be restricted to 20% of his gross total income in the previous year.

Deduction under section 80CCD(1)

(iv) Section 80CCD(1B) provides for an additional deduction of up to ₹ 50,000 in respect of the whole of the amount paid or deposited by an individual assessee under NPS in the previous year, whether or not any deduction is allowed under section 80CCD(1).
(v) Where as the deduction under section 80CCD(1) is subject to the over all limit of ₹ 1.50 lakh under section 80CCE, the deduction of upto ₹ 50,000 under section 80CCD(1B) is in addition to the overall limit of ₹ 1.50 lakh provided under section 80CCE.

(vi) Under section 80CCD(2), contribution made by the Central Government or any other employer in the previous year to the said account of an employee, is allowed as a deduction in computation of the total income of the assessee.

(vii) The entire employer’s contribution would be included in the salary of the employee. However, deduction under section 80CCD(2) would be restricted to 10% of salary.

**Note:** The limit of ₹ 1,50,000 under section 80CCE does not apply to employer’s contribution to pension scheme of Central Government which is allowable as deduction under section 80CCD(2).

(viii) Further, the amount standing to the credit of the assessee in the pension account (for which deduction has already been claimed by him under this section) and accretions to such account, shall be taxed as income in the year in which such amounts are received by the assessee or his nominee on -
(a) closure of the account or
(b) his opting out of the said scheme or
(c) receipt of pension from the annuity plan purchased or taken on such closure or opting out.

However, the amount received by the nominee on the death of the assessee under the circumstances referred to in (a) and (b) above, shall not be deemed to be the income of the nominee.

(ix) However, the assessee shall be deemed not to have received any amount in the previous year if such amount is used for purchasing an annuity plan in the same previous year.

(x) No deduction will be allowed under section 80C in respect of amounts paid or deposited by the assessee, for which deduction has been allowed under section 80CCD(1) or under section 80CCD(1B).

**Notes:**
1. **Exemption on payment from NPS Trust to an employee on closure of his account or on his opting out of the pension scheme [Section 10(12A)]**
   (i) As per section 80CCD, any payment from National Pension System Trust to an employee on account of closure or his opting out of the pension scheme is chargeable to tax.
(ii) Section 10(12A) provides that any payment from National Pension System Trust to an employee on account of closure or his opting out of the pension scheme referred to in section 80CCD, to the extent it does not exceed 40% of the total amount payable to him at the time of closure or his opting out of the scheme, shall be exempt from tax.

2. **Exemption on payment from NPS Trust to an employee on partial withdrawal [Section 10(12B)]**

To provide relief to an employee subscriber of NPS, new clause (12B) has been inserted in section 10 to provide that any payment from National Pension System Trust to an employee under the pension scheme referred to in section 80CCD, on partial withdrawn made out of his account in accordance with the terms and conditions specified under the Pension Fund Regulatory and Development Authority Act, 2013 and the regulations made there under, shall be exempt from tax to the extent it does not exceed 25% of amount of contributions made by him.

2.4 **Limit on deductions under sections 80C, 80CCC & 80CCD(1) [Section 80CCE]**

This section restricts the aggregate amount of deduction under section 80C, 80CCC and 80CCD(1) to ₹ 1,50,000. It may be noted that the deduction of upto ₹ 50,000 under section 80CCD(1B) and employer’s contribution to pension scheme, allowable as deduction under section 80CCD(2) in the hands of the employee, would be outside the overall limit of ₹ 1,50,000 stipulated under section 80CCE.

ILLUSTRATION 5

The basic salary of Mr. A is ₹ 1,00,000 p.m. He is entitled to dearness allowance, which is 40% of basic salary. 50% of dearness allowance forms part of pay for retirement benefits. Both Mr. A and his employer contribute 15% of basic salary to the pension scheme referred to in section 80CCD. Explain the tax treatment in respect of such contribution in the hands of Mr. A.

SOLUTION

Tax treatment in the hands of Mr. A in respect of employer’s and own contribution to pension scheme referred to in section 80CCD

(a) Employer's contribution to such pension scheme would be treated as salary since it is specifically included in the definition of “salary” under section 17(1)(viii). Therefore, ₹ 1,80,000, being 15% of basic salary of ₹ 12,00,000, will be included in Mr. A’s salary.

(b) Mr. A’s contribution to pension scheme is allowable as deduction under section
80CCD(1). However, the deduction is restricted to 10% of salary. Salary, for this purpose, means basic pay plus dearness allowance, if it forms part of pay. Therefore, “salary” for the purpose of deduction under section 80CCD for Mr.A would be –

<td>Basic salary = ₹ 1,00,000 × 12 =</td>
<td>12,00,000</td>

<td>2,40,000</td>
</tr>
<tr>
<td>50% of Dearness Allowance forms part of pay = 50% of ₹ 4,80,000</td>
<td>2,40,000</td>
</tr>
<tr>
<td>Salary for the purpose of deduction under section 80CCD</td>
<td>14,40,000</td>
</tr>
</tbody>
</table>

Deduction under section 80CCD(1) is restricted to 10% of ₹ 14,40,000 (as against actual contribution of ₹ 1,80,000, being 15% of basic salary of ₹ 12,00,000). As per section 80CCD(1B), a further deduction of upto ₹ 50,000 is allowable. Therefore, deduction under section 80CCD(1B) is ₹ 36,000 (₹ 1,80,000 - ₹ 1,44,000).

