SUGGESTED ANSWER/HINTS

1. (i) The amount to be transferred to reserves out of profits for a financial year has been left at the discretion of the company acting vide its Board of Directors. The company is free to transfer any part of its profits to reserves as it deems fit. There is no restriction to transfer any specific amount (i.e. even no amount can be transferred) to the reserves before declaration of dividend.

(ii) Interim dividend shall not be declared at a rate higher than the average dividends declared by the company during the immediately preceding three financial years [i.e. \((8+10+12)/3 = 30/3 =10\%\)]. Therefore, decision of Board of Directors to declare 12% interim dividend for the current financial year is not tenable. They can declare a maximum 10% interim dividend.

(iii) According to section 123(5) of the Companies Act, 2013, dividend shall be payable only to the registered shareholder of the share or to his order or to his banker. Facts in the given case state that Mr. Ninja, the holder of equity shares transferred the shares to Mr. Raj whose name has been registered on 20th May 2017. Since, he became the registered shareholder before the declaration of the dividend in the Annual general meeting of the company held on 20th September 2017, so, Mr. Raj will be entitled to the dividend.

(iv) Yes, as per law, where the dividend is declared by a company and there remains calls in arrears and any other sum due from a member, in such case the dividend can be lawfully adjusted by the company against any sum due to it from the shareholder.

Thus, company can adjust sum of ₹ 1 lakh due towards call money on shares against the dividend amount payable to Mr. Alok.

2. (i) In the present case, as the auditor Mr. Rahul has resigned, the casual vacancy so created can be filled up by the Board appointing Mr. Samuel. However, the appointment of Mr. Samuel must be approved by the company by passing of an ordinary resolution at a general meeting of the company which must be convened by the Board within 3 months of the recommendation of the Board. Mr. Samuel will be entitled to hold office till the conclusion of the next Annual General Meeting.

(ii) Section 129(2) of the Companies Act, 2013 provides that at every annual general meeting of a company, the Board of Directors of the company shall lay before such meeting financial statements for the financial year. Further section 134(7) provides
that signed copy of every financial statement, including consolidated financial statement, if any, shall be issued, circulated or published along with a copy each of:

(a) any notes annexed to or forming part of such financial statement;
(b) the auditor’s report; and
(c) the Board’s report.

It, therefore, follows that unaudited accounts cannot be sent to members or unaudited accounts cannot be filed with the Registrar of Companies. So such an act of ABC Ltd. is not tenable.

(iii) Section 139(6) of the Companies Act, 2013 lays down that “the first auditor or auditors of a company shall be appointed by the Board of directors within 30 days from the date of registration of the company”. In the instant case, the appointment of Mr. Raj, a practicing Chartered Accountant as first auditors by the Managing Director of PQR Ltd by himself is in violation of Section 139(6) of the Companies Act, 2013, which authorizes the Board of Directors to appoint the first auditor of the company. In view of the above, the Managing Director of PQR Ltd should be advised not to appoint the first auditor of the company.

(iv) As per section 141 (3)(d)(i) of the Companies Act, 2013, an auditor is disqualified to be appointed as an auditor if he, or his relative or partner holding any security of or interest in the company or its subsidiary, or of its holding or associate company or a subsidiary of such holding company. Further as per proviso to this Section, the relative of the auditor may hold the securities or interest in the company of face value not exceeding of ₹ 1,00,000.

In the present case, Mr. Q. (relative of Mr. P, an auditor), is having securities of ₹ 90,000 face Value in the ABC Ltd., which is as per requirement of proviso to section 141 (3)(d)(i). Therefore, Mr. P will not be disqualified to be appointed as an auditor of ABC Ltd.

(v) In terms of Section 135(5) of the Companies Act, 2013, the Board of every company to which section 135 is applicable, shall ensure that the company spends, in every Financial year at least 2 per cent of average net profits of the company made during the three immediately preceding financial years, in pursuance of its CSR policy. There is no provision for carry forward of excess expenditure to the next year(s). The words used in the section are ‘at least’. Therefore, any expenditure over 2% would be considered as voluntary higher spending.

3. (i) The second proviso to sub-section 1 of section 149 provides that such class or classes of companies as may be prescribed, shall have at least one women director. Rule 3 of Companies (Appointment and Qualification of Directors) Rules, 2014 provides that the following class of companies shall appoint at least one women director –
(1) every listed company;
(2) every other public company having-
   • paid-up share capital of one hundred crore rupees or more; or
   • turnover of three hundred crore rupees or more.

It further provides that any intermittent vacancy of a women director shall be filled-up by the Board at the earliest but not later than immediate next Board meeting or three months from the date of such vacancy whichever is later.

