Revised Chapter 7-Company Audit-I is given hereunder:

1. Eligibility, Qualifications and Disqualifications of an Auditor

The provisions relating to eligibility, qualifications and disqualifications of an auditor are governed by section 141 of the Companies Act, 2013 (hereinafter referred as the Act). The main provisions are stated below:

(1) A person shall be eligible for appointment as an auditor of a company only if he is a chartered accountant.

It may be noted that a firm whereof majority of partners practising in India are qualified for appointment as aforesaid may be appointed by its firm name to be auditor of a company.

Fig.: Is the person eligible for appointment as auditor?¹

(2) Where a firm including a limited liability partnership is appointed as an auditor of a company, only the partners who are chartered accountants shall be authorised to act and sign on behalf of the firm.

(3) Under sub-section (3) of section 141 along with Rule 10 of the Companies (Audit and Auditors) Rules, 2014 (hereinafter referred as CAAR), the following persons shall not be eligible for appointment as an auditor of a company, namely-

(a) a body corporate other than a limited liability partnership registered under the Limited Liability Partnership Act, 2008;

(b) an officer or employee of the company;

(c) a person who is a partner, or who is in the employment, of an officer or employee of the company;

(d) a person who, or his relative or partner -

(i) is holding any security of or interest in the company or its subsidiary, or of its holding or associate company or a subsidiary of such holding company;

¹ Source of image: http://yourfinancebook.com
It may be noted that the relative may hold security or interest in the company of face value not exceeding ₹ 1,00,000.

It may also be noted that the condition of ₹ 1,00,000 shall, wherever relevant, be also applicable in the case of a company not having share capital or other securities.

Students may also note that in the event of acquiring any security or interest by a relative, above the threshold prescribed, the corrective action to maintain the limits as specified above shall be taken by the auditor within 60 days of such acquisition or interest.

The following points merit consideration in this regard:

(i) The value of shares of ₹ 1,00,000 that can be hold by relative is the face value not the market value.

(ii) The limit of ₹ 1,00,000 would be applicable where the securities are held by the relative of an auditor and not where the securities are held by an auditor himself or his partner. In case of an auditor or his partner, securities of even small value shall be a disqualification.

(iii) Grace period of 60 days for corrective action shall apply only in respect of securities held by relatives. This would not apply to auditor or his partner.

[The term "relative", as defined under the Companies Act, 2013, means anyone who is related to another as members of a Hindu Undivided Family; husband and wife; Father (including step- father), Mother (including step-mother), Son (including step- son), Son’s wife, Daughter, Daughter’s husband, Brother (including step- brother), Sister (including step- sister).]

**EXAMPLES**

**Ex 1:** Mr. A, a practicing Chartered Accountant, is holding securities of XYZ Ltd. having face value of ₹ 900. Whether Mr. A is qualified for appointment as an auditor of XYZ Ltd.?

As per section 141(3)(d)(i), an auditor is disqualified to be appointed as an auditor if he, or his relative or partner holding any security of or interest in the company or its subsidiary, or of its holding or associate company or a subsidiary of such holding company.

In the present case, Mr. A is holding security of ₹ 900 in XYZ Ltd. Therefore, he is not eligible for appointment as an auditor of XYZ Ltd.

**Ex 2:** Mr. P is a practicing Chartered Accountant and Mr. Q, the relative of Mr. P, is holding securities of ABC Ltd. having face value of ₹ 90,000. Whether Mr. P is qualified from being appointed as an auditor of ABC Ltd.?

As per section 141(3)(d)(i), a person is disqualified to be appointed as an auditor if he, or his relative or partner is holding any security of or interest in
the company or its subsidiary, or of its holding or associate company or a subsidiary of such holding company. Further, as per proviso to this section, the relative of the person may hold the securities or interest in the company of face value not exceeding of ₹1,00,000.

In the present case, Mr. Q. (relative of Mr. P), is having securities of ₹90,000 face value in ABC Ltd., which is as per requirement of proviso to section 141(3)(d)(i). Therefore, Mr. P will not be disqualified to be appointed as an auditor of ABC Ltd.

Ex 3: M/s BC & Co. is an Audit Firm having partners Mr. B and Mr. C, and Mr. A the relative of Mr. C, is holding securities of MWF Ltd. having face value of ₹1,01,000. Whether M/s BC & Co. is qualified from being appointed as an auditor of MWF Ltd.?

As per section 141(3)(d)(i), a person is disqualified to be appointed as an auditor if he, or his relative or partner is holding any security of or interest in the company or its subsidiary, or of its holding or associate company or a subsidiary of such holding company. Further as per proviso to this section, the relative of the person may hold the securities or interest in the company of face value not exceeding of ₹1,00,000.

In the instant case, M/s BC & Co, will be disqualified for appointment as an auditor of MWF Ltd. as the relative of Mr. C (i.e. partner of M/s BC & Co.) is holding the securities in MWF Ltd. which is exceeding the limit mentioned in proviso to section 141(3)(d)(i).

Ex 4: M/s RM & Co. is an audit firm having partners CA. R and CA. M. The firm has been offered the appointment as an auditor of Enn Ltd. for the Financial Year 2016-17. Mr. Bee, the relative of CA. R, is holding 5,000 shares (face value of ₹10 each) in Enn Ltd. having market value of ₹1,50,000. Whether M/s RM & Co. is disqualified to be appointed as auditors of Enn Ltd.?

As per section 141(3)(d)(i), a person shall not be eligible for appointment as an auditor of a company, who, or his relative or partner is holding any security of or interest in the company or its subsidiary, or of its holding or associate company or a subsidiary of such holding company. However, as per proviso to this section, the relative of the person may hold the securities or interest in the company of face value not exceeding of ₹1,00,000.

In the instant case, M/s RM & Co. is an audit firm having partners CA. R and CA. M. Mr. Bee is a relative of CA. R and he is holding shares of Enn Ltd. of face value of ₹50,000 only (5,000 shares x ₹10 per share).

Therefore, M/s RM & Co. is not disqualified for appointment as an auditors of Enn Ltd. as the relative of CA. R (i.e. partner of M/s RM & Co.) is holding the securities in Enn Ltd. which is within the limit mentioned in proviso to section 141(3)(d)(i) of the Companies Act, 2013.
(ii) is indebted to the company, or its subsidiary, or its holding or associate company or a subsidiary of such holding company, in excess of ₹ 5,00,000; or

(iii) has given a guarantee or provided any security in connection with the indebtedness of any third person to the Company or its Subsidiary, or its Holding or Associate Company or a Subsidiary of such Holding Company, in excess of ₹ 1,00,000.

(e) a person or a firm who, whether directly or indirectly has business relationship with the Company, or its Subsidiary, or its Holding or Associate Company or Subsidiary of such holding company or associate company, of such nature as may be prescribed;

Students may note that for the purpose of clause (e) above, the term “business relationship” shall be construed as any transaction entered into for a commercial purpose, except –

(i) commercial transactions which are in the nature of professional services permitted to be rendered by an auditor or audit firm under the Act and the Chartered Accountants Act, 1949 and the rules or the regulations made under those Acts;

(ii) commercial transactions which are in the ordinary course of business of the company at arm’s length price - like sale of products or services to the auditor, as customer, in the ordinary course of business, by companies engaged in the business of telecommunications, airlines, hospitals, hotels and such other similar businesses.

(f) a person whose relative is a Director or is in the employment of the Company as a director or key Managerial Personnel.

(g) a person who is in full time employment elsewhere or a person or a partner of a firm holding appointment as its auditor, if such person or partner is at the date of such appointment or reappointment holding appointment as auditor of more than twenty companies other than one person companies, dormant companies, small companies and private companies having paid-up share capital less than ₹ 100 crore.

(h) a person who has been convicted by a Court of an offence involving fraud and a period of ten years has not elapsed from the date of such conviction.

(i) a person who, directly or indirectly, renders any service referred to in section 144 to the company or its holding company or its subsidiary company.

It may be noted that, for the purposes of this clause, the term "directly or indirectly" shall have the same meaning as assigned to it in the Explanation to section 144, i.e.

In case of auditor being an individual, either himself or through his relative or any other person connected or associated with such individual or through any other entity, whatsoever, in which such individual has significant influence or control, or whose name or trade mark or brand is used by such individual, shall be termed as rendering of services directly or indirectly by the auditor; and
In case of auditor being a firm, either itself or through any of its partners or through its parent, subsidiary or associate entity or through any other entity, whatsoever, in which the firm or any partner of the firm has significant influence or control, or whose name or trade mark or brand is used by the firm or any of its partners, shall be termed as rendering of services directly or indirectly by the auditor.

Section 144 of the Companies Act, 2013 prescribes certain services not to be rendered by the auditor. An auditor appointed under this Act shall provide to the company only such other services as are approved by the Board of Directors or the audit committee, as the case may be, but which shall not include any of the following services (whether such services are rendered directly or indirectly to the company or its holding company or subsidiary company), namely:

(i) accounting and book keeping services;
(ii) internal audit;
(iii) design and implementation of any financial information system;
(iv) actuarial services;
(v) investment advisory services;
(vi) investment banking services;
(vii) rendering of outsourced financial services;
(viii) management services; and
(ix) any other kind of services as may be prescribed.

It may be noted that an auditor or audit firm who or which has been performing any non-audit services on or before the commencement of this Act shall comply with the provisions of this section before the closure of the first financial year after the date of such commencement.

Example: CA. Poshin is providing the services of investment banking to C Ltd. Later on, he was also offered to be appointed as an auditor of the company for the current financial year. Advise.

Section 141(3)(i) of the Companies Act, 2013 disqualifies a person for appointment as an auditor of a company who, directly or indirectly, renders any service referred to in section 144 to the company or its holding company or its subsidiary company. Section 144 of the Companies Act, 2013 prescribes certain

---

2 Source of image: webuildbuzz.com
services not to be rendered by the auditor which includes investment banking services.

Therefore, CA. Poshin is advised not to accept the assignment of auditing as the investment banking service is specifically notified in the list of services not to be rendered by him as per section 141(3)(i) read with section 144 of the Companies Act, 2013.

(4) Where a person appointed as an auditor of a company incurs any of the disqualifications mentioned in sub-section (3) after his appointment, he shall vacate his office as such auditor and such vacation shall be deemed to be a casual vacancy in the office of the auditor.

CASE STUDY

Facts of the Case: Mr. A, a chartered accountant, has been appointed as an auditor of Laxman Ltd. in the Annual General Meeting of the company held in September, 2016, which assignment he accepted. Subsequently in January, 2017 he joined Mr. B, another chartered accountant, who is the Manager Finance of Laxman Ltd., as partner.

Provisions and Explanation: Section 141(3)(c) of the Companies Act, 2013 prescribes that any person who is a partner or in employment of an officer or employee of the company will be disqualified to act as an auditor of a company. Sub-section (4) of Section 141 provides that an auditor who becomes subject, after his appointment, to any of the disqualifications specified in sub-sections (3) of Section 141, he shall be deemed to have vacated his office as an auditor.

Conclusion: In the present case, Mr. A, an auditor of Laxman Ltd., joined as partner with Mr. B, who is Manager Finance of Laxman Limited. The given situation has attracted sub-section (3)(c) of Section 141 and, therefore, he shall be deemed to have vacated office of the auditor of Laxman Limited in accordance with sub-section (4) of section 141.

2. Appointment of Auditor

Section 139 of the Companies Act, 2013 contains provisions regarding Appointment of Auditors. Discussion on appointment of auditors may be grouped under two broad headings-

I Appointment of First Auditors.

II Appointment of Subsequent Auditors.

Fig: Meeting for appointment of Auditor

---

3 Source of image: http://newhavenscience.org
2.1 Appointment of First Auditor

2.1.1 Appointment of First Auditor in the case of a company, other than a Government Company: As per Section 139(6), the first auditor of a company, other than a Government company, shall be appointed by the Board of Directors within 30 days from the date of registration of the company.