₹ 1,44,000 is allowable as deduction under section 80CCD(1). This would be taken into consideration and be subject to the overall limit of ₹ 1,50,000 under section 80CCE. ₹ 36,000 allowable as deduction under section 80CCD(1B) is outside the overall limit of ₹ 1,50,000 under section 80CCE.

In the alternative, ₹ 50,000 can be claimed as deduction under section 80CCD(1B). The balance ₹ 1,30,000 (₹ 1,80,000 - ₹ 50,000) can be claimed as deduction under section 80CCD(1).

(c) Employer’s contribution to pension scheme would be allowable as deduction under section 80CCD(2), subject to a maximum of 10% of salary. Therefore, deduction under section 80CCD(2), would also be restricted to ₹ 1,44,000, even though the entire employer’s contribution of ₹ 1,80,000 is included in salary under section 17(1)(viii). However, this deduction of employer’s contribution of ₹ 1,44,000 to pension scheme would be outside the overall limit of ₹ 1,50,000 under section 80CCE i.e., this deduction would be over and above the other deductions which are subject to the limit of ₹ 1,50,000.

### 2.5 Deduction in respect of investment made under an equity savings scheme [Section 80CCG]

The deduction is 50% of amount invested in such equity shares or ₹ 25,000 whichever is lower. The maximum deduction of ₹ 25,000 is available on investment of ₹ 50,000 in such listed equity shares.
Further, the deduction shall be allowed for three consecutive assessment years, beginning with the assessment year relevant to the previous year in which the listed equity shares or listed units of equity oriented fund were first acquired.

4. The minimum lock-in period in respect of such investment should be three years from the date of acquisition. The fixed lock-in period would be one year from the end of the previous year in which the investment was made.
5. Any other condition as may be prescribed.

(iii) If the resident individual, after having claimed such deduction, fails to comply with any of the conditions in any previous year, say, he sells the shares or units within one year, then, the deduction earlier allowed shall be deemed to be the income of the previous year in which he fails to comply with the condition. The income shall, accordingly, be liable to tax in the assessment year relevant to such previous year.

(iv) **No deduction under this section shall be allowed from A.Y. 2018-19. However, an assessee who has claimed deduction under this section for A.Y. 2017-18 or earlier assessment year, shall be allowed deduction till A.Y. 2019-20, if he is otherwise eligible to claim the deduction as per the provisions of this section.**

Total deduction under section 80D (₹ 25,000 + ₹ 30,000) 55,000

Notes:

1. The total deduction under A.(i), (ii) and (iii) above should not exceed ₹ 25,000. Therefore, the expenditure on preventive health check-up for self and spouse would be restricted to ₹ 1,400, being (₹ 25,000 – ₹ 20,000 – ₹ 3,600).
2. The total deduction under B. (i) and (ii) above should not exceed ₹ 30,000.
Therefore, the expenditure on preventive health check-up for father would be restricted to ₹ 3,000, being (₹ 30,000 – ₹ 27,000).

(3) In this case, the total deduction allowed on account of expenditure on preventive health check-up of self, spouse and father is ₹ 4,400 (i.e., ₹ 1,400 + ₹ 3,000), which is less than the maximum permissible limit of ₹ 5,000.

**ILLUSTRATION 9**

Mr. Y, aged 40 years, paid medical insurance premium of ₹ 22,000 during the PY.2017-18 to insure his health as well as the health of his spouse and dependent children. He also paid medical insurance premium of ₹ 33,000 during the year to insure the health of his father, aged 67 years, who is not dependent on him. He contributed ₹ 2,400 to Central Government Health Scheme during the year. Compute the deduction allowable under section 80D for the A.Y.2018-19.

**Note** – The total deduction under (i) and (ii) above should not exceed ₹ 25,000. In this case, since the total of (i) and (ii) (i.e., ₹ 24,400) does not exceed ₹ 25,000, the same is fully allowable under section 80D.

However, had the medical insurance premium paid for self, spouse and children been ₹ 24,000 instead of ₹ 22,000, then, the total of ₹ 26,400 (i.e., ₹ 24,000 + ₹ 2,400) under (i) and (ii) above would be restricted to ₹ 25,000. In such a case, the total deduction allowable under section 80D would be ₹ 55,000 [i.e., ₹ 25,000 [(i) & (ii)] + ₹ 30,000 (iii)].

### 2.7 Deduction in respect of maintenance including medical treatment of a dependent disabled [Section 80DD]

(i) **Section 80DD** provides deduction to an assessee, who is a resident in India, being an individual or Hindu undivided family.

(ii) Any amount –

- incurred for the medical treatment (including nursing), training and rehabilitation of a dependant, being a person with disability, or
- paid or deposited under a scheme framed in this behalf by the Life Insurance Corporation or any other insurer or the Administrator or the Specified Company as referred to in section 2(h) of the Unit Trust of India (Transfer of Undertaking and Repeal) Act, 2002, for the maintenance of a dependant, being a person with disability qualifies for deduction.