In this case the Company is a listed and under the provisions of the Companies Act, 2013, it is required to have at least 1 Women Director on its Board.

The provision of section 149(4) provides that every listed company shall have at least $\frac{1}{3}$rd of the total number of Directors as Independent Directors.

As per the facts stated in the question, composition of board of directors of listed company as on 31-3-2017 comprised of total 7 directors. Out of which 4 were directors and 3 were independent directors. Later Mr. D (Director) and Mrs. E (Independent Director) vacated their offices of director on 15-4-2017.

So accordingly, listed company as stated above, shall have at least one women director and one-third of the total number of directors as independent directors in the Board. However, on 15-4-2017, total number of directors left were 5 due to vacation of Mr. D and Mrs. E. Further, Rule 3 of the Companies (Appointment and Qualification of Directors) Rules, 2014, provides that if there is an intermittent vacancy of a women director, it shall be filled up by the Board at the earliest but not later than immediate next board meeting or three months from the date of such vacancy whichever is later.

As per the requirement of the above sections, there is compliance of section 149(4) as $\frac{1}{3}$rd of the total number of directors comprises of ($\frac{1}{3}$x5) 1.6 rounded off as 2, which complies with the minimum requirement of 2 independent directors in the board, however, pertaining to women director, Board have to fill up the intermittent vacancy at the earliest but not later than immediate next board meeting or three months from the date of such vacancy whichever is later.

(ii) (a) **Resignation of Director (Section 168 of the Companies Act, 2013)**

A director may resign from his office by giving a notice in writing to the company. The Board shall on receipt of such notice take note of the same. The company shall within 30 days from the date of receipt of notice of resignation from a director, intimate the Registrar in Form DIR -12 and post the information on its website, if any.

Such director shall also forward a copy of his resignation along with detailed reasons for the resignation to the Registrar within 30 days from the date of resignation in FORM DIR-11 along with the prescribed fee. The resignation of a
director shall take effect from the date on which the notice is received by the company or the date, if any, specified by the director in the notice, whichever is later.

In the present case, Mr. Arthav, a director resigns after giving due notice to the company and he forwards a copy of resignation in e-form DIR-11 to the RoC within the prescribed time.

If the company fails to intimate about the resignation of Mr. Arthav to RoC, even then the resignation of Mr. Arthav shall take effect from the date on which the notice is received by the company or the date, if any, specified by Mr. Arthav in the notice, whichever is later.

(b) According to section 161 (3) of the Companies Act, 2013, subject to the articles of a company, the Board may appoint any person as a director nominated by any institution in pursuance of the provisions of any law for the time being in force or of any agreement or by the Central Government or the State Government by virtue of its shareholding in a Government company.

In the given case, the Articles of Association of Superwood Limited do not confer upon the Board of Directors any such power. Hence, the Board cannot appoint Mr. Ramakant as a nominee director even on the request of a bank which has extended a long term financial assistance to the company.

4. Managing Director [Section 2(54)]: Section 2(54) of the Companies Act, 2013 defines a “Managing Director” as a director who is entrusted with substantial powers of management of the affairs of the company by:

(i) virtue of articles of a company or
(ii) an agreement with the company or
(iii) a resolution passed in its general meeting, or by its Board of Directors, and includes a director occupying the position of the managing director, by whatever name called.

Explanation to Section 2 (54) clarifies that substantial powers of the management shall not be deemed to include the power to do such administrative acts of a routine nature when so authorised by the Board such as:

(i) the power to affix the common seal of the company to any document or
(ii) to draw and endorse any cheque on the account of the company in any bank or
(iii) to draw and endorse any negotiable instrument or
(iv) to sign any certificate of share or
(v) to direct registration of transfer of any share.
In the instant case, Mr. Madhav, a director in Shine Paper Limited has been authorized to draw and endorse cheque or other negotiable instruments on account of the company and also to direct registration of transfer of shares and signing the share certificates etc.

Hence, according to explanation to section 2(54), Mr. Madhav will not be treated as Managing Director of the company as he is authorized to do administrative acts of a routine nature.

**Procedure of appointment of a Managing Director [Section 196(4)]**

(1) Subject to the provisions of section 197 and Schedule V, a managing director shall be appointed, and the terms and conditions of such appointment and remuneration payable be approved by the Board of Directors at a meeting.

(2) The terms and conditions and remuneration approved by Board of Directors as above shall be subject to the approval of shareholders by a resolution at the next general meeting of the company.

(3) In case such appointment is at variance to the conditions specified in the Schedule V of the Companies Act, 2013, the appointment shall be approved by the Central Government.