In the case of failure of the Board to appoint the auditor, it shall inform the members of the company.

The members of the company shall within 90 days at an extraordinary general meeting appoint the auditor. Appointed auditor shall hold office till the conclusion of the first annual general meeting.
CASE STUDY

Facts of the Case: Managing Director of Pigeon Ltd. himself wants to appoint CA. Champ, a practicing Chartered Accountant, as first auditor of the company.

Provisions and Explanation: Section 139(6) of the Companies Act, 2013 lays down that the first auditor of a company shall be appointed by the Board of Directors within 30 days from the date of registration of the company. In the instant case, the proposed appointment of CA. Champ, a practicing Chartered Accountant, as first auditor by the Managing Director of Pigeon Ltd. by himself is in violation of Section 139(6) of the Companies Act, 2013, which authorizes the Board of Directors to appoint the first auditor of the company.

Conclusion: In view of the above, the Managing Director of Pigeon Ltd. should be advised not to appoint the first auditor of the company.

2.1.2 Appointment of First Auditors in the case of Government Company: A “Government company” is a company in which not less than 51% of the paid-up share capital is held by the Central Government or by any State Government or Governments or partly by the Central Government and partly by one or more State Governments, and includes a company which is a subsidiary company of such a Government company.

Section 139(7) provides that in the case of a Government company or any other company owned or controlled, directly or indirectly, by the Central Government, or by any State Government, or Governments, or partly by the Central Government and partly by one or more State Governments, the first auditor shall be appointed by the Comptroller and Auditor-General of India within 60 days from the date of registration of the company.

In case the Comptroller and Auditor-General of India does not appoint such auditor within the above said period, the Board of Directors of the company shall appoint such auditor within the next 30 days. Further, in the case of failure of the Board to appoint such auditor within next 30 days, it shall inform the members of the company who shall appoint such auditor within 60 days at an extraordinary general meeting. Auditors shall hold office till the conclusion of the first annual general meeting.

CASE STUDY

Facts of the Case: The first auditor of Bhartiya Petrol Ltd., a Government company, was appointed by the Board of Directors.

Provisions and Explanation: In the case of a Government Company, the appointment of first auditor is governed by the provisions of Section 139(7) of the Companies Act, 2013 which states that in the case of a Government company, the first auditor shall be appointed by the Comptroller and Auditor-General of India within 60 days from the date of registration of the company. Hence, in the case of Bhartiya Petrol Ltd., being a government company, the first auditor shall be appointed by the Comptroller and Auditor General of India.

Conclusion: Thus, the appointment of first auditor made by the Board of Directors of Bhartiya Petrol Ltd., is null and void.
2.2 Appointment of Subsequent Auditor/Reappointment of Auditor

2.2.1 Appointment of Subsequent Auditors in case of Non-Government Companies:

Section 139(1) of the Companies Act, 2013 provides that every company shall, at the first annual general meeting appoint an individual or a firm as an auditor who shall hold office from the conclusion of that meeting till the conclusion of its sixth annual general meeting and thereafter till the conclusion of every sixth meeting.

The following points need to be noted in this regard-

(i) Before such appointment is made, the written consent of the auditor to such appointment, and a certificate from him or it that the appointment, if made, shall be in accordance with the conditions as may be prescribed, shall be obtained from the auditor.

(ii) The certificate shall also indicate whether the auditor satisfies the criteria provided in section 141.

(iii) The company shall inform the auditor concerned of his or its appointment, and also file a notice of such appointment with the Registrar within 15 days of the meeting in which the auditor is appointed.

2.2.2 Appointment of Subsequent Auditors in case of Government Companies:

As per section 139(5), in the case of a Government company or any other company owned or controlled, directly or indirectly, by the Central Government, or by any State Government or Governments, or partly by the Central Government and partly by one or more State Governments, the Comptroller and Auditor-General of India shall, in respect of a financial year, appoint an auditor duly qualified to be appointed as an auditor of companies under this Act, within a period of 180 days from the commencement of the financial year, who shall hold office till the conclusion of the annual general meeting.

2.3 Filling of a Casual Vacancy

As per Section 139(8), any casual vacancy in the office of an auditor shall-

(i) In the case of a company other than a company whose accounts are subject to audit by an auditor appointed by the Comptroller and Auditor-General of India, be filled by the Board of Directors within 30 days.

If such casual vacancy is as a result of the resignation of an auditor, such appointment shall also be approved by the company at a general meeting convened within three months of the recommendation of the Board and he shall hold the office till the conclusion of the next annual general meeting.

(ii) In the case of a company whose accounts are subject to audit by an auditor appointed by the Comptroller and Auditor-General of India, be filled by the Comptroller and Auditor-General of India within 30 days.
It may be noted that in case the Comptroller and Auditor-General of India does not fill the vacancy within the said period the Board of Directors shall fill the vacancy within next 30 days.

2.3.1 Casual Vacancy by Resignation: As per section 140(2) of the Act, the auditor who has resigned from the company shall file within a period of 30 days from the date of resignation, a statement in the prescribed Form ADT–3 (as per Rule 8 of CAAR) with the company and the Registrar.

In case of the companies referred to in section 139(5) i.e. Government company, the auditor shall also file such statement with the CAG along with the company and the Registrar.

The auditor shall indicate the reasons and other facts as may be relevant with regard to his resignation.

In case of failure, the auditor shall be liable to a penalty of fifty thousand rupees or the remuneration of the auditor, whichever is less, and in case of continuing failure, with further penalty of five hundred rupees for each day after the first during which such failure continues, subject to a maximum of five lakh rupees as per section 140(3) (Companies (Amendment) Second Ordinance 2019 dated 21 February 2019).

CASE STUDY

Facts of the Case: CA. Donald was appointed as the auditor of PS Ltd. at the remuneration of ₹30,000. However, after 4 months of continuing his services, he could not continue to hold his office of the auditor as his wife got a government job at a distant place and he needs to shift along with her to the new place. Thus, he resigned from the company and did not perform his responsibilities relating to filing of statement to the
company and the registrar indicating the reasons and other facts as may be relevant with regard to his resignation.

How much fine may he be punishable with under section 140(3) for non-compliance of section 140(2) of the Companies Act, 2013?

Provisions and Explanation: For non-compliance of sub-section (2) of section 140 of the Companies Act, 2013, the auditor shall be punishable with fine, which shall not be less than fifty thousand rupees or the remuneration of the auditor, whichever is less but which may extend to five lakh rupees, under section 140(3) of the said Act.

Conclusion: Thus, the fine under section 140(3) of the Companies Act, 2013 shall not be less than ₹30,000 but which may extend to ₹5,00,000.

Other Important Provisions Regarding Appointment of Auditors

(1) A retiring auditor may be re-appointed at an annual general meeting, if-

(a) he is not disqualified for re-appointment;

(b) he has not given the company a notice in writing of his unwillingness to be re-appointed; and

(c) a special resolution has not been passed at that meeting appointing some other auditor or providing expressly that he shall not be re-appointed.

(2) Where at any annual general meeting, no auditor is appointed or re-appointed, the existing auditor shall continue to be the auditor of the company.

3. Rotation of Auditor

3.1 Applicability of Section 139(2) Rotation of Auditor: As per rules prescribed in Companies (Audit and Auditors) Rules, 2014, for applicability of section 139(2) the class of companies shall mean the following classes of companies excluding one person companies and small companies-

Fig: Rotation of Auditors

---

4 Source of image: thehindubusinessline.com
(I) all unlisted public companies having paid up share capital of rupees ten crore or more;

(II) all private limited companies having paid up share capital of rupees fifty crore or more;

(III) all companies having paid up share capital of below threshold limit mentioned above, but having public borrowings from financial institutions, banks or public deposits of rupees fifty crores or more.

**Example:** Rano Pvt. Ltd. is a private limited Company, having paid up share capital of ₹ 42 crore but having public borrowing from nationalized banks and financial institutions of ₹ 72 crore, manner of rotation of auditor will be applicable.

As per section 139(2), no listed company or a company belonging to such class or classes of companies as mentioned above, shall appoint or re-appoint-

(a) an individual as auditor for more than one term of five consecutive years; and

(b) an audit firm as auditor for more than two terms of five consecutive years. Provided that -

   (i) an individual auditor who has completed his term under clause (a) shall not be eligible for re-appointment as auditor in the same company for five years from the completion of his term;

   (ii) an audit firm which has completed its term under clause (b), shall not be eligible for re-appointment as auditor in the same company for five years from the completion of such term.

**Example:** Jolly Ltd., a listed company, appointed M/s Polly & Co., a Chartered Accountant firm, as the statutory auditor in its AGM held at the end of September, 2016 for 11 years. Here, the appointment of M/s Polly & Co. is not valid as the appointment can be made only for one term of five consecutive years and then another one more term of five consecutive years. It can’t be appointed for two terms in one AGM only. Further, a cooling period of five years from the completion of term is required i.e. the firm can’t be re-appointed for further 5 years after completion of two terms of five consecutive years.
The following points merit consideration in this regard-

(1) As on the date of appointment, no audit firm having a common partner or partners to the other audit firm, whose tenure has expired in a company immediately preceding the financial year, shall be appointed as auditor of the same company for a period of five years.

**Example:** M/s XYZ & Co., is an audit firm having partners Mrs. X, Mr. Y and Mr. Z, whose tenure has expired in the company immediately preceding the financial year. M/s ABZ & Co., another audit firm in which Mr. Z is a common partner, will also be disqualified for the same company along with M/S XYZ & Co. for the period of five years.

(2) Every company, existing on or before the commencement of this Act which is required to comply with provisions of this sub-section, shall comply with the requirements of this sub-section within a period which shall not be later than the date of the first annual general meeting of the company held, within the period specified under sub-section (1) of section 96, after three years from the date of commencement of this Act.

**EXAMPLES**

**Ex 1:** Mr. Raj, a Chartered Accountant, is an individual auditor of Binaca Limited for last 5 years as on March, 2013 (i.e. existing on or before the date of Commencement of Companies Act, 2013). Keeping in view the transition period as stated in the Companies Act, 2013, Mr. Raj can continue the audit of Binaca Ltd. upto the first annual general meeting to be held after three years from the date of commencement of the Act.

**Ex 2:** M/s Raj & Associates, a Chartered Accountants Audit Firm, is doing audit of Binaca Limited for last 11 years as on March, 2013 (i.e. existing on or before the date of Commencement of Companies Act, 2013). Keeping in view the transition period as stated in the Companies Act, 2013, M/s Raj Associates can continue the audit of Binaca Ltd. upto the first annual general meeting to be held after three years from the date of commencement of the Act.

Students may interlink the above example with Illustrative table explaining rotation in case of individual auditor as well as audit firm which has been given after the 3.2 i.e. Manner of rotation of Auditors by the Companies on Expiry of their Term.*

(3) It has also been provided that right of the company to remove an auditor or the right of the auditor to resign from such office of the company shall not be prejudiced.

(4) Subject to the provisions of this Act, members of a company may resolve to provide that-

   (a) in the audit firm appointed by it, the auditing partner and his team shall be rotated at such intervals as may be resolved by members; or

   (b) the audit shall be conducted by more than one auditor.

(5) The Central Government may, by rules, prescribe the manner in which the companies shall rotate their auditors.
3.2 Manner of Rotation of Auditors by the Companies on Expiry of their Term: Rule 6 of the Companies (Audit and Auditors) Rules, 2014 prescribes the manner of rotation of auditors on expiry of their term which is given below-

(1) The Audit Committee shall recommend to the Board, the name of an individual auditor or of an audit firm who may replace the incumbent auditor on expiry of the term of such incumbent.

(2) Where a company is required to constitute an Audit Committee, the Board shall consider the recommendation of such committee, and in other cases, the Board shall itself consider the matter of rotation of auditors and make its recommendation for appointment of the next auditor by the members in annual general meeting.