(iii) The scheme should provide for payment of annuity or a lump sum amount for the benefit of a dependent, being a person with disability, in the event of the death of the individual or member of the HUF, in whose name subscription was made and the assessee must nominate either the dependent, being a person with disability or any other person or a trust to receive the payment on his behalf, for the benefit of the dependent, being a person with disability.

(iv) The benefit of deduction under this section is also available to assesseees incurring expenditure on maintenance including medical treatment of persons suffering from autism, cerebral palsy and multiple disabilities.

(v) The quantum of deduction is ₹ 75,000 and in case of severe disability (i.e. person with 80% or more disability) the deduction shall be ₹ 1,25,000.

(vi) For claiming the deduction, the assessee shall have to furnish a copy of the certificate issued by the medical authority under the Persons with Disability (Equal Opportunities, Protection of Rights and Full Participation) Act, 1995 along with the return of income under section 139.

(vii) Where the condition of disability requires reassessment, a fresh certificate from the medical authority shall have to be obtained after the expiry of the period mentioned in the original certificate in order to continue to claim the deduction.

(viii) If the dependent, being a person with disability, predeceases the individual or the member of HUF, in whose name subscription was made, then the amount paid or deposited under the said scheme would be chargeable to tax in the hands of the assessee in the previous year in which such amount is received by the assessee.

ILLUSTRATION 10

Mr. X is a resident individual. He deposits a sum of ₹ 50,000 with Life Insurance Corporation every year for the maintenance of his handicapped grandfather who is wholly dependent upon him. The disability is one which comes under the Persons with Disabilities (Equal Opportunities, Protection of Rights and Full Participation) Act, 1995. A copy of the certificate from the medical authority is submitted. Compute the amount of deduction available under section 80DD for the A.Y. 2018-19.

SOLUTION

Since the amount deposited by Mr. X was for his grandfather, he will not be allowed any deduction under section 80DD. The deduction is available if the individual assessee incurs any expense for a dependant disabled relative. Grandfather does not come within the definition of dependant relative.

ILLUSTRATION 11

What will be the deduction if Mr. X had made this deposit for his dependant father?

SOLUTION

Since the expense was incurred for a dependant disabled relative, Mr. X will be entitled to claim a deduction of ₹ 75,000 under section 80DD, irrespective of the amount deposited. In case his father has severe disability, the deduction would be ₹ 1,25,000.

2.8 Deduction in respect of medical treatment etc. [Section 80DDB]

(i) **Eligible assessee:** This section provides deduction to an assessee, who is resident in India, being an individual and Hindu undivided family. The deduction is available to an individual for medical expenditure incurred on himself or a dependant. It is also available to a Hindu undivided family (HUF) for such expenditure incurred on any of its members.

(ii) **Meaning of “Dependant”:**

<table>
<thead>
<tr>
<th>Assessee</th>

</tr>
</thead>
<tbody>
<tr>

<td>the spouse, children, parents, brother or sister of the individual or any of them, wholly or mainly dependent on such individual for his support and maintenance.</td>
</tr>
<tr>
<td>(2) HUF</td>
<td>a member of the HUF, wholly or mainly dependant on such HUF for his support and maintenance.</td>
</tr>
</tbody>
</table>

(iii) **Payment qualifying for deduction:** Any amount actually paid for the medical treatment of such disease or ailment as may be specified in the rules made in this behalf by the Board for himself or a dependant, in case the assessee is an individual or for any member of a HUF, in case the assessee is a HUF will qualify for deduction.
(iv) **Quantum of deduction:** The amount of deduction under this section shall be equal to the amount actually paid or ₹ 40,000, whichever is less, in respect of that previous year in which such amount was actually paid.

In case the amount is paid in respect of a senior citizen, i.e., a resident individual of the age of 60 years or more at any time during the relevant previous year, then the deduction would be the amount actually paid or ₹ 60,000, whichever is less. Further, a higher limit of deduction of up to ₹ 80,000 is allowable to the assessee, for the expenditure incurred in respect of the medical treatment of himself or a dependent, being a “very senior citizen”. A “very senior citizen” is as an individual resident in India who is of the age of 80 years or more at any time during the relevant previous year.

The deduction under this section shall be reduced by the amount received, if any, under an insurance from an insurer, or reimbursed by an employer, for the medical treatment of the assessee or the dependent

(v) **Maximum deduction:** The maximum limit of deduction under section 80DDB for the various categories of dependent are summarized hereunder:

<table>
<thead>

</tr>
</thead>
<tbody>
<tr>
<td>(1) A very senior citizen, being a resident individual</td>

<td>60,000</td>
</tr>
<tr>
<td>(3) Dependent, other than mentioned in (1) &amp; (2) above</td>
<td>40,000</td>
</tr>
</tbody>
</table>

(vi) **Condition:** No such deduction shall be allowed unless the assessee obtains the prescription for such medical treatment from a neurologist, an oncologist, a urologist, a hematologist, an immunologist or such other specialist, as may be prescribed.

### 2.9 Deduction in respect of interest loan taken for higher education [Section 80E]

(i) **Eligible assessee:** Section 80E provides deduction to an individual-assessee in respect of any interest on loan paid by him in the previous year out of his income chargeable to tax.

(ii) **Conditions:** The loan must have been taken for the purpose of pursuing his higher education or for the purpose of higher education of his or her relative. The loan must have been taken from any financial institution or approved charitable institution.