(4) The notice convening Board or general meeting for considering such appointment shall include the terms and conditions of such appointment, remuneration payable and such other matters including interest, of a director or directors in such appointments, if any.

(5) A return in the prescribed form (Form No. MR.1) along with the prescribed fee shall be filed with the Registrar within sixty days of such appointment.

5. (i) According to section 173 (3) of the Companies Act, 2013, a meeting of the Board shall be called by giving not less than 7 days' notice in writing to every director at his address registered with the company and such notice shall be sent by hand delivery or by post or by electronic means.

   According to the question, two of the independent directors on the Board has objected on the grounds that no proper agenda for the meeting was circulated.

   The Companies Act, 2013 does not specifically provide for sending agenda along with the notice of the meeting. However, generally as a good secretarial practice, the notice is accompanied with the agenda of the meeting. Thus, the contention of the independent directors objecting on the grounds that no agenda for the meeting was circulated, does not hold good.

   Further, the Chairman of Greenhouse Limited has convened the Board meeting by serving a two weeks' notice (i.e. more than 7 days). Hence, the meeting shall be valid.

(ii) According to section 173 of the Companies Act, 2013,

   (a) The directors can participate in a meeting of the Board may be either in person...
or through video conferencing or other audio visual means, as may be prescribed, which are capable of recording and recognising the participation of the directors and of recording and storing the proceedings of such meetings along with date and time. Further, Central Government may provide for matters which cannot be dealt in a meeting through video conferencing or other audio visual means.

(b) A meeting of the Board shall be called by giving not less than 7 days’ notice in writing to every director at his address registered with the company.

Provided that a meeting of the Board may be called at shorter notice to transact urgent business subject to the condition that at least one independent director, if any, shall be present at the meeting. Further, in case the independent directors are not present at such a meeting of the Board, decisions taken at such a meeting shall be circulated to all the directors and shall be final only on ratification thereof by at least one independent director, if any.

Hence, Purple Florence Limited can hold a board meeting at a shorter notice through video conferencing, for transacting urgent business subject to the condition that at least one independent director, if any, shall be present at the meeting. Further, if the independent directors are absent from the meeting of the Board, decision taken at such a meeting shall be circulated to all the directors and shall be final only on ratification thereof by at least one independent director, if any.

6. (i) **Investigation into affairs of related companies**: Section 219 of the Companies Act, 2013, provides for power of Inspector to conduct investigation into the affairs of related companies etc., if an inspector appointed under section 210 or section 212 or section 213 to investigate into the affairs of a company considers it necessary for the purposes of the investigation, to investigate also the affairs of:

   (a) any other body corporate which is, or has at any relevant time been the company’s subsidiary company or holding company, or a subsidiary company of its holding company;

   (b) any other body corporate which is, or has at any relevant time been managed by any person as managing director or as manager, who is, or was, at the relevant time, the managing director or the manager of the company;

   (c) any other body corporate whose Board of Directors comprises nominees of the company or is accustomed to act in accordance with the directions or instructions of the company or any of its directors; or

   (d) any person who is or has at any relevant time been the company’s managing director or manager of employee, he shall, subject to the prior approval of the Central Government, investigate into and report on the affairs of the other body corporate or of the managing director or manager, in so far as he considers that the results of his investigation are relevant to the investigation of the affairs of
the company for which he is appointed. Therefore, the inspector shall subject to the prior approval of the Central Government, investigate into and report on the affairs of the other body corporate or of the Managing Director or Manager, in so far as he considers that the results of his investigation are relevant to the investigation of the affairs of the Company for which he is appointed. In view of above, the Inspector is permitted to investigate the holding company.

(ii) According to section 226 of the Companies Act, 2013, an investigation may be initiated notwithstanding, and no such investigation shall be stopped or suspended by reason only of, the fact that—

(a) an application has been made under section 241;
(b) the company has passed a special resolution for voluntary winding up; or
(c) any other proceeding for the winding up of the company is pending before the Tribunal.

In the instant case, Decent Marbles Limited has been incurring business losses for past couple of years. The company passed a special resolution for voluntary winding up. Meanwhile complaints were made to the Tribunal and to the Central Government about foul play of the directors of the company, which adversely affected the interests of shareholders of the company as well as the public.

As, the company has passed a special resolution for voluntary winding up of the company, then also the investigation may be initiated against the company under section 226 of the Companies Act, 2013.