(3) For the purpose of the rotation of auditors-
   
   (i) in case of an auditor (whether an individual or audit firm), the period for which the individual or the firm has held office as auditor prior to the commencement of the Act shall be taken into account for calculating the period of five consecutive years or ten consecutive years, as the case may be;
   
   (ii) the incoming auditor or audit firm shall not be eligible if such auditor or audit firm is associated with the outgoing auditor or audit firm under the same network of audit firms.

Explanation I - For the purposes of these rules the term "same network" includes the firms operating or functioning, hitherto or in future, under the same brand name, trade name or common control.

Explanation II - For the purpose of rotation of auditors,

(a) a break in the term for a continuous period of five years shall be considered as fulfilling the requirement of rotation;

(b) if a partner, who is in charge of an audit firm and also certifies the financial statements of the company, retires from the said firm and joins another firm of chartered accountants, such other firm shall also be ineligible to be appointed for a period of five years.

2. Consecutive years shall mean all the preceding financial years for which the firm has been the auditor until there has been a break by five years or more.

(4) Where a company has appointed two or more individuals or firms or a combination thereof as joint auditors, the company may follow the rotation of auditors in such a manner that both or all of the joint auditors, as the case may be, do not complete their term in the same year.

4 Provisions relating to Audit Committee

4.1 Applicability of section 177 i.e. Constitution of Audit Committee: Where a company is required to constitute an Audit Committee under section 177, all appointments, including the filling of a casual vacancy of an auditor under this section shall be made after taking into account the recommendations of such committee.

Diagram showing class of companies to constitute Audit Committee

It is important to know that in addition to listed public companies, following classes of companies shall constitute an Audit Committee -

(i) all public companies with a paid up capital of ten crore rupees or more;
(ii) all public companies having turnover of one hundred crore rupees or more;
(iii) all public companies, having in aggregate, outstanding loans or borrowings or debentures or deposits exceeding fifty crore rupees or more.

Explanation- The paid up share capital or turnover or outstanding loans, or borrowings or debentures or deposits, as the case may be, as existing on the date of last audited Financial
Statements shall be taken into account for the purposes of this rule.

Example: XYZ Ltd., a public company having paid up capital of ₹9 crore but having turnover of ₹150 crore, will be required to constitute an Audit Committee under section 177 because the requirement for constitution of Audit Committee arises if the company falls into any of the prescribed category.

4.2 Manner and procedure of selection and appointment of auditors - Rule 3 of CAAR, 2014 prescribes the following manner and procedure of selection and appointment of auditors -

(1) In case of a company that is required to constitute an Audit Committee under section 177, the committee, and, in cases where such a committee is not required to be constituted, the Board, shall take into consideration the qualifications and experience of the individual or the firm proposed to be considered for appointment as auditor and whether such qualifications and experience are commensurate with the size and requirements of the company.

It may be noted that while considering the appointment, the Audit Committee or the Board, as the case may be, shall have regard to any order or pending proceeding relating to professional matters of conduct against the proposed auditor before the Institute of Chartered Accountants of India or any competent authority or any Court.

(2) The Audit Committee or the Board, as the case may be, may call for such other information from the proposed auditor as it may deem fit.

(3) Subject to the provisions of sub-rule (1), where a company is required to constitute the Audit Committee, the committee shall recommend the name of an individual or a firm as auditor to the Board for consideration and in other cases, the Board shall consider and recommend an individual or a firm as auditor to the members in the annual general meeting for appointment.

(4) If the Board agrees with the recommendation of the Audit Committee, it shall further recommend the appointment of an individual or a firm as auditor to the members in the annual general meeting.

(5) If the Board disagrees with the recommendation of the Audit Committee, it shall refer back the recommendation to the committee for reconsideration citing reasons for such disagreement.

(6) If the Audit Committee, after considering the reasons given by the Board, decides not to reconsider its original recommendation, the Board shall record reasons for its disagreement with the committee and send its own recommendation for consideration of the members in the annual general meeting; and if the Board agrees with the recommendations of the Audit Committee, it shall place the matter for consideration by members in the annual general meeting.

(7) The auditor appointed in the annual general meeting shall hold office from the conclusion of that meeting till the conclusion of the sixth annual general meeting, with the meeting
wherein such appointment has been made being counted as the first meeting.

5. Auditor's Remuneration

As per section 142 of the Act, the remuneration of the auditor of a company shall be fixed in its general meeting or in such manner as may be determined therein. However, board may fix remuneration of the first auditor appointed by it.

Further, the remuneration, in addition to the fee payable to an auditor, include the expenses, if any, incurred by the auditor in connection with the audit of the company and any facility extended to him but does not include any remuneration paid to him for any other service rendered by him at the request of the company. Therefore, it has been clarified that the remuneration to Auditor shall also include any facility provided to him.

6. Removal of Auditors

6.1 Removal of Auditor Before Expiry of Term: According to Section 140(1), the auditor appointed under section 139 may be removed from his office before the expiry of his term only by a special resolution of the company, after obtaining the previous approval of the Central Government in that behalf as per Rule 7 of CAAR, 2014-

Fig: Auditor leaving office of the auditor

(1) The application to the Central Government for removal of auditor shall be made in Form ADT-2 and shall be accompanied with fees as provided for this purpose under the Companies (Registration Offices and Fees) Rules, 2014.

(2) The application shall be made to the Central Government within 30 days of the resolution passed by the Board.

(3) The company shall hold the general meeting within 60 days of receipt of approval of the Central Government for passing the special resolution.

It is important to note that before taking any action for removal before expiry of terms, the auditor concerned shall be given a reasonable opportunity of being heard.

Direction by Tribunal in case Auditor acted in a Fraudulent Manner:

As per sub-section (5) of the section 140, the Tribunal either suo motu or on an application made to it by the Central Government or by any person concerned, if it is satisfied that the auditor of a company has, whether directly or indirectly, acted in a fraudulent manner or abetted or colluded in any fraud by, or in relation to, the company or its directors or officers, it may, by order, direct the company to change its auditors.

5 Source of image: www.123rf.com
However, if the application is made by the Central Government and the Tribunal is satisfied that any change of the auditor is required, it shall within fifteen days of receipt of such application, make an order that he shall not function as an auditor and the Central Government may appoint another auditor in his place.

It may be noted that an auditor, whether individual or firm, against whom final order has been passed by the Tribunal under this section shall not be eligible to be appointed as an auditor of any company for a period of five years from the date of passing of the order and the auditor shall also be liable for action under section 447.

It is hereby clarified that in the case of a firm, the liability shall be of the firm and that of every partner or partners who acted in a fraudulent manner or abetted orcolluded in any fraud by, or in relation to, the company or its director or officers.

6.2 Appointment of Auditor Other Than Retiring Auditor: Section 140(4) lays down procedure to appoint an auditor other than retiring auditor who was removed-

(1) Special notice shall be required for a resolution at an annual general meeting appointing as auditor a person other than a retiring auditor, or providing expressly that a retiring auditor shall not be re-appointed, except where the retiring auditor has completed a consecutive tenure of five years or as the case may be, ten years, as provided under sub-section (2) of section 139.

(2) On receipt of notice of such a resolution, the company shall forthwith send a copy thereof to the retiring auditor.

(3) Where notice is given of such a resolution and the retiring auditor makes with respect thereto representation in writing to the company (not exceeding a reasonable length) and requests its notification to members of the company, the company shall, unless the representation is received by it too late for it to do so,-

(a) in any notice of the resolution given to members of the company, state the fact of the representation having been made; and

(b) send a copy of the representation to every member of the company to whom notice of the meeting is sent, whether before or after the receipt of the representation by the company. and if a copy of the representation is not sent as aforesaid because it was received too late or because of the company's default, the auditor may (without prejudice to his right to be heard orally) require that the representation shall be read out at the meeting.

Students may note that if a copy of representation is not sent as aforesaid, a copy thereof shall be filed with the Registrar.

Curtailing right of the auditor regarding circulation of copy of representation in the case of appointment of auditor other than retiring auditor under section 140(4) of the companies act, 2013:

If the Tribunal is satisfied on an application either of the company or of any other aggrieved
person that the rights conferred by section 140(4) of the Companies Act, 2013 are being abused by the auditor, then, the copy of the representation may not be sent and the representation need not be read out at the meeting.

7. Ceiling on Number of Audits

It has been mentioned earlier that before appointment is given to any auditor, the company must obtain a certificate from him to the effect that the appointment, if made, will not result in an excess holding of company audit by the auditor concerned over the limit laid down in section 141(3)(g) of the Companies Act, 2013 which prescribes that a person who is in full time employment elsewhere or a person or a partner of a firm holding appointment as its auditor, if such person or partner is at the date of such appointment or reappointment holding appointment as auditor of more than twenty companies other than one person companies, dormant companies, small companies and private companies having paid-up share capital less than ₹ 100 crore, shall not be eligible for appointment as an Auditor of a Company.

In the case of a firm of auditors, it has been further provided that 'specified number of companies' shall be construed as the number of companies specified for every partner of the firm who is not in full time employment elsewhere.

This limit of 20 company audits is per person. In the case of an audit firm having 3 partners, the overall ceiling will be 3 × 20 = 60 company audits. Sometimes, a chartered accountant is a partner in a number of auditing firms. In such a case, all the firms in which he is partner or proprietor will be together entitled to 20 company audits on his account. Subject to the overall ceiling of company audits, how they allocate the 20 audits between themselves is their affairs.

---

**CASE STUDY**

“ABC & Co.” is an Audit Firm having partners “Mr. A”, “Mr. B” and “Mr. C”, Chartered Accountants. “Mr. A”, “Mr. B” and “Mr. C” are holding appointment as an Auditor in 4, 6 and 10 Companies respectively.

(i) Provide the maximum number of Audits remaining in the name of “ABC & Co.”

(ii) Provide the maximum number of Audits remaining in the name of individual partner i.e. Mr. A, Mr. B and Mr. C.

(iii) Can ABC & Co. accept the appointment as an auditor in 60 private companies having paid-up share capital less than ₹ 100 crore, 2 small companies and 1 dormant company?

(iv) Would your answer be different, if out of those 60 private companies, 45 companies are having paid-up share capital of ₹ 110 crore each?

**Fact of the Case:** In the instant case, Mr. A is holding appointment in 4 companies, whereas Mr. B is having appointment in 6 Companies and Mr. C is having appointment in 10 Companies. In aggregate all three partners are having 20 audits.

**Provisions and Explanations:** Section 141(3)(g) of the Companies Act, 2013 states that the following persons shall not be eligible for appointment as an auditor of a company i.e. a person
who is in full time employment elsewhere; or a person, or a partner of a firm holding appointment as its auditor, if such person, or partner is at the date of such appointment, or reappointment holding appointment as auditor of more than twenty companies other than one person companies, dormant companies, small companies and private companies having paid-up share capital less than ₹100 crore.

As per section 141(3)(g), this limit of 20 company audits is per person. In the case of an audit firm having 3 partners, the overall ceiling will be 3 × 20 = 60 company audits. Sometimes, a chartered accountant is a partner in a number of auditing firms. In such a case, all the firms in which he is partner or proprietor will be together entitled to 20 company audits on his account.

**Conclusion:**

(i) Therefore, ABC & Co. can hold appointment as an auditor of 40 more companies:

- **Total Number of Audits available to the Firm**: 20 × 3 = 60
- **Number of Audits already taken by all the partners**
  - **In their individual capacity**: 4 + 6 + 10 = 20
  - **Remaining number of Audits available to the Firm**: 40

(ii) With reference to above provisions an auditor can hold more appointment as auditor = ceiling limit as per section 141(3)(g)- already holding appointments as an auditor. Hence
  - (1) Mr. A can hold: 20 - 4 = 16 more audits.
  - (2) Mr. B can hold 20 - 6 = 14 more audits and
  - (3) Mr. C can hold 20 - 10 = 10 more audits.