(iii) **Meaning of Relative:** Spouse and children of the individual or the student for whom the individual is the legal guardian.

(iv) **Meaning of “Higher education”:** It means any course of study (including vocational studies) pursued after passing the Senior Secondary Examination or
its equivalent from any school, board or university recognised by the Central Government or State Government or local authority or by any other authority authorized by the Central Government or State Government or local authority to do so. Therefore, interest on loan taken for pursuing any course after Class XII or its equivalent, will qualify for deduction under section 80E.

(v) **Period of deduction:** The deduction is allowed in computing the total income in respect of the initial assessment year (i.e. the assessment year relevant to the previous year, in which the assessee starts paying the interest on the loan) and seven assessment years immediately succeeding the initial assessment year or until the interest is paid in full by the assessee, whichever is earlier.

(vi) **Meaning of “Approved charitable institution”:** It means an institution established for charitable purposes and approved by the prescribed authority\(^1\) or an institution referred to in section 80G(2)(a).

(vii) **Meaning of “Financial institution”:** It means –

1. a banking company to which the Banking Regulation Act, 1949 applies (including a bank or banking institution referred to in section 51 of the Act); or
2. any other financial institution which the Central Government may, by notification in the Official Gazette, specify in this behalf.

### SOLUTION

Deduction under section 80E is available to an individual assessee in respect of any interest paid by him in the previous year in respect of loan taken for pursuing his higher education or higher education of his spouse or children. Higher education means any course of study pursued after senior secondary examination.

Therefore, interest repayment in respect of all the above loans would be eligible for deductible under section 80E.
Deduction.
Deduction under section 80E = ₹ 20,000 + ₹ 10,000 + ₹ 18,000 = ₹ 48,000.

2.10 Deduction for interest on loan borrowed for acquisition of self-occupied house property by an individual [Section 80EE]

(i) Section 80EE provides additional deduction in respect of interest on loan taken by an individual for acquisition of residential house property from any financial institution.

(ii) **Conditions**: The conditions to be satisfied for availing this deduction are as follows:

   - **Loan sanctioned ≤ ₹ 35 lakhs**
   - The assessee should not own any residential house on the date of sanction of loan.
   - Loan should be sanctioned during the FY 2016-17.

(iii) **Period of benefit**: The benefit of deduction under this section would be available till the repayment of loan continues.

(iv) **Quantum of deduction**: The maximum deduction allowable is ₹ 50,000. The deduction of up to ₹ 50,000 under section 80EE is over and above the deduction of up to ₹ 2,00,000 available under section 24 for interest paid in respect of loan borrowed for acquisition of a self-occupied property.

**Note** - Adjusted total income = Gross Total Income – Amount of deductions under section 80C to 80U except section 80G i.e., ₹ 6,71,000, in this case. ₹ 67,100, being 10% of adjusted total income is the qualifying limit, in this case. Firstly, donation of ₹ 40,000 to approved institution for family planning qualifying for
100% deduction subject to qualifying limit, has to be adjusted against this amount. Thereafter, donation to public charitable trust qualifying for 50% deduction, subject to qualifying limit is adjusted. Hence, the contribution of ₹ 1,50,000 to public charitable trust is restricted to ₹ 27,100 (being, ₹ 67,100 - ₹ 40,000), 50% of which would be the deduction under section 80G. Therefore, the deduction under section 80G in respect of donation to public charitable trust would be ₹ 13,550, which is 50% of ₹ 27,100.

2.12 Deduction in respect of rent paid [Section 80GG]

(i) This section provides for deduction in respect of rent paid.

(ii) **Conditions:** The following conditions have to be satisfied for claiming deduction under section 80GG -

1. The assessee should not be receiving any house rent allowance exempt under section 10(13A).
2. The expenditure incurred by him on rent of any furnished or unfurnished accommodation should exceed 10% of his total income arrived at after all deductions under Chapter VI A except section 80GG.
3. The accommodation should be occupied by the assessee for the purposes of his own residence.
4. The assessee should fulfill such other conditions or limitations as may be prescribed, having regard to the area or place in which such accommodation is situated and other relevant considerations.
5. The assessee or his spouse or his minor child or an HUF of which he is a member should not own any accommodation at the place where he ordinarily resides or perform duties of his office or employment or carries on his business or profession; or
6. If the assessee owns any accommodation at any place other than that referred to above, such accommodation should not be in the occupation of the assessee and its annual value is not required to be determined under section 23(2)(a) or section 23(4)(a).
7. The assessee should file a declaration in the prescribed form, confirming the details of rent paid and fulfillment of other conditions, with the return of income.

(iii) **Quantum of deduction:** The deduction admissible will be the least of the following:

1. Actual rent paid minus 10% of the total income of the assessee before allowing the deduction, or
2. 25% of such total income (arrived at after making all deductions under Chapter VI A but before making any deduction under this section), or
3. Amount calculated at ₹ 5,000 p.m.
ILLUSTRATION 15

Mr. Ganesh, a businessman, whose total income (before allowing deduction under section 80GG) for A.Y.2018-19 is ₹ 4,60,000, paid house rent at ₹ 12,000 p.m. in respect of residential accommodation occupied by him at Mumbai. Compute the deduction allowable to him under section 80GG for A.Y.2018-19.