7. As per section 230 (6) of the Companies Act, 2013 where majority of persons at a meeting held representing 3/4th in value, voting in person or by proxy or by postal ballot, agree to any compromise or arrangement and if such compromise or arrangement is sanctioned by the Tribunal by an order. The majority of person representing 3/4th Value shall be counted of the following:

- the creditors, or
- class of creditors or
- members or
- class of members, as the case may be,

The majority is dual, in number and in value. A simple majority of those voting is sufficient. Whereas the ‘three-fourths’ requirement relates to value. The three-fourths value is to be computed with reference to paid-up capital held by members present and voting at the meeting.
In this case, 300 members attended the meeting, but only 260 members voted at the meeting. As 120 members voted in favor of the scheme the requirement relating to majority in number (i.e. 131) is not satisfied.

260 members who participated in the meeting held 9,00,000 shares, three-fourth of which works out to 6,75,000 while 120 members who voted for the scheme held 7,00,000 shares. The majority representing three-fourths in value is satisfied.

Thus, in the instant case, the scheme of compromise and arrangement of Evergreen Limited is not approved as though the value of shares voting in favor is significantly more, the number of members voting in favor do not exceed the number of members voting against.

8. **Right to apply for oppression and mismanagement:** As per the provisions of Section 244 of the Companies Act, 2013, in the case of a company having share capital, members eligible to apply for oppression and mismanagement shall be lowest of the following:

100 members; or

1/10th of the total number of members; or

Members holding not less than 1/10th of the issued share capital of the company.

The share holding pattern of Crown Jewels Limited is given as follows:

₹ 5,00,00,000 equity share capital held by 500 members

The petition alleging oppression and mismanagement has been made by some members as follows:

(i) No. of members making the petition – 80

(ii) Amount of share capital held by members making the petition – ₹ 10,00,000

The petition shall be valid if it has been made by the lowest of the following:

100 members; or

50 members (being 1/10th of 500); or

Members holding ₹ 50,00,000 share capital (being 1/10th of ₹ 5,00,00,000)

As it is evident, the petition made by 80 members meets the eligibility criteria specified under section 244 of the Companies Act, 2013 as it exceeds the minimum requirement of 50 members in this case. Therefore, the petition is maintainable.

The consent to be given by a shareholder is reckoned at the beginning of the proceedings. The withdrawal of consent by any shareholder during the course of proceedings shall not affect the maintainability of the petition [Rajamundry Electric Corporation Vs. V. Nageswar Rao A.I.R. (1956) Sc. 2013].
Section 348 of the Companies Act, 2013 states that, if the winding up of a company is not concluded within one year after its commencement then the Company Liquidator shall file a statement in such form containing such particulars as may be prescribed. Such statement shall be filled within two months of the expiry of such year and it shall be filled continuously thereafter until the winding up is concluded, at intervals of not more than one year or at such shorter intervals as may be prescribed. The statement shall be duly audited, by a person qualified to act as auditor of the company and position of with respect to the proceedings in the liquidation.

The statement shall be filed with the tribunal in the case of a winding up by the Tribunal. A copy shall simultaneously be filed with the Registrar and shall be kept by him along with the other records of the company.

Where a statement relates to a Government company in liquidation, the Company Liquidator shall forward a copy thereof,

- to the Central Government, if that Government is a member of the Government company;
- to any State Government, if that Government is a member of the Government company; or
- to the Central Government and any State Government, if both the Governments are members of the Government company.

**Paramount Limited is a Government Company**

In the current scenario, we can understand that the Paramount Limited is a government company in which Central Government is a member and hence statement is also required to file to the Central Government along with the Tribunal and Registrar. So, the opinion by the Company Liquidator is not tenable in the eyes of the law and he is liable for penal action under the Act.

The company liquidator shall be punishable with fine which may extend to five thousand rupees for every day during which the failure continues.

**Paramount Limited is a Non-Government Company**

In the current scenario, the Paramount Limited is a non-government company hence statement is only required to file with the Tribunal and Registrar only. So, the opinion by the Company Liquidator is tenable in the eyes of the law and he is not liable for any penal action under the Act.

In the instant case, Mr. Jain retired as professor from a university on completion of 60 years of age as on 31st March, 2014 appointed as Chairman of SEBI from 1st April, 2014 for a period of 3 years.

This appointment is valid as on the date of appointment, he is of 60 years of age and he, as a retired professor, is a person of ability, integrity and standing and have special knowledge or experience of law; finance; economics, accountancy, administration or in any other discipline.

If Mr. Jain is reappointed as a chairman after expiry of the original tenure of 3 years, he can be re-appointed but only upto 65 years of age i.e. upto 31st March, 2019 (i.e. only for two years).