(iii) In view of above discussed provisions, ABC & Co. can hold appointment as an auditor in all the 60 private companies having paid-up share capital less than ₹100 crore, 2 small companies and 1 dormant company as these are excluded from the ceiling limit of company audits given under section 141(3)(g) of the Companies Act, 2013.

(iv) As per fact of the case, ABC & Co. is already having 20 company audits and they can also accept 40 more company audits. In addition they can also conduct the audit of one person companies, small companies, dormant companies and private companies having paid up share capital less than ₹100 crores. In the given case, out of the 60 private companies, ABC & Co. is offered 45 companies having paid-up share capital of ₹110 crore each.

Therefore, ABC & Co. can also accept the appointment as an auditor for 2 small companies, 1 dormant company, 15 private companies having paid-up share capital less than ₹100 crore and 40 private companies having paid-up share capital of ₹110 crore each in addition to above 20 company audits already holding.

Council General Guidelines, 2008 (Chapter VIII): In exercise of the powers conferred by clause (ii) of Part II of the Second Schedule to the Chartered Accountants Act, 1949, the Council of the Institute of Chartered Accountants of India hereby specifies that a member of the Institute in practice shall be deemed to be guilty of professional misconduct, if he holds at any time appointment of more than the “specified number of audit assignments of the companies under
Section 224 and/or Section 226 of the Companies Act, 1956 (now section 141(3)(g) of the Companies Act, 2013).

It may be noted that in the case of a firm of chartered accountants in practice, the specified number of audit assignments shall be construed as the specified number of audit assignments for every partner of the firm.

It may also be noted that where any partner of the firm of chartered accountants in practice is also a partner of any other firm or firms of chartered accountants in practice, the number of audit assignments which may be taken for all the firms together in relation to such partner shall not exceed the specified number of audit assignments in the aggregate.

It is further provided that where any partner of a firm or firms of chartered accountants in practice accepts one or more audit assignments in his individual capacity, or in the name of his proprietary firm, the total number of such assignment which may be accepted by all firms in relation to such chartered accountant and by him shall not exceed the specified number of audit assignments in the aggregate.

(1) In computing the specified number of audit assignments-

(a) the number of such assignments, which he or any partner of his firm has accepted whether singly or in combination with any other chartered accountant in practice or firm of such chartered accountants, shall be taken into account.

(b) the number of partners of a firm on the date of acceptance of audit assignment shall be taken into account.

(c) a chartered accountant in full time employment elsewhere shall not be taken into account.

(2) A chartered accountant in practice as well as firm of chartered accountants in practice shall maintain a record of the audit assignments accepted by him or by the firm of chartered accountants, or by any of the partner of the firm in his individual name or as a partner of any other firm as far as possible, in the prescribed manner.

**Ceiling on Tax Audit Assignments:** The specified number of tax audit assignments that an auditor, as an individual or as a partner of a firm, can accept is 60 numbers. ICAI has notified that a chartered accountant in practice shall be deemed to be guilty of professional misconduct, if he accepts in a financial year, more than the specified number of tax audit assignments u/s 44AB.

### 8. Powers/Rights of Auditors

The auditor has the following powers/rights while conducting an audit:

(a) **Right of access to books, etc.** – Section 143(1) of the Act provides that the auditor of a company, at all times, shall have a right of access to the books of account and vouchers of the company, whether kept at the registered office of the company or at any other place and he is entitled to require from the officers of the company such information and explanation as he may consider necessary for the performance of his duties as auditor.
It may be noted that according to section 2(59) of the Act, the term ‘officer’ includes any director, manager or key managerial personnel or any person in accordance with whose directions or instructions the Board of Directors or any one or more of the directors is or are accustomed to act;

The phrase ‘books, accounts and vouchers’ includes all books which have any bearing, or are likely to have any bearing on the accounts, whether these be the usual financial books or the statutory or statistical books; memoranda books, e.g., inventory books, costing records and the like may also be inspected by the auditor. Similarly the term ‘voucher’ includes all or any of the correspondence which may in any way serve to vouch for the accuracy of the accounts. Thus, the right of access is not restricted to books of account alone and it is for the auditor to determine what record or document is necessary for the purpose of the audit.

The right of access is not limited to those books and records maintained at the registered or head office so that in the case of a company with branches, the right also extends to the branch records, if the auditor considers it necessary to have access thereto as per Section143(8).

Example: X Ltd. restrains its company auditor from visiting another branch at different location and having access to the inventory records maintained at that branch because the branch is already audited by another auditor and the report has been received. Here, it may be noted that the company auditor has right to visit the branch, even if the branch accounts are audited by another auditor, if he considers it necessary to do so for the performance of his duties as auditor.

(b) Right to obtain information and explanation from officers - This right of the auditor to obtain from the officers of the company such information and explanations as he may think necessary for the performance of his duties as auditor is a wide and important power. In the absence of such power, the auditor would not be able to obtain details of amount collected by the directors, etc. from any other company, firm or person as well as of any benefits in kind derived by the directors from the company, which may not be known from an examination of the books. It is for the auditor to decide the matters in respect of which information and explanations are required by him. When the auditor is not provided the information required by him or is denied access to books, etc., his only remedy would be to report to the members that he could not obtain all the information and explanations he had required or considered necessary for the performance of his duties as auditors.

(c) Right to receive notices and to attend general meeting – The auditors of a company are entitled to attend any general meeting of the company (the right is not restricted to those at which the accounts audited by them are to be discussed); also to receive all the notices and other communications relating to the general meetings, which members are entitled to receive and to be heard at any general meeting in any part of the business of the meeting which concerns them as auditors.

Section 146 of the Companies Act, 2013 discusses right as well as duty of the auditor. According to the section 146:

“all notices of, and other communications relating to, any general meeting shall be forwarded to
the auditor of the company, and the auditor shall, unless otherwise exempted by the company, attend either by himself or through his authorised representative, who shall also be qualified to be an auditor, any general meeting and shall have right to be heard at such meeting on any part of the business which concerns him as the auditor."

Thus, it is right of the auditor to receive notices and other communications relating to any general meeting and to be heard at such meeting, relating to the matter of his concern, however, it is duty of the auditor to attend the same or through his authorised representative unless otherwise exempted.

(d) Right to report to the members of the company on the accounts examined by him – The auditor shall make a report to the members of the company on the accounts examined by him and on every financial statements which are required by or under this Act to be laid before the company in general meeting and the report shall after taking into account the provisions of this Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of this Act or any rules made there under or under any order made under this section and to the best of his information and knowledge, the said accounts, financial statements give a true and fair view of the state of the company’s affairs as at the end of its financial year and profit or loss and cash flow for the year and such other matters as may be prescribed.

(e) Right to Lien – In terms of the general principles of law, any person having the lawful possession of somebody else’s property, on which he has worked, may retain the property for non-payment of his dues on account of the work done on the property. On this premise, auditor can exercise lien on books and documents placed at his possession by the client for non-payment of fees, for work done on the books and documents. The Institute of Chartered Accountants in England and Wales has expressed a similar view on the following conditions:

(i) Documents retained must belong to the client who owes the money.

(ii) Documents must have come into possession of the auditor on the authority of the client. They must not have been received through irregular or illegal means. In case of a company client, they must be received on the authority of the Board of Directors.

(iii) The auditor can retain the documents only if he has done work on the documents assigned to him.

(iv) Such of the documents can be retained which are connected with the work on which fees have not been paid.

Under section 128 of the Act, books of account of a company must be kept at the registered office. These provisions ordinarily make it impracticable for the auditor to have possession of the books and documents. The company provides reasonable facility to auditor for inspection of the books of account by directors and others authorised to inspect under the Act. Taking an overall view of the matter, it seems that though legally, auditor may exercise right of lien in cases of companies, it is mostly impracticable for legal and practicable constraints. His working papers being his own property, the question of lien, on them does not arise.
SA 230 issued by ICAI on Audit Documentation (explanatory text, A- 25), “Standard on Quality Control (SQC) 1, “Quality Control for Firms that Perform Audits and Reviews of Historical Financial Information, and Other Assurance and Related Services Engagements”, issued by the Institute, provides that, unless otherwise specified by law or regulation, audit documentation is the property of the auditor. He may at his discretion, make portions of, or extracts from, audit documentation available to clients, provided such disclosure does not undermine the validity of the work performed, or, in the case of assurance engagements, the independence of the auditor or of his personnel.”

9. Duties of Auditors

Sections 143 of the Companies Act, 2013 specifies the duties of an auditor of a company in a quite comprehensive manner. It is noteworthy that scope of duties of an auditor has generally been extending over all these years.

(1) Duty of Auditor to Inquire on certain matters: It is the duty of auditor to inquire into the following matters-

(a) whether loans and advances made by the company on the basis of security have been properly secured and whether the terms on which they have been made are prejudicial to the interests of the company or its members;

(b) whether transactions of the company which are represented merely by book entries are prejudicial to the interests of the company;

(c) where the company not being an investment company or a banking company, whether so much of the assets of the company as consist of shares, debentures and other securities have been sold at a price less than that at which they were purchased by the company;

(d) whether loans and advances made by the company have been shown as deposits;

(e) whether personal expenses have been charged to revenue account;

(f) where it is stated in the books and documents of the company that any shares have been allotted for cash, whether cash has actually been received in respect of such allotment, and if no cash has actually been so received, whether the position as stated in the account books and the balance sheet is correct, regular and not misleading.

The opinion of the Research Committee of the Institute of Chartered Accountants of India on section 143(1) is reproduced below:

“The auditor is not required to report on the matters specified in sub-section (1) unless he has any special comments to make on any of the items referred to therein. If he is satisfied as a result of the inquiries, he has no further duty to report that he is so satisfied. In such a case, the content of the Auditor’s Report will remain exactly the same as the auditor has to inquire and apply his mind to the information elicited by the enquiry, in deciding whether
or not any reference needs to be made in his report. In our opinion, it is in this light that the auditor has to consider his duties under section 143(1)."

Therefore, it could be said that the auditor should make a report to the members in case he finds answer to any of these matters in adverse.

(2) **Duty to Sign the Audit Report:** As per section 145 of the Companies Act, 2013, the person appointed as an auditor of the company shall sign the auditor's report or sign or certify any other document of the company, in accordance with the provisions of section 141(2).

Section 141(2) of the Companies Act, 2013 states that where a firm including a limited liability partnership is appointed as an auditor of a company, only the partners who are chartered accountants shall be authorised to act and sign on behalf of the firm.

The qualifications, observations or comments on financial transactions or matters, which have any adverse effect on the functioning of the company mentioned in the auditor's report shall be read before the company in general meeting.

(3) **Duty to comply with Auditing Standards:** As per section 143(9) of the Companies Act, 2013, every auditor shall comply with the auditing standards. Further, as per section 143(10) of the Act, the Central Government may prescribe the standards of auditing as recommended by the Institute of Chartered Accountants of India, in consultation with and after examination of the recommendations made by the National Financial Reporting Authority.

(4) **Duty to report:** As per section 143(3), the auditor's report shall also state –

(a) whether he has sought and obtained all the information and explanations which to the best of his knowledge and belief were necessary for the purpose of his audit and if not, the details thereof and the effect of such information on the financial statements;

(b) whether, in his opinion, proper books of account as required by law have been kept by the company so far as appears from his examination of those books and proper returns adequate for the purposes of his audit have been received from branches not visited by him;

(c) whether the report on the accounts of any branch office of the company audited under sub-section (8) by a person other than the company's auditors has been sent to him under the proviso to that sub-section and the manner in which he has dealt with it in preparing his report;

(d) whether the company's balance sheet and profit and loss account dealt with in the report are in agreement with the books of account and returns;

(e) whether, in his opinion, the financial statements comply with the accounting standards;

(f) the observations or comments of the auditors on financial transactions or matters
which have any adverse effect on the functioning of the company;

(g) whether any director is disqualified from being appointed as a director under sub-section (2) of the section 164;

(h) any qualification, reservation or adverse remark relating to the maintenance of accounts and other matters connected therewith;

(i) whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls;

However, it may be noted that the reporting requirement on adequacy of internal financial controls (IFCs) with reference to financial statements shall not be applicable to a private company which is:

(I) One person company; or

(II) Small company; or

(III) Company having turnover less than ₹ 50 crore as per latest audited financial statement and having aggregate borrowings from banks or financial institutions or any body corporate at any point of time during the financial year less than ₹ 25 crore.