SOLUTION

The deduction under section 80GG will be computed as follows:

(i) Actual rent paid less 10% of total income

\[ \text{₹ 1,44,000 (10 \times \text{₹ 4,60,000})} \times \frac{100}{100} = \text{₹ 98,000 (A)} \]

(ii) 25% of total income

\[ \frac{25 \times \text{₹ 4,60,000}}{100} = \text{₹ 1,15,000 (B)} \]

(iii) Amount calculated at ₹ 5,000 p.m. = ₹ 60,000 (C)

Deduction allowable (least of A, B and C) = ₹ 60,000

2.13 Deduction in respect of donations for scientific research and rural development [Section 80GGA]

(i) Section 80GGA grants deduction in respect of the donations made for scientific research or rural development by any assessee not having income chargeable under the head “Profits and gains of business or profession”.

(ii) Donations qualifying for deduction:

(1) Any sum paid by the assessee in the previous year to a research association which has, as its object, the undertaking of scientific research or to a University, college or other institution to be used for scientific research; and

(2) Any sum paid by the assessee in the previous year to an association or institution which has as its object the undertaking of any programme of rural development to be used for carrying out any programme of rural development approved by the prescribed authority for purposes of section 35CCA or to an institution or association which has as its object the training of persons for implementing programmes of rural development.

It is, however, essential that in respect of both the aforesaid donations, the association or institution to which the donation is given must be approved by the prescribed authority; in the case of donation for scientific research, the donation must be to the institution approved under section 35(1)(ii) whereas in the case of donation for rural development the institution or association must be approved by the prescribed authority under section 35CCA(2).
(3) Any sum paid to a Research Association which has as its object the undertaking of research in social science or statistical research, University, College or other institution to be used for research in social science or statistical research.

Such Research Association, University, College or institution must be approved under section 35(1)(iii).

(4) Any sum paid to a public sector company or a local authority or to an association or institution approved by the National Committee for carrying out any eligible project or scheme.

(5) Any sum paid to a rural development fund set up and notified under section 35CCA.

(6) Any sum paid by the assessee in the previous year to National Urban Poverty Eradication Fund (NUPEF).

(iii) Restrictions on deduction:

(1) No deduction under this section would be allowed in the case of an assessee whose gross total income includes income which is chargeable under the head “Profits and gains of business or profession.”

(2) Where a deduction under this section is claimed and allowed for any assessment year, deduction shall not be allowed in respect of such payment under any provision of this Act for the same or any other assessment year.

(3) No deduction shall be allowed in respect of donation of any sum exceeding `10,000 unless such sum is paid by any mode other than cash.

2.14 Deduction in respect of contributions given by companies to political parties [Section 80GGB]

(i) Conditions: This section provides for deduction of any sum contributed in the previous year by an Indian company to any political party or an electoral trust. However, no deduction shall be allowed in respect of any sum contributed by way of cash.

(ii) Meaning of “contribute”: For the purposes of this section, the word “contribute” has the same meaning assigned to it under section 293A of the Companies Act, 1956, which provides that -

(a) a donation or subscription or payment given by a company to a person for carrying on any activity which is likely to effect public support for a political party shall also be deemed to be contribution for a political purpose;

(b) the expenditure incurred, directly or indirectly, by a company on advertisement in any publication (being a publication in the nature of a souvenir, brochure, tract, pamphlet or the like) by or on behalf of a political party or for its advantage shall also be deemed to be a contribution to
such political party or a contribution for a political purpose to the person publishing it.

(iii) **Meaning of “Political party”**: IT means a political party registered under section 29A of the Representation of the People Act, 1951.

**ILLUSTRATION 16**

During the P.Y.2017-18, ABC Ltd., an Indian company,

(1) contributed a sum of ₹ 2 lakh to an electoral trust; and

(2) incurred expenditure of ₹ 25,000 on advertisement in a brochure of a political party.

Is the company eligible for deduction in respect of such contribution/expenditure, assuming that the contribution was made by cheque? If so, what is the quantum of deduction?

**SOLUTION**

An Indian company is eligible for deduction under section 80GGB in respect of any sum contributed by it in the previous year to any political party or an electoral trust. Further, the word “contribute” in section 80GGB has the meaning assigned to it in section 293A of the Companies Act, 1956, and accordingly, it includes the amount of expenditure incurred on advertisement in a brochure of a political party.

Therefore, ABC Ltd. is eligible for a deduction of ₹2,25,000 under section 80GGB in respect of sum of ₹2 lakh contributed to an electoral trust and ₹25,000 incurred by it on advertisement in a brochure of a political party.

It may be noted that there is a specific disallowance under section 37(2B) in respect of expenditure incurred on advertisement in a brochure of a political party. Therefore, the expenditure of ₹25,000 would be disallowed while computing business income/gross total income. However, the said expenditure incurred by an Indian company is allowable as a deduction from gross total income under section 80GGB.

**2.15 Deduction in respect of contributions given by any person to political parties [Section 80GGC]**

(i) **Conditions**: This section provides for deduction of any sum contributed in the previous year by any person to a political party or an electoral trust. However, no deduction shall be allowed in respect of any sum contributed by way of cash.

(ii) **Persons not eligible for deduction**: This deduction will, however, not be available to a local authority and an artificial juridical person, wholly or partly funded by the Government.