**Right to Relinquish the office:** The Chairman shall equally have the right to relinquish office at any time before the expiry of their tenure by giving a notice of three months in writing or salary and allowances in lieu thereof to the Central Government.

(ii) 1. **Extent of promoters contribution:** As per the regulation 32 of the SEBI (ICDR) Regulations, 2009, the promoters of the issuer shall contribute in the case of an initial public offer, not less than twenty per cent of the post issue capital.

Provided that in case the post issue shareholding of the promoters is less than twenty per cent, alternative investment funds may contribute for the purpose of meeting the shortfall in minimum contribution as specified for promoters, subject to a maximum of ten per cent of the post issue capital.

2. **Lock-in period of specified securities held by promoters:** As per the regulation 36 of the SEBI (ICDR) Regulations, 2009, in an initial public offer, the specified securities held by promoters shall be locked-in for the period as stipulated hereunder:
(a) minimum promoters’ contribution including contribution made by alternative investment funds shall be locked-in for a period of three years from the date of commencement of commercial production or date of allotment in the public issue, whichever is later;

(b) promoters’ holding in excess of minimum promoters’ contribution shall be locked-in for a period of one year:

The expression "date of commencement of commercial production" means the last date of the month in which commercial production in a manufacturing company is expected to commence as stated in the offer document.

(3) **Lock-in period of specified securities held by persons other than promoters**- As per the regulation 37 of the SEBI (ICDR) Regulations, 2009, in case of an initial public offer, the entire pre-issue capital held by persons other than promoters shall be locked-in for a period of one year.

17. (i) In this case, Mr. Vivaan may opt for ‘Option’ derivative contract, which is an agreement to buy or sell a set of assets at a specified time in the future for a specified amount. However, it is not obligatory for him to hold the terms of the agreement, since he has an ‘option’ to exercise the contract. For example, if the current market price of the share is ₹ 100 and he buy an option to sell the shares to Mr. X at ₹ 200 after three-month, so Vivaan bought a put option.

Now, if after three months, the current price of the shares is ₹ 210, Mr. Vivaan may opt not to sell the shares to Mr. X and instead sell them in the market, thus making a profit of ₹ 110. Had the market price of the shares after three months would have been ₹ 90, Mr. Vivaan would have obliged the option contract and sold those shares to Mr. X, thus making a profit, even though the current market price was below the contracted price. Thus, here, the shares of Travel Everywhere Limited is an underlying asset and the option contract is a form of derivative.

(ii) According to section 23 A of the Securities Contracts (Regulation) Act, 1956, any person who is required under this Act or any rules made thereunder;

18. (i) **The provisions governing the acquisition and transfer of immovable property outside India.**

However, provisions of section 11(3) of the said Act put some restrictions on such powers of the Central Government. In the given case, the understanding reached among the mango producers not to sell below a certain price shall amount to an agreement as defined under Section 2(b) notwithstanding the fact that though the arrangement is in writing but not intended to be enforced by legal proceeding.

20. (i) Sub-section (4) of section 13 of SARFAESI Act, 2002, provides that if the borrower fails to discharge his liability in full within the 60 days, the secured creditor may take recourse to one or more of the following measures to recover his secured debt:

21. (i) Section 25 of the Prevention of Money Laundering Act, 2002 empowers the Central Government to establish an Appellate Tribunal to hear appeal against order of the Adjudicating Authority and other authorities under the Act.

Section 26 deals with the right and time frame to make an appeal to the Appellate Tribunal. Any person aggrieved by an order made by the Adjudicating Authority may prefer an appeal to the Appellate Tribunal within a period of 45 days from the date on which a copy of the order is received by him. The appeal shall be in such form and be accompanied by such fee as may be prescribed. The Appellate Tribunal may extend the period if it is satisfied that there was sufficient cause for not filing it within the period of 45 days.

The Appellate Tribunal may after giving the parties to the appeal an opportunity of being heard, pass such order as it thinks fit, confirming, modifying or setting aside the order appealed against.

The Act also provides further appeal. According to Section 42 any person aggrieved by any decision or order of the Appellate Tribunal may file an appeal to the High Court within 60 days from the date of communication of the order of the Appellate Tribunal.

In the light of the provisions of the Act explained above the company is advised to prefer an appeal to Appellate Tribunal in the first instance.

(ii) The normal function of a proviso is to except something out of the enactment or to qualify something stated in the enactment which would be within its purview if the proviso were not there. The effect of the proviso is to qualify the preceding enactment which is expressed in terms which are too general. As a general rule, a proviso is added to an enactment to qualify or create an exception to what is in the enactment ordinarily a proviso is not interpreted as it stating a general rule.