(j) such other matters as may be prescribed. Rule 11 of the Companies (Audit and Auditors) Rules, 2014 prescribes the other matters to be included in auditor’s report. The auditor’s report shall also include their views and comments on the following matters, namely:-

(i) whether the company has disclosed the impact, if any, of pending litigations on its financial position in its financial statement;

(ii) whether the company has made provision, as required under any law or accounting standards, for material foreseeable losses, if any, on long term contracts including derivative contracts;
(iii) whether there has been any delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the company.

[Notes: (1) Students may note that the auditor is also required to report on certain additional matters specified under CARO, 2016 which is discussed later under Para 10 Reporting under Companies (Auditor’s Report) Order, 2016.
(2) Students are also required to refer Guidance note on Reporting under section 143(3)(f) and (h) of the Companies Act, 2013.]

(5) Duty to report on frauds:

A. Reporting to the Central Government: As per section 143(12) of the Companies Act, 2013 read with Rule 13 of the Companies (Audit and Auditors) Rules, 2014, if an auditor of a company in the course of the performance of his duties as auditor, has reason to believe that an offence of fraud, which involves or is expected to involve individually an amount of `1 crore or above, is being or has been committed in the company by its officers or employees, the auditor shall report the matter to the Central Government within such time and in such manner as prescribed.

B. Reporting to the Audit Committee or Board: In case of a fraud involving lesser than the specified amount [i.e. less than `1 crore], the auditor shall report the matter to the audit committee constituted under section 177 or to the Board in other cases within such time and in such manner as prescribed.

C. Disclosure in the Board’s Report: The companies, whose auditors have reported frauds under this sub-section (12) to the audit committee or the Board, but not reported to the Central Government, shall disclose the details about such frauds in the Board’s report in such manner as prescribed.

Sub-section (13) of section 143 of the Companies Act, 2013 safeguards the act of fraud reporting by the auditor if it is done in good faith. It states that no duty to which an auditor of a company may be subject to shall be regarded as having been contravened by reason of his reporting the matter above if it is done in good faith.

It is very important to note that the provisions regarding fraud reporting shall also apply, mutatis mutandis, to a cost auditor and a secretarial auditor during the performance of his duties under section 148 and section 204 respectively. If any auditor, cost accountant or company secretary in practice do not comply with the provisions of sub-section (12) of section 143, he shall be punishable with fine which shall not be less than `1 lakh but which may extend to `25 lakh.

6 Source of image: www.oig.isc.gov
The auditor is also required to report under clause (x) of paragraph 3 of Companies (Auditor's Report) Order, 2016 [CARO, 2016], whether any fraud by the company or any fraud on the Company by its officers or employees has been noticed or reported during the year. If yes, the nature and the amount involved is to be indicated.

[Notes: For detailed provisions of CARO, 2016, students may refer Para 10 Reporting under Companies (Auditor’s Report) Order, 2016]

Example: The head accountant of a company entered fake invoices of credit purchases in the books of account aggregate of ₹50 lakh and cleared all the payments to such bogus creditor. Here, the auditor of the company is required to report the fraudulent activity to the Board or Audit Committee (as the case may be) within 2 days of his knowledge of fraud. Further, the company is also required to disclose the same in Board’s Report.

It may be noted that the auditor need not to report the central government as the amount of fraud involved is less than ₹1 crore, however, reporting under CARO, 2016 is required.

(6) Duty to report on any other matter specified by Central Government: The Central Government may, in consultation with the National Financial Reporting Authority (NFRA), by general or special order, direct, in respect of such class or description of companies, as may be specified in the order, that the auditor’s report shall also include a statement on such matters as may be specified therein.

However, as per the notification dated 29.03.2016, till the time NFRA is constituted, the Central Government may hold consultation required under this sub-section with the Committee chaired by an officer of the rank of Joint Secretary or equivalent in the MCA and the Committee shall have the representatives from the ICAI and Industry Chambers and also special invitees from the National Advisory Committee on Accounting Standards (NACAS) and the office of the C&AG.

[Note: Students may note that Companies (Auditor’s Report) Order, 2016 has been notified in this perspective which is discussed later under Para 10 Reporting under Companies (Auditor’s Report) Order, 2016]

(7) Duties and powers of the company’s auditor with reference to the audit of the branch and the branch auditor are discussed separately in the chapter under heading 13 branch audit.

(8) Duty to state the reason for qualification or negative report: As per section 143(4), where any of the matters required to be included in the audit report is answered in the negative or with a qualification, the report shall state the reasons there for.

The Central Government, after consultation with the committee constituted under proviso to **section 143(11)** of the Companies Act, 2013, and in supersession of the Companies (Auditor’s Report) Order, 2015 dated the 10th April, 2015, has issued the Companies (Auditor’s Report) Order, 2016, (CARO, 2016) under section 143(11) of the Companies Act, 2013, dated 29th March, 2016. The requirements of the Order are supplemental to the existing provisions of section 143 of the Act regarding the auditor’s report.

The Order is not intended to limit the duties and responsibilities of auditors but only requires a statement to be included in the audit report in respect of the matters specified therein.

**Applicability of the Order:** The CARO, 2016 is an additional reporting requirement Order. The order applies to every company including a foreign company as defined in clause (42) of section 2 of the Companies Act, 2013.

However, the Order specifically **exempts** the following class of companies-

(i) a banking company as defined in clause (c) of section 5 of the Banking Regulation Act, 1949;

(ii) an insurance company as defined under the Insurance Act, 1938;

(iii) a company licensed to operate under section 8 of the Companies Act;

(iv) a One Person Company as defined under clause (62) of section 2 of the Companies Act;

(v) a small company as defined under clause (85) of section 2 of the Companies Act; and

(vi) a private limited company, not being a subsidiary or holding company of a public company, having a paid up capital and reserves and surplus not more than ₹ 1 crore as on the balance sheet date and which does not have total borrowings exceeding ₹ 1 crore from any bank or financial institution at any point of time during the financial year and which does not have a total revenue as disclosed in Scheduled III to the Companies Act, 2013 (including revenue from discontinuing operations) exceeding ₹ 10 crore during the financial year as per the financial statements.

It may be noted that the Order shall not be applicable to the auditor’s report on consolidated financial statements.
EXAMPLES

Ex. 1: ‘Educating Child’ is a limited company registered under section 8 of the Companies Act, 2013.

In the given case, ‘Educating Child’ is licensed to operate under section 8 of the Companies Act, 2013. Therefore, CARO, 2016 shall not be applicable to ‘Educating Child’ accordingly.

Ex. 2: Ashu Pvt. Ltd. has fully paid capital and reserves of ₹ 50 lakh. During the year, the company had borrowed ₹ 70 lakh each from a bank and a financial institution independently. It has the turnover of ₹ 900 lakh.

In the given case of Ashu Pvt. Ltd., it has paid capital and reserves of ₹ 50 lakh i.e. less than ₹ 1 crore, turnover of ₹ 9 crore i.e. less than ₹ 10 crore. However, it has maximum outstanding borrowings of ₹ 1.40 crore (₹ 70 lakh + ₹ 70 lakh) collectively from bank and financial institution.

Therefore, it fails to fulfill the condition relating to borrowings. Thus, CARO, 2016 shall be applicable to Ashu Pvt. Ltd. accordingly.

Matters to be included in the Auditor’s Report: Paragraph 3 of the Order requires the auditor to include a statement in the auditor’s report on the following matters, namely-

(i) (a) whether the company is maintaining proper records showing full particulars, including quantitative details and situation of fixed assets;

(b) whether these fixed assets have been physically verified by the management at reasonable intervals; whether any material discrepancies were noticed on such
verification and if so, whether the same have been properly dealt with in the books of account;

(c) whether the title deeds of immovable properties are held in the name of the company. If not, provide the details thereof;

(ii) whether physical verification of inventory has been conducted at reasonable intervals by the management and whether any material discrepancies were noticed and if so, whether they have been properly dealt with in the books of account;

(iii) whether the company has granted any loans, secured or unsecured to companies, firms, Limited Liability Partnerships or other parties covered in the register maintained under section 189 of the Companies Act, 2013. If so,

(a) whether the terms and conditions of the grant of such loans are not prejudicial to the company’s interest;

(b) whether the schedule of repayment of principal and payment of interest has been stipulated and whether the repayments or receipts are regular;

(c) if the amount is overdue, state the total amount overdue for more than ninety days, and whether reasonable steps have been taken by the company for recovery of the principal and interest;

(iv) in respect of loans, investments, guarantees, and security whether provisions of section 185 and 186 of the Companies Act, 2013 have been complied with. If not, provide the details thereof.

(v) in case the company has accepted deposits, whether the directives issued by the Reserve Bank of India and the provisions of sections 73 to 76 or any other relevant provisions of the Companies Act, 2013 and the rules framed there under, where applicable, have been complied with? If not, the nature of such contraventions be stated; If an order has been passed by Company Law Board or National Company Law Tribunal or Reserve Bank of India or any court or any other tribunal, whether the same has been complied with or not?

(vi) where maintenance of cost records has been specified by the Central Government under sub-section (1) of section 148 of the Companies Act, 2013 and whether such accounts and records have been so made and maintained.

(vii) (a) whether the company is regular in depositing undisputed statutory dues including provident fund, employees’ state insurance, income-tax, sales-tax, service tax, duty of customs, duty of excise, value added tax, cess and any other statutory dues with the appropriate authorities and if not, the extent of the arrears of outstanding statutory dues as at the last day of the financial year concerned for a period of more than six months from the date they became payable, shall be indicated;

(b) where dues of income tax or sales tax or service tax or duty of customs or duty of excise or value added tax have not been deposited on account of any dispute, then
the amounts involved and the forum where dispute is pending shall be mentioned. (A mere representation to the concerned Department shall not constitute a dispute).

(viii) whether the company has defaulted in repayment of loans or borrowing to a financial institution, bank, Government or dues to debenture holders? If yes, the period and the amount of default to be reported (in case of defaults to banks, financial institutions, and Government, lender wise details to be provided).

(ix) whether moneys raised by way of initial public offer or further public offer (including debt instruments) and term loans were applied for the purposes for which those are raised. If not, the details together with delays or default and subsequent rectification, if any, as may be applicable, be reported;

(x) whether any fraud by the company or any fraud on the Company by its officers or employees has been noticed or reported during the year; If yes, the nature and the amount involved is to be indicated;

(xi) whether managerial remuneration has been paid or provided in accordance with the requisite approvals mandated by the provisions of section 197 read with Schedule V to the Companies Act, 2013? If not, state the amount involved and steps taken by the company for securing refund of the same;

(xii) whether the Nidhi Company has complied with the Net Owned Funds to Deposits in the ratio of 1:20 to meet out the liability and whether the Nidhi Company is maintaining ten per cent unencumbered term deposits as specified in the Nidhi Rules, 2014 to meet out the liability;

(xiii) whether all transactions with the related parties are in compliance with sections 177 and 188 of Companies Act, 2013 where applicable and the details have been disclosed in the Financial Statements etc., as required by the applicable accounting standards;

(xiv) whether the company has made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year under review and if so, as to whether the requirement of section 42 of the Companies Act, 2013 have been complied with and the amount raised have been used for the purposes for which the funds were raised. If not, provide the details in respect of the amount involved and nature of non-compliance;

(xv) whether the company has entered into any non-cash transactions with directors or persons connected with him and if so, whether the provisions of section 192 of Companies Act, 2013 have been complied with;

(xvi) whether the company is required to be registered under section 45-IA of the Reserve Bank of India Act, 1934 and if so, whether the registration has been obtained.