(iii) **Meaning of “Political party”**: It means a political party registered under section 29A of the Representation of the People Act, 1951.
3. DEDUCTION IN RESPECT OF CERTAIN INCOMES

3.1 Deduction in respect of employment of new employees [Section 80JJAA]

(i) Quantum of deduction:
Where the gross total income of an assessee to whom section 44AB applies, includes any profits and gains derived from business, a deduction of an amount equal to 30% of additional employee cost incurred in the course of such business in the previous year, would be allowed for three assessment years including the assessment year relevant to the previous year in which such employment is provided.

(ii) Conditions to be fulfilled:
The deduction would be allowed only subject to fulfilment of the following conditions:

- The business should not be formed by splitting up, or the reconstruction, of an existing business
- The business is not acquired by the assessee by way of transfer from any other person or as a result of any business reorganisation
- The report of the accountant, giving the prescribed particulars, has to be furnished along with ROI

Mr. A has commenced the business of manufacture of computers on 1.4.2017. He employed

The regular employees participate in recognized provident fund while the casual employees do not. Compute the deduction, if any, available to Mr. A for A.Y. 2018-19, if the profits and gains derived from manufacture of computers that year is ₹ 75 lakhs and his total turnover is ₹ 2.16 crores.

What would be your answer if Mr. A has commenced the business of manufacture of apparel on 1.4.2017?

**SOLUTION**

Mr. A is eligible for deduction under section 80JJAA since he is subject to tax audit under section 44AB for A.Y.2018-19, as his total turnover from business exceeds ₹ 1 crore and he has employed “additional employees” during the PY.2017-18.

I If Mr. A is engaged in the business of manufacture of computers

Additional employee cost = ₹ 24,000 × 12 × 75 [See Working Note below] = ₹ 2,16,00,000

Deduction under section 80JJAA = 30% of ₹ 2,16,00,000 = ₹ 64,80,000.

**Working Note:**

**Number of additional employees**

<td>100 275</td>
</tr>
<tr>
<td><strong>Number of “additional employees”</strong></td>
<td>75</td>
</tr>
</tbody>
</table>

**Note** - Since casual employees do not participate in recognized provident fund, they do not qualify as additional employees. Further, 125 regular employees...
employed on 1.5.2017 also do not qualify as additional employees since their monthly emoluments exceed ₹ 25,000. Also, 100 regular employees employed on 1.9.2017 do not qualify as additional employees for the P.Y.2017-18, since they are employed for less than 240 days in that year.

Therefore, only 75 employees employed on 1.4.2017 qualify as additional employees, and the total emoluments paid or payable to them during the P.Y. 2017-18 is deemed to be the additional employee cost.

II If Mr. A is engaged in the business of manufacture of apparel

If Mr. A is engaged in the business of manufacture of apparel, then, he would be entitled to deduction under section 80JJAA in respect of employee cost of regular employees employed on 1.9.2017, since they have been employed for more than 150 days in the previous year 2017-18.

Additional employee cost = ₹ 2,16,00,000 + ₹ 24,000 × 7 × 100 = ₹ 3,84,00,000

Deduction under section 80JJAA = 30% of ₹ 3,84,00,000 = ₹ 1,15,20,000

3.2 Deduction in respect of royalty income, etc., of authors of certain books other than text books [Section 80QQB]

(i) Under section 80QQB, deduction of up to a maximum ₹ 3,00,000 is allowed to an individual resident in India in respect of income derived as author i.e., the deduction shall be the income derived as author or ₹ 3,00,000, whichever is less.

(ii) This income may be received either by way of a lumpsum consideration for the assignment or grant of any of his interests in the copyright of any book.

(iii) Such book should be a work of literary, artistic or scientific nature, or of royalties or copyright fees (whether receivable in lump sum or otherwise) in respect of such book.

(iv) However, this deduction shall not be available in respect of royalty income from textbook for schools, guides, commentaries, newspapers, journals, pamphlets and other publications of similar nature.

(v) Where an assessee claims deduction under this section, no deduction in respect of the same income may be claimed under any other provision of the Income-tax Act, 1961.

(vi) For the purpose of calculating the deduction under this section, the amount of eligible income (before allowing expenses attributable to such income) shall not exceed 15% of the value of the books sold during the previous year. However, this condition is not applicable where the royalty or copyright fees is receivable in lump sum in lieu of all rights of the author in the book.

(vii) For claiming the deduction, the assessee shall have to furnish a certificate in the prescribed manner in the prescribed format, duly verified by the person responsible for making such payment, setting forth such particulars as may be prescribed.
(viii) Where the assessee earns any income from any source outside India, he should bring such income into India in convertible foreign exchange within a period of six months from the end of the previous year in which such income is earned or within such further period as the competent authority may allow in this behalf for the purpose of claiming deduction under this section.

(ix) The competent authority shall mean the Reserve Bank of India or such other authority as is authorised under any law for the time being in force for regulating payments and dealings in foreign exchange.

3.3 Deduction in respect of royalty on patents [Section 80RRB]

(i) This section allows deduction to a resident individual in respect of income by way of royalty of a patent registered on or after 1.4.03 up to an amount of ₹ 3 lakhs.

(ii) This deduction shall be available only to a resident individual who is registered as the true and first inventor in respect of an invention under the Patents Act, 1970, including the co-owner of the patent.