It is a cardinal rule of interpretation that a proviso to a particular provision of a statute only embraces the field which is covered by the main provision. It carves out an exception to the provision to which it has been enacted as a proviso and not to the other. (Ram Narain Sons Ltd. Vs. Assistant Commissioner of Sales Tax., A.I.R, 1995 SC 765).

An explanation is at times appended to a section to explain the meaning of the text of the section. An explanation may be added to include something within the Section or to exclude something from it. An explanation should normally be so read as to harmonise with and clear up any ambiguity in the main section. It should not be so construed as to widen the ambit of the section.

(I) Introduction

The Insolvency and Bankruptcy Code, 2016 is one of the major economic reform Code initiated by the Government in the year 2015. There were multiple overlapping laws and adjudicating forums dealing with financial failure and insolvency of companies and individuals in India.

The existing laws also were not aligned with the market realities, had several problems and were inadequate. As per that legal framework, provisions relating to insolvency and bankruptcy for companies could be found in the Sick Industrial Companies (Special Provisions) Act, 1985, the Recovery of Debt Due to Banks and Financial Institutions Act, 1993, the Securitisation and Reconstruction of Financial Assets and Enforcement of Security Interest Act, 2002 and the Companies Act, 2013. Resolution and jurisdiction vesting with multiple agencies with overlapping powers was leading to delays and complexities in the process.

To facilitate easy and time bound closure of business in India and to overcome these challenges, a strong bankruptcy law was required.

The Insolvency and Bankruptcy Code, 2015 was introduced in the Lok Sabha on 21st December, 2015 and referred to the Joint Committee on the Insolvency and Bankruptcy Code, 2016. The Committee had presented its recommendations in the modified Bill based on its suggestions.

Further, the Insolvency and Bankruptcy Code, 2016 was passed by both the Houses of Parliament and notified in May 2016. Being one of the major economic reforms it paves the way focussing on creditor driven insolvency resolution.
What is Insolvency and Bankruptcy?

- The term insolvency is used for both individuals and organizations. For individuals, it is known as bankruptcy and for corporates it is called corporate insolvency. Both refer to a situation when an individual or company are not able to pay the debt in present or near future and the value of assets held by them are less than liability.

- Insolvency in this Code is regarded as a “state” where assets are insufficient to meet the liabilities. If untreated, insolvency will lead to bankruptcy for non-corporates and liquidation of corporates.

- While insolvency is a situation which arises due to inability to pay off the debts due to insufficient assets, bankruptcy is a situation wherein application is made to an authority declaring insolvency and seeking to be declared as bankrupt, which will continue until discharge.

From the above, it is evident that insolvency is a state and bankruptcy is a conclusion. A bankrupt would be a conclusive insolvent whereas all insolvencies will not lead to bankruptcies. Typically insolvency situations have two options – resolution and recovery or liquidation.
Relationship between Bankruptcy, Insolvency & Liquidation

Bankruptcy is a legal proceeding involving a person or business that is unable to repay outstanding debts. The bankruptcy process begins with a petition filed by the debtor, or by the creditors. All of the debtor's assets are measured and evaluated, and then these assets may be used to repay a portion of outstanding debt.

In lucid language, if any person or entity is unable to pay off the debts, it owes to its creditors, on time or as and when they became due and payable, then such person or entity is regarded as “insolvent”.

Liquidation is the winding up of a corporation or incorporated entity. There are many entities that can initiate proceedings that will lead to Liquidation, those being:-

- The Regulatory Bodies;
- The Directors of a Company;
- The Shareholders of a Company; and
- An Unpaid Creditor of a Company

In nutshell, insolvency is common to both bankruptcy and liquidation. Not being able to pay debts as and when they became due and payable is the leading cause for Liquidation and is the only way that can cause a natural person to become a bankrupt.

Purpose behind enactment of Insolvency and Bankruptcy Code, 2016

The Insolvency and Bankruptcy Code, 2016 is intended to strike the right balance of interests of all stakeholders of the business enterprise so that the corporates and other business entities enjoy availability of credit and at the same time the creditor do not have to bear the losses on account of default. As per the Preamble to the Code, the purpose of this Act is as under:-

(a) To consolidate and amend the laws relating to reorganisation and insolvency resolution of corporate persons, partnership firms and individuals.
(b) To fix time periods for execution of the law in a time bound manner.
(c) To maximize the value of assets of interested persons.
(d) To promote entrepreneurship
(e) To increase availability of credit.
(f) To balance the interests of all the stakeholders including alteration in the order of priority of payment of Government dues.
(g) To establish an Insolvency and Bankruptcy Board of India as a regulatory body for insolvency and bankruptcy law.
Distinguishing features of Code

(i) **Comprehensive Law:** Insolvency Code is a comprehensive law which envisages and regulates the process of insolvency and bankruptcy of all persons including corporates, partnerships, LLPs and individuals.