Reasons to be Stated for Unfavourable or Qualified Answers: Where the answer to any of the questions referred to in paragraph 3 of the Order is unfavourable or qualified, in the
auditor’s report, the auditor shall also state the basis for such unfavourable or qualified answer, as the case may be.

Further, where the auditor is unable to express any opinion on any specified matter, his report shall indicate such fact together with the reasons why it is not possible for him to give his opinion on the same.

**Example:** The company has dispensed with the practice of taking inventory of their inventories at the year-end as in their opinion the exercise is redundant, time consuming and intrusion to normal functioning of the operations. Explain reporting requirement under CARO, 2016.

**Reporting for Physical Verification of Inventory:** Clause (ii) of Para 3 of CARO, 2016, requires the auditor to report whether physical verification of inventory has been conducted at reasonable intervals by the management and whether any material discrepancies were noticed and if so, whether they have been properly dealt with in the books of account.

The physical verification of inventory is the responsibility of the management of the company which should verify all material items at least once in a year and more often in appropriate cases.

In the given case, the above requirement of physical verification of inventory by the management has not been taken place and therefore the auditor should point out the same under CARO, 2016. He may consider the impact on financial statement and report accordingly.

11. **Disclosure in the Auditor’s Report**

The following paragraphs deal with the manner of qualification and the manner of disclosure, if any, to be made in the auditor’s report.

**AS-1 – Disclosure of Accounting Policies**

In the case of a company, members should qualify their audit reports in case –

(a) accounting policies required to be disclosed under Schedule III or any other provisions of the Companies Act, 2013 have not been disclosed, or

(b) accounts have not been prepared on accrual basis, or

(c) the fundamental accounting assumption of going concern has not been followed and this fact has not been disclosed in the financial statements, or

(d) proper disclosures regarding changes in the accounting policies have not been made.

Where a company has been given a specific exemption regarding any of the matters stated above but the fact of such exemption has not been adequately disclosed in the accounts, the member should mention the fact of exemption in his audit report without necessarily making it a subject matter of audit qualification.

In view of the above, the auditor will have to consider different circumstances whether the audit report has to be qualified or only disclosures have to be given.
In the case of enterprises not governed by the Companies Act, the member should examine the relevant statute and make suitable qualification in his audit report in case adequate disclosures regarding accounting policies have not been made as per the statutory requirements. Similarly, the member should examine if the fundamental accounting assumptions have been followed in preparing the financial statements or not. In appropriate cases, he should consider whether, keeping in view the requirements of the applicable laws, a qualification in his report is necessary.

In the event of non-compliance by enterprises not governed by the Companies Act, in situations where the relevant statute does not require such disclosures to be made, the member should make adequate disclosure in his audit report without necessarily making it a subject matter of audit qualification.

In making a qualification / disclosure in the audit report, the auditor should consider the materiality of the relevant item. Thus, the auditor need not make qualification / disclosure in respect of items which, in his judgement, are not material.

A disclosure, which is not a subject matter of audit qualification, should be made in the auditor’s report in a manner that it is clear to the reader that the disclosure does not constitute an audit qualification. The paragraph containing the auditor’s opinion on true and fair view should not include a reference to the paragraph containing the aforesaid disclosure.

12. Joint Audit

The practice of appointing Chartered Accountants as joint auditors is quite widespread in big companies and corporations. Joint audit basically implies pooling together the resources and expertise of more than one firm of auditors to render an expert job in a given time period which may be difficult to accomplish acting individually. It essentially involves sharing of the total work. This is by itself a great advantage.

In specific terms the **advantages** that flow may be the following:

(i) Sharing of expertise.
(ii) Advantage of mutual consultation.
(iii) Lower workload.
(iv) Better quality of performance.
(v) Improved service to the client.
(vi) Displacement of the auditor of the company taken over in a take-over often obviated.
(vii) In respect of multi-national companies, the work can be spread using the expertise of the local firms which are in a better position to deal with detailed work and the local laws and regulations.
(viii) Lower staff development costs.
(ix) Lower costs to carry out the work.
(x) A sense of healthy competition towards a better performance.

The general **disadvantages** may be the following:
(i) The fees being shared.
(ii) Psychological problem where firms of different standing are associated in the joint audit.
(iii) General superiority complexes of some auditors.
(iv) Problems of co-ordination of the work.
(v) Areas of work of common concern being neglected.
(vi) Uncertainty about the liability for the work done.

The Institute of Chartered Accountants of India has issued Standard on Auditing (SA) 299 (Revised), “Joint Audit of Financial Statements” which lays down the principles for effective conduct of joint audit to achieve the overall objectives of the auditor as laid down in SA 200 “Overall Objectives of the Independent Auditor and the conduct of an audit in accordance with Standards on Auditing”. This Standard deals with the special considerations in carrying out audit by joint auditors. It requires that—

(i) the engagement partner and other key members of the engagement team from each of the joint auditors should be involved in planning the audit.

(ii) the joint auditors should jointly establish an overall audit strategy which sets the scope, timing and direction of the audit, and also guides the development of the audit plan.

(iii) before the commencement of the audit, the joint auditors should discuss and develop a joint audit plan. In developing the joint audit plan, the joint auditors should:

1. identify division of audit areas and common audit areas;
2. ascertain the reporting objectives of the engagement;
3. consider and communicate among all joint auditors the factors that are significant in directing the engagement team’s efforts;
4. consider the results of preliminary engagement activities, or similar engagements performed earlier.
5. ascertain the nature, timing and extent of resources necessary to accomplish the engagement.

(iv) each of the joint auditors should consider and assess the risks of material misstatement and communicate to other joint auditors.

(v) the joint auditors should discuss and document the nature, timing, and the extent of the audit procedures for (I) common and (II) specific allotted areas of audit to be performed.

(vi) the joint auditors should obtain common engagement letter and common management representation letter.

(vii) the work allocation document should be signed by all the joint auditors and communicated to those charged with governance.
It further states that, in respect of audit work divided among the joint auditors, each joint auditor shall be responsible only for the work allocated to such joint auditor including proper execution of the audit procedures. On the other hand, all the joint auditors shall be jointly and severally responsible for:

(i) the audit work which is not divided among the joint auditors and is carried out by all joint auditors;
(ii) decisions taken by all the joint auditors under audit planning in respect of common audit areas;
(iii) matters which are brought to the notice of the joint auditors by any one of them and there is an agreement among the joint auditors on such matters;
(iv) examining that the financial statements of the entity comply with the requirements of the relevant statutes;
(v) presentation and disclosure of the financial statements as required by the applicable financial reporting framework;
(vi) ensuring that the audit report complies with the requirements of the relevant statutes, applicable Standards on Auditing and other relevant pronouncements issued by ICAI.

In case a joint auditor comes across matters which are relevant to the areas of responsibility of other joint auditors and which deserve their attention, or which require disclosure or require discussion with, or application of judgment by other joint auditors, the said joint auditor shall communicate the same to all the other joint auditors in writing prior to the completion of the audit.

It may be noted that the joint auditors are required to issue common audit report. However, where the joint auditors are in disagreement with regard to the opinion or any matters to be covered by the audit report, they shall express their opinion in a separate audit report. In such circumstances, the audit report(s) issued by the joint auditor(s) shall make a reference to each other’s audit report(s).

[Note: Student may refer SA 299 (revised) “Joint Audit of Financial Statements” reproduced in “Auditing Pronouncements” for comprehensive knowledge.]

13. Audit of Branch Office Accounts

As per section 128(1) of the Companies Act, 2013, every company shall prepare and keep at its registered office books of account and other relevant books and papers and financial statement for every financial year which give a true and fair view of the state of the affairs of the company, including that of its branch office or offices, if any, and explain the transactions effected both at the registered office and its branches and such books shall be kept on accrual basis and according to the double entry system of accounting.

© The Institute of Chartered Accountants of India
It may be noted that all or any of the books of account aforesaid and other relevant papers may be kept at such other place in India as the Board of Directors may decide and where such a decision is taken, the company shall, within 7 days thereof, file with the Registrar a notice in writing giving the full address of that other place.

Students may also note that the company may keep such books of account or other relevant papers in electronic mode in such manner as may be prescribed.

Sub-section (2) provides that where a company has a branch office in India or outside India, it shall be deemed to have complied with the provisions of sub-section (1), if proper books of account relating to the transactions effected at the branch office are kept at that office and proper summarised returns periodically are sent by the branch office to the company at its registered office or the other place referred in (1).

Further, sub-section (8) of section 143 of the Companies Act, 2013, prescribes the duties and powers of the company’s auditor with reference to the audit of the branch and the branch auditor. Where a company has a branch office, the accounts of that office shall be audited either by the auditor appointed for the company (herein referred to as the company’s auditor) under this Act or by any other person qualified for appointment as an auditor of the company under this Act and appointed as such under section 139, or where the branch office is situated in a country outside India, the accounts of the branch office shall be audited either by the company’s auditor or by an accountant or by any other person duly qualified to act as an auditor of the accounts of the branch office in accordance with the laws of that country and the duties and powers of the company’s auditor with reference to the audit of the branch and the branch auditor, if any, shall be such as may be prescribed:

It may be noted that the branch auditor shall prepare a report on the accounts of the branch examined by him and send it to the auditor of the company who shall deal with it in his report in such manner as he considers necessary.

Further as per rule 12 of the Companies (Audit and Auditors) Rules, 2014, the branch auditor shall submit his report to the company’s auditor and reporting of fraud by the auditor shall also extend to such branch auditor to the extent it relates to the concerned branch.

Using the Work of another Auditor: When the accounts of the branch are audited by a person other than the company’s auditor, there is need for a clear understanding of the role of such auditor and the company’s auditor in relation to the audit of the accounts of the branch and the audit of the company as a whole; also, there is great necessity for a proper rapport between these two auditors for the purpose of an effective audit. In recognition of these needs, the Council of the Institute of Chartered Accountants of India has dealt with these issues in SA 600, “Using the Work of another Auditor”. It makes clear that in certain situations, the statute governing the entity may confer a right on the principal auditor to visit a component and examine the books of account and other records of the said component, if he thinks it necessary to do so. Where another auditor has been appointed for the component, the principal auditor would normally be entitled to rely upon the work of such auditor unless there are special circumstances to make it essential for him to visit the component and/or to examine the books of account and
other records of the said component. Further, it requires that the principal auditor should perform procedures to obtain sufficient appropriate audit evidence, that the work of the other auditor is adequate for the principal auditor's purposes, in the context of the specific assignment. When using the work of another auditor, the principal auditor should ordinarily perform the following procedures:

(a) advise the other auditor of the use that is to be made of the other auditor's work and report and make sufficient arrangements for co-ordination of their efforts at the planning stage of the audit. The principal auditor would inform the other auditor of matters such as areas requiring special consideration, procedures for the identification of inter-component transactions that may require disclosure and the time-table for completion of audit; and

(b) advise the other auditor of the significant accounting, auditing and reporting requirements and obtain representation as to compliance with them.

The principal auditor might discuss with the other auditor the audit procedures applied or review a written summary of the other auditor’s procedures and findings which may be in the form of a completed questionnaire or check-list. The principal auditor may also wish to visit the other auditor. The nature, timing and extent of procedures will depend on the circumstances of the engagement and the principal auditor's knowledge of the professional competence of the other auditor. This knowledge may have been enhanced from the review of the previous audit work of the other auditor.

14. Cost Audit

Cost Audit is an audit process for verifying the cost of manufacture or production of any article, on the basis of accounts as regards utilisation of material or labour or other items of costs, maintained by the company.

It is covered by Section 148 of the Companies Act, 2013. The audit conducted under this section shall be in addition to the audit conducted under section 143.

As per section 148 the Central Government may by order specify audit of items of cost in respect of certain companies.