(iii) This exemption shall be restricted to the royalty income including consideration for transfer of rights in the patent or for providing information for working or use thereof in India.

(iv) The exemption shall not be available on any consideration for sale of product manufactured with the use of the patented process or patented article for commercial use.

(v) In respect of any such income which is earned from sources outside India, the deduction shall be restricted to such sum as is brought to India in convertible foreign exchange within a period of 6 months or extended period as is allowed by the competent authority (Reserve Bank of India). For claiming this deduction the assessee shall be required to furnish a certificate in the prescribed form signed by the prescribed authority, alongwith the return of income.

(vi) No deduction in respect of such income will be allowed under any other provision of the Income-tax Act, 1961.

(vii) Where the patent is subsequently revoked or the name of the assessee was excluded from the patents register as patentee in respect of that patent, the deduction allowed during the period shall be deemed to have been wrongly allowed and the assessment shall be rectified under the provisions of section 155.

(viii) The period of 4 years for rectification shall be reckoned from the end of the previous year in which the order of the revocation of the patent is passed.

4. DEDUCTION IN RESPECT OF OTHER INCOME

Deduction in respect of interest on deposits in savings accounts [Section 80TTA]

(i) Section 80TTA provides that in case the gross total income of an assessee,
being an individual or a Hindu Undivided Family, includes any income by way of an interest on deposits in a saving account (not being time deposits, which are deposits repayable on expiry of fixed periods), deduction up to ₹ 10,000 in aggregate shall be allowed while computing the total income of such assessee. Such deduction shall be allowed in case the saving account is maintained with:

(1) a banking company to which the Banking Regulation Act, 1949, applies (including any bank or banking institution referred to in section 51 of that Act);

(2) a co-operative society engaged in carrying on the business of banking (including a co-operative land mortgage bank or a co-operative land development bank); or

(3) a post office.

(ii) However, if the aforesaid income is derived from any deposit in a savings account held by, or on behalf of, a firm, an AOP/BOI, no deduction shall be allowed in respect of such income in computing the total income of any partner of the firm or any member of the AOP or any individual of the BOI.

(iii) In effect, the deduction under this section shall be allowed only in respect of the income derived in form of the interest on the saving bank deposit (other than time deposits) made by the individual or Hindu Undivided Family directly.

**Total Income**

| ₹ 4,76,000 |

**Notes:**

(1) As per section 80C, no deduction is allowed in respect of premium paid for life insurance of parents whether they are dependent or not. Therefore, no deduction is allowable in respect of ₹ 25,000 paid as premium for life insurance of dependent parents of Mr. Gurnam.

In respect of insurance policy issued after 01.04.2012, deduction shall be allowed
for life insurance premium paid only to the extent of 10% of sum assured. In case the insurance policy is issued before 01.04.2012, deduction of premium paid on life insurance policy shall be allowed up to 20% of sum assured.

Therefore, in the present case, deduction of ₹ 25,000 is allowable in respect of life insurance of Mr. Gurnam's son since the insurance policy was issued before 01.04.2012 and the premium amount is less than 20% of ₹ 1,75,000. However, in respect of premium paid for life insurance policy of Mr. Gurnam himself, deduction is allowable only up to 10% of ₹ 2,00,000 since, the policy was issued after 01.04.2012 and the premium amount exceeds 10% of sum assured.

(2) As per section 80D, in case the premium is paid in respect of health of a person specified therein and for health check-up of such person, deduction shall be allowed up to ₹ 25,000. Further, deduction up to ₹ 5,000 in aggregate shall be allowed in respect of health check-up of self, spouse, children and parents. In order to claim deduction under section 80D, the payment for health check-up can be made in any mode including cash. However, the payment for health insurance premium has to be paid in any mode other than cash.

Therefore, in the present case, deduction of ₹ 22,000 is allowed in respect of premium paid for health insurance of self and wife. Also, the aggregate value of premium paid for health insurance and the payment for health check-up is ₹ 23,500 (₹ 22,000 + ₹ 1,500), which is less than ₹ 25,000. Further, deduction up to a maximum of ₹ 5,000 is allowable in respect of health check-up of self and his parents. This implies that ₹ 3,500 is allowable for health check-up of parents which falls within the additional limit of ₹ 30,000 for mediclaim premium and expenditure on preventive health check-up of parents who are senior citizens.

(3) No deduction shall be allowed under section 80G in case the donation is made in cash of a sum exceeding ₹ 2,000. Therefore, no deduction is allowed under section 80G in respect of donation made to institution approved therein.

(4) As per section 80TTA, deduction shall be allowed from the gross total income of an individual or Hindu Undivided Family in respect of income by way of interest on deposit in the savings account included in the assessee’s gross total income, subject to a maximum of ₹ 10,000. Therefore, a deduction of ₹ 10,000 is allowable from the gross total income of Mr. Gurnam, though the interest from savings bank account is ₹ 14,500.

5. OTHER DEDUCTIONS

Deduction in the case of a person with disability [Section 80U]

(i) Section 80U harmonizes the criteria for defining disability as existing under the Income-tax Rules with the criteria prescribed under the Persons with Disability (Equal Opportunities, Protection of Rights and Full Participation) Act, 1995.
(ii) This section is applicable to a resident individual, who, at any time during the previous year, is certified by the medical authority to be a person with disability. A deduction of ₹ 75,000 in respect of a person with disability and ₹ 1,25,000 in respect of a person with severe disability (having disability over 80%) is allowable under this section.