(ii) **Withering away of Multiplicity of Laws:** The Code has withered away the multiple laws covering the recovery of debts and insolvency and liquidation process and presents singular platform for all the reliefs relating to recovery of debts and insolvency.

(iii) **Low Time Resolution:** The Code provides a low time resolution and defines fixed time frames for insolvency resolution of companies and individuals. The process is mandated to be completed within 180 days, extendable by maximum of 90 days. Further, for a speedier process there is provision for fast-track resolution of corporate insolvency within 90 days. If insolvency cannot be resolved, the assets of the borrowers may be sold to repay creditors.

(iv) **One Window Clearance:** The Code has been drafted to provide one window clearance to the applicant whereby he gets the appropriate relief by the same authority unlike the earlier position of law wherein case the company is not able to revive the procedure for winding up and liquidation, has to be initiated under separate laws governed by separate authorities.

(v) **Clarity in Process:** There is a clear and unambiguous process to be followed by all stakeholders. There is also shift of control from shareholders and promoters to creditors.

(vi) **One Chain of Authority:** There is one chain of authority under the Code. It does not even allow the Civil Courts to interfere with the application pending before the adjudicating authority, thereby reducing the multiplicity of litigations. The National Company Law Tribunal (NCLT) will adjudicate insolvency resolution for companies. The Debt Recovery Tribunal (DRT) will adjudicate insolvency resolution for individuals.

(vii) **Protects the Interests of Workmen and Employees:** The Code also protects the interests of workman and employees. It excludes dues payable to workmen under provident fund, pension fund and gratuity fund from the debtor’s assets during liquidation.

(viii) **New Regulatory Authority:** It provides for constitution of a new regulatory authority, ‘Insolvency and Bankruptcy Board of India’ to regulate professionals, agencies and information utilities engaged in resolution of insolvencies of companies, partnership firms and individuals. The Board has already been established and has started functioning.

(ix) **Establishment of Information Utilities (IUs):** A unique feature of code is establishment of Information Utilities (IUs) which are intended to function as a databank to collect, collate and disseminate financial information and to facilitate insolvency resolution. It is envisioned that in the long run, IUs will have data on debts and credits of all the business houses and it will be able to create an automatic trigger in case of default by any debtor and the authority may initiate the insolvency process as required. Such a system will reduce the risk of credit in the economy.
Need for a New Law

According to the Ease of Doing Business Report of the World Bank, it takes an average of four to five years in insolvency resolution process in India. The main reason behind such delay in the legal process is the existence of overlapping legislations and adjudicating authorities dealing with insolvency of companies and individuals in India.

The Government of India then formulated a plan to refurbish the prevailing bankruptcy laws and replace them with one that will facilitate hassle-free and time-bound revival and closure of businesses.

The framework of law which was in existence earlier had failed to resolve insolvency situations.

- Financial failure – a persistent mismatch between payments by the enterprise and receivables into the enterprise, even though the business model is generating revenues.
- Business failure – which is a breakdown in the business model of the enterprise, and is unable to generate sufficient revenues to meet payments.
- Malfeasance and mismanagement by promoters

The laws which were in existence were not aligned with the market realities and had several inadequacies. There was no single window resolution available and the resolution and jurisdiction was with the multiple agencies with overlapping powers that was leading to delays and complexities in the process. The Companies Act deals with the corporate insolvency law...
and the individual insolvency laws were being dealt by a century old two Acts, i.e., The Provincial Towns Insolvency Act and the Presidency Towns Insolvency Act.

- Multiple laws governing Debt resolution and multiple forums
- Parallel proceedings by different parties on the same debtor in different forums and Conflicts between laws and over jurisdictions.
- Multiple laws governing Debt resolution and multiple forums
- Asymmetry of information

**Structure of the Code**

The Code has been divided in to five parts comprising of 255 sections and 11 Schedules. Out of these some sections have been notified by the Ministry of Corporate Affairs. In order to bring clarity and a better understanding, certain Regulations have also been notified by the Government.

**Regulatory Mechanism**

The Insolvency and Bankruptcy Code, 2016 provides a new regulatory mechanism with an institutional set-up comprising of five pillars:-

- Insolvency Professionals
- Insolvency Professional Agencies
- Information Utilities
- Insolvency and Bankruptcy Board of India
- Adjudicating Authority
1. **Insolvency Professionals** - The Code provides for insolvency professionals as intermediaries who would play a key role in the efficient working of the bankruptcy process. The role of the IP encompasses a wide range of functions, which include adhering to procedure of the law, as well as accounting and finance related functions.