Further, the Central Government may, by order, in respect of such class of companies engaged in the production of such goods or providing such services as may be prescribed, direct that particulars relating to the utilisation of material or labour or to other items of cost as may be prescribed shall also be included in the books of account kept by that class of companies.

In this regard, the Central Government has notified the Companies (Cost Records and Audit) Rules, 2014 which prescribes the classes of companies required to include cost records in their books of account, applicability of cost audit, maintenance of records etc.

Applicability for Maintenance of Cost Records: Rule 3 of the Companies (Cost Records and Audit) Rules, 2014 provides the classes of companies, engaged in the production of goods or providing services, having an overall turnover from all its products and services of ₹ 35 crore or more during the immediately preceding financial year, required to include cost records in their
books of account. These companies include Foreign Companies defined in sub-section (42) of section 2 of the Act, but exclude a company classified as a Micro enterprise or a Small enterprise including as per the turnover criteria provided under Micro, Small and Medium Enterprises Development Act, 2006. The said rule has divided the list of companies into (A) Regulated sectors and (B) Non-regulated sectors.

**Maintenance of Cost Records:** As per Rule 5 of the Companies (Cost Records and Audit) Rules, 2014, every company under these rules including all units and branches thereof, shall, in respect of each of its financial year, be required to maintain cost records in Form CRA-1. The cost records shall be maintained on regular basis in such manner as to facilitate calculation of per unit cost of production or cost of operations, cost of sales and margin for each of its products and activities for every financial year on monthly or quarterly or half-yearly or annual basis.

Additionally, as per clause (vi) to Paragraph 3 of the CARO, 2016, the auditor has to report whether maintenance of cost records has been specified by the Central Government under section 148(1) of the Companies Act, 2013 and whether such accounts and records have been so made and maintained.

**Applicability of Cost Audit:** Rule 4 of the Companies (Cost Records and Audit) Rules, 2014 states the provisions related to the applicability of cost audit depending on the turnover of the company as follows-

(i) Classes of companies specified under item (A) “Regulated Sectors” are required to get its cost records audited if the overall annual turnover of the company from all its products and services during the immediately preceding financial year is ₹ 50 crore or more and the aggregate turnover of the individual product(s) or service(s) for which cost records are required to be maintained under rule 3 is ₹ 25 crore or more.

(ii) Classes of companies specified under item (B) “Non-Regulated Sectors” are required to get its cost records audited if the overall annual turnover of the company from all its products and services during the immediately preceding financial year is ₹ 100 crore or more and the aggregate turnover of the individual product(s) or service(s) for which cost records are required to be maintained under rule 3 is ₹ 35 crore or more.

**Who can be Cost Auditor:** The audit shall be conducted by a Cost Accountant who shall be appointed by the Board of such remuneration as may be determined by the members in such manner as may be prescribed.

It may be noted that no person appointed under section 139 as an auditor of the company shall be appointed for conducting the audit of cost records.

It may also be noted that the auditor conducting the cost audit shall comply with the cost auditing standards (“cost auditing standards” mean such standards as are issued by the Institute of Cost Accountants of India, constituted under the Cost and Works Accountants Act, 1959, with the approval of the Central Government).
Appointment of Cost Auditor: Rule 6 of the Companies (Cost Records and Audit) Rules, 2014 requires the companies prescribed under the said Rules to appoint an Auditor within 180 days of the commencement of every financial year. However, before such appointment is made, the written consent of the cost auditor to such appointment and a certificate from him or it shall be obtained.

The certificate to be obtained from the cost auditor shall certify that the-

(a) the individual or the firm, as the case may be, is eligible for appointment and is not disqualified for appointment under the Companies Act, 2013, the Cost and Works Accountants Act, 1959 and the rules or regulations made thereunder;

(b) the individual or the firm, as the case may be, satisfies the criteria provided in section 141 of the Companies Act, 2013 so far as may be applicable;

(c) the proposed appointment is within the limits laid down by or under the authority of the Companies Act, 2013; and

(d) the list of proceedings against the cost auditor or audit firm or any partner of the audit firm pending with respect to professional matters of conduct, as disclosed in the certificate, is true and correct.

Every referred company shall inform the cost auditor concerned of his or its appointment as such and file a notice of such appointment with the Central Government within a period of 30 days of the Board meeting in which such appointment is made or within a period of 180 days of the commencement of the financial year, whichever is earlier, through electronic mode, in Form CRA-2, along with the fee as specified in Companies (Registration Offices and Fees) Rules, 2014.

The cost auditor appointed as such shall continue in such capacity till the expiry of 180 days from the closure of the financial year or till he submits the cost audit report, for the financial year for which he has been appointed.

Removal of Cost Auditor: The cost auditor may be removed from his office before the expiry of his term, through a board resolution after giving a reasonable opportunity of being heard to the cost auditor and recording the reasons for such removal in writing.

It may be noted that the Form CRA-2 to be filed with the Central Government for intimating appointment of another cost auditor shall enclose the relevant Board Resolution to the effect.

It may further be noted that the above provisions shall not prejudice the right of the cost auditor to resign from such office of the company.

Casual Vacancy in the Office of a Cost Auditor: Any casual vacancy in the office of a Cost Auditor, whether due to resignation, death or removal, shall be filled by the Board of Directors within 30 days of occurrence of such vacancy and the company shall inform the central government in Form CRA-2 within 30 days of such appointment of cost auditor.
Remuneration of Cost Auditor: As per rule 14 of the Companies (Audit and Auditors) Rules, 2014-

(a) in the case of companies which are required to constitute an audit committee-

(i) the Board shall appoint an individual, who is a cost accountant, or a firm of cost accountants in practice, as cost auditor on the recommendations of the Audit committee, which shall also recommend remuneration for such cost auditor;

(ii) the remuneration recommended by the Audit Committee under (i) shall be considered and approved by the Board of Directors and ratified subsequently by the shareholders;

(b) in the case of other companies which are not required to constitute an audit committee, the Board shall appoint an individual who is a cost accountant or a firm of cost accountants in practice as cost auditor and the remuneration of such cost auditor shall be ratified by shareholders subsequently.

Qualification, Disqualification, Rights, Duties and Obligations of Cost Auditor: The qualifications, disqualifications, rights, duties and obligations applicable to auditors under this Chapter shall, so far as may be applicable, apply to a cost auditor appointed under this section and it shall be the duty of the company to give all assistance and facilities to the cost auditor appointed under this section for auditing the cost records of the company.

Submission of Cost Audit Report:

(i) To the Board of Directors of the Company- The cost auditor shall submit the cost audit report along with his reservations or qualifications or observations or suggestions, if any, in Form CRA-3. He shall forward his report to the Board of Directors of the company within a period of 180 days from the closure of the financial year to which the report relates and the Board of Directors shall consider and examine such report particularly any reservation or qualification contained therein.

(ii) To the Central Government- The company shall within 30 days from the date of receipt of a copy of the cost audit report prepared (in pursuance of a direction issued by Central Government) furnish the Central Government with such report along with full information and explanation on every reservation or qualification contained therein in Form CRA-4 in Extensible Business Reporting Language (XBRL) format in the manner as specified in the Companies (Filing of Documents and Forms in Extensible Business Reporting language) Rules, 2015 along with fees specified in the Companies (Registration Offices and Fees) Rules, 2014.

Provided that the companies which have got extension of time of holding AGM under section 96 (1) of the Companies Act, 2013, may file form CRA-4 within resultant extended period of filing financial statements under section 137 of the Companies Act, 2013 (As per MCA notification dated 3 December 2018)

If, after considering the cost audit report and the, information and explanation furnished by the company as above, the Central Government is of the opinion, that any further information or
explanation is necessary, it may call for such further information and explanation and the company shall furnish the same within such time as may be specified by that Government.

**Duty to Report on Fraud:** The provisions of section 143(12) of the Companies Act, 2013 and the relevant rules on duty to report on fraud shall apply mutatis mutandis to a cost auditor during performance of his functions under section 148 of the Act and these rules.

**Cost Audit Rules Not to Apply in Certain Cases:** The requirement for cost audit under these rules shall not be applicable to a company which is covered under Rule 3, and,

(i) whose revenue from exports, in foreign exchange, exceeds 75% of its total revenue; or

(ii) which is operating from a special economic zone.

(iii) which is engaged in generation of electricity for captive consumption through Captive Generating Plant.

**Penal Provisions in Case of Default:** If any default is made in complying with the provisions of this section,

(a) the company and every officer of the company who is in default shall be punishable in the manner as provided in sub-section (1) of section 147;

(b) the cost auditor of the company who is in default shall be punishable in the manner as provided in sub-sections (2) to (4) of section 147.

15. **Punishment for non-compliance**

**Section 147** of the Companies Act, 2013 prescribes following punishments for contravention:

(1) If any of the provisions of sections 139 to 146 (both inclusive) is contravened, the company shall be punishable with fine which shall not be less than twenty-five thousand rupees but which may extend to five lakh rupees and every officer of the company who is in default shall be punishable with imprisonment for a term which may extend to one year or with fine which shall not be less than ten thousand rupees but which may extend to one lakh rupees, or with both.

(2) If an auditor of a company contravenes any of the provisions of section 139 section 143, section 144 or section 145, the auditor shall be punishable with fine which shall not be less than twenty-five thousand rupees but which may extend to five lakh rupees or four times the remuneration of the auditor, whichever is less.

It may be noted that if an auditor has contravened such provisions knowingly or willfully with the intention to deceive the company or its shareholders or creditors or tax authorities, he shall be punishable with imprisonment for a term which may extend to one year and with fine which shall not be less than fifty thousand rupees but which may extend to twenty-five lakh rupees or eight times the remuneration of the auditor, whichever is less.

(3) Where an auditor has been convicted under sub-section (2), he shall be liable to-
Refund the remuneration received by him to the company;

and pay for damages to the company statutory bodies or authorities or to members or creditors of the company for loss arising out of incorrect or misleading statements of particulars made in his audit report.

The Central Government shall, by notification, specify any statutory body or authority of an officer for ensuring prompt payment of damages to the company or the persons under clause (ii) of sub-section (3) and such body, authority or officer shall after payment of damages the such company or persons file a report with the Central Government in respect of making such damages in such manner as may be specified in the said notification.

Where, in case of audit of a company being conducted by an audit firm, it is proved that the partner or partners of the audit firm has or have acted in a fraudulent manner or abetted or colluded in an fraud by, or in relation to or by, the company or its directors or officers, the liability, whether civil or criminal as provided in this Act or in any other law for the time being in force, for such act shall be of the partner or partners concerned of the audit firm and of the firm jointly and severally.

It may be noted that in case of criminal liability of an audit firm, in respect of liability other than fine, the concerned partner(s), who acted in a fraudulent manner or abetted or, as the case may be, colluded in any fraud shall only be liable.

16. Audit report

Management is responsible for the preparation of the financial statements. Management also accepts responsibility for necessary internal controls to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

The purpose of an audit is to enhance the degree of confidence of intended users of the financial statements. The aforesaid purpose is achieved by the expression of an independent reporting by the auditor as to whether the financial statements exhibit a true and fair view of the affairs of the entity.

Thus, an Audit report is an opinion drawn on the entity’s financial statements to make sure that the records are true and fair representation of the transactions they claim to represent. This involves considering whether the financial statements have been prepared in accordance with an acceptable financial reporting framework applicable to the entity under audit. It is also necessary to consider whether the financial statements comply with the relevant statutory requirements. The main users of audit report are shareholders, members and all other stakeholders of the company.

17. Forming an Opinion on the Financial Statements- Objective of the Auditor

17.1 The objectives of the auditor as per SA 700 (Revised), “Forming An Opinion And Reporting On Financial Statements” are:
(a) To form an opinion on the financial statements based on an evaluation of the conclusions drawn from the audit evidence obtained; and

(b) To express clearly that opinion through a written report.