(iii) The benefit of deduction under this section has also been extended to persons suffering from autism, cerebral palsy and multiple disabilities.

(iv) The assessee claiming a deduction under this section shall furnish a copy of the certificate issued by the medical authority in the form and manner, as may be prescribed, along with the return of income under section 139, in respect of the assessment year for which the deduction is claimed.

(v) Where the condition of disability requires reassessment, a fresh certificate from the medical authority shall have to be obtained after the expiry of the period mentioned on the original certificate in order to continue to claim the deduction.

**EXERCISE**

**Question 1**

Examine the following statements with regard to the provisions of the Income-tax Act, 1961:

(i) During the financial year 2017-18, Mr. Amit paid interest on loan availed by him for his son’s higher education. His son is already employed in a firm. Mr. Amit will get the deduction under section 80E.

(ii) Subscription to notified bonds of NABARD would qualify for deduction under section 80C.

(iii) In order to be eligible to claim deduction under section 80C, investment/contribution/subscription etc. in eligible or approved modes, should be made from out of income chargeable to tax.

(iv) Where an individual repays a sum of ₹ 30,000 towards principal and ₹ 14,000 as interest in respect of loan taken from a bank for pursuing eligible higher studies, the deduction allowable under section 80E is ₹ 44,000.

(v) Mrs. Sheela, widow of Mr. Satish (who was an employee of M/s. XYZ Ltd.), received ₹ 7 lakhs on 1.5.2017, being amount standing to the credit of Mr. Satish in his NPS Account, in respect of which deduction has been allowed under section 80CCD to Mr. Satish in the earlier previous years. Such amount received by her as a nominee on closure of the account is deemed to be her income for A.Y.2018-19.

**Answer**

(i) **The statement is correct.** The deduction under section 80E available to an individual in respect of interest on loan taken for his higher education or for the higher education of his relative. For this purpose, relative means, inter alia,
spouse and children of the individual. Therefore, Mr. Amit will get the deduction under section 80E. It is immaterial that his son is already employed in a firm. This would not affect Mr. Amit’s eligibility for deduction under section 80E.

(ii) The statement is correct. Under section 80C(2) subscription to such bonds issued by NABARD (as the Central Government may notify in the Official Gazette) would qualify for deduction under section 80C.

(iii) The statement is not correct. There is no stipulation under section 80C that the investment, subscription, etc. should be made from out of income chargeable to tax.

(iv) The statement is not correct. Deduction under section 80E is in respect of interest paid on education loan. Hence, the deduction will be limited to ₹ 14,000.

(v) The statement is not correct. A proviso has been inserted in section 80CCD(3) to provide that the amount received by the nominee, on closure of NPS account on the death of the assessee, shall not be deemed to be the income of the nominee. Hence, amount received by Mrs. Sheela would not be deemed to be her income for A.Y. 2018-19.

Question 2
Examine the allowability of the following:

(i) Rajan has to pay to a hospital for treatment ₹ 62,000 and spent nothing for life insurance or for maintenance of handicapped dependent.

(ii) Raja, a resident Indian, has spent nothing for treatment in the previous year and deposited ₹ 25,000 with LIC for maintenance of handicapped dependant.

(iii) Rajan has incurred ₹ 20,000 for treatment and ₹ 25,000 was deposited with LIC for maintenance of handicapped dependant.

(iv) Payment of ₹ 50,000 by cheque to an electoral trust by an Indian company.

Answer

(i) The deduction of ₹ 75,000 under section 80DD is allowed in full, irrespective of the amount of expenditure incurred or paid by the assessee. If the expenditure is incurred in respect of a dependant with severe disability, the deduction allowable is ₹ 1,25,000.

(ii) The assessee Rajan has deposited ₹ 25,000 for maintenance of handicapped dependent. The assessee is, however, eligible to claim ₹ 75,000 since the deduction of ₹ 75,000 is allowed in full, irrespective of the amount deposited with LIC. In the case of dependant with severe disability, the deduction allowable is ₹ 1,25,000.

(iii) Section 80DD allows a deduction of ₹ 75,000 irrespective of the actual amount spent on maintenance of handicapped dependent and/or actual amount deposited with LIC. Therefore, the deduction will be ₹ 75,000 even though the total amount incurred/deposited is ₹ 45,000. If the dependant is a person with severe disability the quantum of deduction is ₹ 1,25,000.
(iv) Amount paid by an Indian Company to an electoral trust is eligible for deduction under section 80GGB from gross total income, since such payment is made otherwise than by way of cash.

**Question 3**

**Note:** In case of deduction under section 80G in respect of donation to a charitable trust, the net qualifying amount has to be restricted to 10% of adjusted total income, i.e., gross total income less deductions under Chapter VI-A except 80G. The adjusted total income is, therefore, ₹ 5,60,000 (i.e. 6,40,000 – ₹ 80,000), 10% of which is ₹ 56,000, which is higher than the actual donation of ₹ 25,000. Therefore, the deduction under section 80G would be ₹ 12,500, being 50% of the actual donation of ₹ 25,000.