In the resolution process, the insolvency professional verifies the claims of the creditors, constitutes a creditors committee, runs the debtor's business during the moratorium period and helps the creditors in reaching a consensus for a revival plan. In liquidation, the insolvency professional acts as a liquidator and bankruptcy trustee.

2. **Insolvency Professional Agencies** - The Code provides for establishment of insolvency professionals agencies to enroll and regulate insolvency professionals as its members in accordance with the Insolvency and Bankruptcy Code 2016 and read with regulations.

3. **Information Utilities** - A notable feature of the Code is the creation of information utilities to collect, collate, authenticate and disseminate financial information of debtors in centralised electronic database.

The Code requires creditors to provide financial information of debtors to multiple utilities on an ongoing basis. Such information would be available to creditors, resolution professionals, liquidators and other stakeholders in insolvency and bankruptcy proceedings. The purpose of the same is to remove information asymmetry and dependency on the debtor's management for critical information that is needed to swiftly resolve the state of insolvency.

4. **Insolvency and Bankruptcy Board of India** - The Code provides for establishment of a Regulator who will oversee these entities and to perform legislative, executive and quasi-judicial functions with respect to the Insolvency Professionals, Insolvency Professional Agencies and Information Utilities. The Insolvency and Bankruptcy Board of India was established on October 1, 2016. The head office of the Board is located at New Delhi.

5. **Adjudicating Authority** - The adjudicating authority for corporate insolvency and liquidation is the NCLT. Appeals arising out of NCLT orders lie to the National Company Law Appellate Tribunal and, thereafter, to the Supreme Court of India.
The Code has created one chain of authority for adjudication under the Code. Civil Courts have been prohibited to interfere in the matters related with application pending before the adjudicating authority. No injunction shall be granted by any Court, Tribunal or Authority in respect of any action taken by the NCLT.

For individuals and other persons, the adjudicating authority is the DRT. Appeals arising out of DRT orders lie to the Debt Recovery Appellate Tribunal and thereafter, to the Supreme Court.

(II) Corporate Insolvency Resolution Process [Sections 4, 6-32]

Provisions related to Insolvency Resolution and Liquidation process for Corporate Persons are covered in Part II of the Code.

Corporate Insolvency Resolution is a process during which financial creditors assess whether the debtor's business is viable to continue and the options for its rescue and revival. If the insolvency resolution process fails or financial creditors decide that the business of debtor cannot be carried on profitably and it should be wound up, the debtor will undergo liquidation process and the assets of the debtor are realized and distributed by the liquidator.

The Insolvency Resolution Process provides a collective mechanism to lenders to deal with the overall distressed position of a corporate debtor. This is a significant departure from the existing legal framework under which the primary onus to initiate a reorganisation process lies with the debtor, and lenders may pursue distinct actions for recovery, security enforcement and debt restructuring.

### (III) Liquidation Process

The Code concerns itself only with those corporate debtors which have defaulted in payment of debts. The corporate debtor, at the first stage, is put into resolution mode. The process is called the corporate insolvency resolution process. However, if attempts to resolve the insolvency of the corporate debtor fail, then only the liquidation provisions of the Code are triggered.

Where no plan is presented or where the plan presented is not approved by the Adjudicating Authority it shall pass an order requiring the Corporate Debtor to be liquidated in the manner as laid down in Chapter III of the Act.

Section 33 to 54 of the Code provides the law related to the liquidation process.

1. **Initiation of liquidation:** Section 33 of the Code deals with the initiation of liquidation process. Provisions states that where the Adjudicating Authority —
   
   (a) **Not received a Resolution plan:** Before the expiry of the insolvency resolution process period or the maximum period permitted for completion of the corporate insolvency resolution process or the fast track corporate insolvency resolution process, as the case may be, does not receive a resolution plan; or

       (ii) issue a public announcement stating that the corporate debtor is in liquidation; and
       
       (iii) require such order to be sent to the authority with which the corporate debtor is registered.

are prejudicially affected by such contravention, may make an application to the Adjudicating Authority for a liquidation order.

Restrictions on filing of suits and legal proceedings shall not apply to legal proceedings in relation to such transactions as may be notified by the Central Government in consultation with any financial sector regulator.

**Order to be deemed to be notice of discharge:** The order for liquidation under this section shall be deemed to be a notice of discharge to the officers, employees and workmen of the corporate debtor, except when the business of the corporate debtor is continued during the liquidation process by the liquidator.