The auditor shall form an opinion on whether the financial statements are prepared, in all material respects, in accordance with the applicable financial reporting framework.

17.2 To form opinion - Auditor to obtain Reasonable assurance

In order to form that opinion, the auditor shall conclude as to whether the auditor has obtained reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error.

That conclusion shall take into account:

(a) whether sufficient appropriate audit evidence has been obtained;

(b) whether uncorrected misstatements are material, individually or in aggregate;

(c) The evaluations

17.3 Evaluations by the Auditor

The auditor shall evaluate whether the financial statements are prepared in accordance with the requirements of the applicable financial reporting framework.

This evaluation shall include consideration of the qualitative aspects of the entity’s accounting practices, including indicators of possible bias in management’s judgments.

17.3.1 Qualitative Aspects of the Entity’s Accounting Practices

1. Management makes a number of judgments about the amounts and disclosures in the financial statements.

2. SA 260 (Revised) contains a discussion of the qualitative aspects of accounting practices.

3. In considering the qualitative aspects of the entity’s accounting practices, the auditor may become aware of possible bias in management’s judgments. The auditor may conclude that lack of neutrality together with uncorrected misstatements causes the financial statements to be materially misstated. Indicators of a lack of neutrality include the following:

(i) The selective correction of misstatements brought to management’s attention during the audit

<table>
<thead>
<tr>
<th>Example</th>
</tr>
</thead>
<tbody>
<tr>
<td>Correcting misstatements with the effect of increasing reported earnings, but not correcting misstatements that have the effect of decreasing reported earnings.</td>
</tr>
<tr>
<td>The combination of several deficiencies affecting the same significant account or disclosure (or the same internal control component) could amount to a significant</td>
</tr>
</tbody>
</table>
deficiency (or material weakness if required to be communicated in the jurisdiction). This evaluation requires judgment and involvement of audit executives.

(ii) Possible management bias in the making of accounting estimates.

4. SA 540 addresses possible management bias in making accounting estimates.

Indicators of possible management bias do not constitute misstatements for purposes of drawing conclusions on the reasonableness of individual accounting estimates. They may, however, affect the auditor’s evaluation of whether the financial statements as a whole are free from material misstatement.

17.4 Specific Evaluations by the auditor

In particular, the auditor shall evaluate whether:

(a) The financial statements adequately disclose the significant accounting policies selected and applied;
(b) The accounting policies selected and applied are consistent with the applicable financial reporting framework and are appropriate;
(c) The accounting estimates made by management are reasonable;
(d) The information presented in the financial statements is relevant, reliable, comparable, and understandable;
(e) The financial statements provide adequate disclosures to enable the intended users to understand the effect of material transactions and events on the information conveyed in the financial statements; and
(f) The terminology used in the financial statements, including the title of each financial statement, is appropriate.

Example:

—if an amount or disclosure in the financial statements is under greater scrutiny by users of the financial statements, then a smaller misstatement may be considered more significant.

A misstatement may be objectively determinable or may involve a degree of subjectivity through estimation, allocation or uncertainty.

17.5 Form of Opinion

Unmodified Opinion: The auditor shall express an unmodified opinion when the auditor concludes that the financial statements are prepared, in all material respects, in accordance with the applicable financial reporting framework.

Modified Opinion: If the auditor:
the auditor shall modify the opinion in the auditor’s report in accordance with SA 705.

17.6 Auditor’s Report

The auditor's report shall be in writing. A written report encompasses reports issued in hard copy and those using an electronic medium.

This SA-700 requires the use of specific headings, which are intended to assist in making auditor’s reports that refer to audits that have been conducted in accordance with SAs more recognizable.

17.6.1 Auditor's Report for Audits Conducted in Accordance with Standards on Auditing

Basic Elements of an Audit Report are given below:

1. **Title:** The auditor’s report shall have a title that clearly indicates that it is the report of an independent auditor.

   For example, “Independent Auditor’s Report,” distinguishes the independent auditor’s report from reports issued by others.

2. **Addressee:** The auditor’s report shall be addressed, as appropriate, based on the circumstances of the engagement. Law, regulation or the terms of the engagement may specify to whom the auditor’s report is to be addressed.

   The auditor’s report is normally addressed to those for whom the report is prepared, often either to the shareholders or to those charged with governance of the entity whose financial statements are being audited.

3. **Auditor’s Opinion:** The first section of the auditor’s report shall include the auditor’s opinion, and shall have the heading “Opinion.”

   The Opinion section of the auditor’s report shall also:

   (a) Identify the entity whose financial statements have been audited;
   (b) State that the financial statements have been audited;
   (c) Identify the title of each statement comprising the financial statements;
   (d) Refer to the notes, including the summary of significant accounting policies; and
   (e) Specify the date of, or period covered by, each financial statement comprising the financial statements.
Expressing an unmodified opinion on financial statements

When expressing an unmodified opinion on financial statements, the auditor’s opinion shall, unless otherwise required by law or regulation, use one of the following phrases, which are regarded as being equivalent:

(a) In our opinion, the accompanying financial statements present fairly, in all material respects, [...] in accordance with [the applicable financial reporting framework]; or
(b) In our opinion, the accompanying financial statements give a true and fair view of [...] in accordance with [the applicable financial reporting framework].

“Present fairly, in all material respects” or “give a true and fair view”

The phrases “present fairly, in all material respects,” and “give a true and fair view” are regarded as being equivalent.

When the auditor expresses an unmodified opinion, it is not appropriate to use phrases such as “with the foregoing explanation” or “subject to” in relation to the opinion, as these suggest a conditional opinion or a weakening or modification of opinion.

4. Basis for Opinion:

The auditor’s report shall include a section, directly following the Opinion section, with the heading “Basis for Opinion”, that:

(a) States that the audit was conducted in accordance with Standards on Auditing;
(b) Refers to the section of the auditor’s report that describes the auditor’s responsibilities under the SAs;
(c) Includes a statement that the auditor is independent of the entity in accordance with the relevant ethical requirements relating to the audit and has fulfilled the auditor’s other ethical responsibilities in accordance with these requirements.
(d) States whether the auditor believes that the audit evidence the auditor has obtained is sufficient and appropriate to provide a basis for the auditor’s opinion.

5. Going Concern: Where applicable, the auditor shall report in accordance with SA 570 (Revised).

6. Key Audit Matters: For audits of complete sets of general purpose financial statements of listed entities, the auditor shall communicate key audit matters in the auditor’s report in accordance with SA 701.

When the auditor is otherwise required by law or regulation or decides to communicate key audit matters in the auditor’s report, the auditor shall do so in accordance with SA 701.

Law or regulation may require communication of key audit matters for audits of entities other than listed entities,

For example, entities characterized in such law or regulation as public interest entities.
The auditor may also decide to communicate key audit matters for other entities, including those that may be of significant public interest, for example because they have a large number and wide range of stakeholders and considering the nature and size of the business.

Examples of such entities may include financial institutions (such as banks, insurance companies, and pension funds), and other entities such as charities.

7. Responsibilities for the Financial Statements: The auditor’s report shall include a section with a heading “Responsibilities of Management for the Financial Statements.”

SA 200 explains the premise, relating to the responsibilities of management and, where appropriate, those charged with governance, on which an audit in accordance with SAs is conducted. Management and, where appropriate, those charged with governance accept responsibility for the preparation of the financial statements. Management also accepts responsibility for such internal control as it determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error. The description of management’s responsibilities in the auditor’s report includes reference to both responsibilities as it helps to explain to users the premise on which an audit is conducted.

This section of the auditor’s report shall describe management’s responsibility for:

(a) Preparing the financial statements in accordance with the applicable financial reporting framework, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error;[because of the possible effects of fraud on other aspects of the audit, materiality does not apply to management’s acknowledgement regarding its responsibility for the design, implementation, and maintenance of internal control (or for establishing and maintaining effective internal control over financial reporting) to prevent and detect fraud.] and

(b) Assessing the entity’s ability to continue as a going concern and whether the use of the going concern basis of accounting is appropriate as well as disclosing, if applicable, matters relating to going concern. The explanation of management’s responsibility for this assessment shall include a description of when the use of the going concern basis of accounting is appropriate.

- Auditor cannot conclude that management has provided with all relevant information agreed in the terms of the audit engagement agreement without confirming with management whether such information has been provided.
- When those individuals who have signed the engagement agreement at the start of the audit have left the entity, the auditor would request those who are giving the representations to acknowledge their responsibilities within the letter of representations.
A management representation as to the amount required for a particular provision is not a substitute for the audit procedures regarding the provision that the auditor would expect to perform.

Periods covered by the letter: The auditor to obtain representations for all financial statements and periods referred to in our auditor’s report. Auditor would obtain a specific representation if a restatement is made to correct a material misstatement in the prior period financial statements that affects the comparative information in the financial statements. If current management was not present during all periods covered by auditor’s report, he still would obtain written representations from current management on all such periods.

SA 210 requires the auditor to agree management’s responsibilities in an engagement letter or other suitable form of written agreement.

Oversight of the financial reporting process: This section of the auditor’s report shall also identify those responsible for the oversight of the financial reporting process, when those responsible for such oversight are different from Management. In this case, the heading of this section shall also refer to “Those Charged with Governance”

8. Auditor’s Responsibilities for the Audit of the Financial Statements:

The auditor’s report shall include a section with the heading “Auditor’s Responsibilities for the Audit of the Financial Statements.”

This section of the auditor’s report shall:

(a) State that the objectives of the auditor are to:

   (i) Obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error; and

   (ii) Issue an auditor’s report that includes the auditor’s opinion.

(b) State that reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists; and

(c) State that misstatements can arise from fraud or error, and either:

   (i) Describe that they are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements; or

   (ii) Provide a definition or description of materiality in accordance with the applicable financial reporting framework.

The Auditor’s Responsibilities for the Audit of the Financial Statements section of the auditor’s report shall further:

(a) State that, as part of an audit in accordance with SAs, the auditor exercises professional judgment and maintains professional skepticism throughout the audit; and
(b) Describe an audit by stating that the auditor’s responsibilities are:

(i) To identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error; to design and perform audit procedures responsive to those risks; and to obtain audit evidence that is sufficient and appropriate to provide a basis for the auditor’s opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

1. To identify and assess the risks of material misstatement of the financial statements.
2. To design and perform audit procedures in response to those risks.
3. To obtain sufficient and appropriate audit evidence.

(ii) To obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances.

(iii) To evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

(iv) To conclude on the appropriateness of management’s use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the entity’s ability to continue as a going concern.

The Auditor’s Responsibilities for the Audit of the Financial Statements section of the auditor’s report also shall:

(a) State that the auditor communicates with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that the auditor identifies during the audit;

(b) For audits of financial statements of listed entities, state that the auditor provides those charged with governance with a statement that the auditor has complied with relevant ethical requirements regarding independence and communicate with them all relationships and other matters that may reasonably be thought to bear on the auditor’s independence, and where applicable, related safeguards; and

(c) For audits of financial statements of listed entities and any other entities for which key audit matters are communicated in accordance with SA 701, state that, from the matters communicated with those charged with governance, the auditor determines those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. The auditor describes these matters in the auditor’s report unless law or regulation precludes public disclosure.
9. Location of the description of the auditor’s responsibilities for the audit of the financial statements: The description of the auditor’s responsibilities for the audit of the financial statements shall be included:

(a) Within the body of the auditor’s report;

(b) Within an appendix to the auditor’s report, in which case the auditor’s report shall include a reference to the location of the appendix; or

(c) By a specific reference within the auditor’s report to the location of such a description on a website of an appropriate authority, where law, regulation or national auditing standards expressly permit the auditor to do so.

**ILLUSTRATION**

The following is an illustration of how such a reference to an appendix could be made in the auditor’s report:

**Auditor’s Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is included in appendix X of this auditor’s report. This description, which is located at [indicate page number or other specific reference to the location of the description], forms part of our auditor’s report.

10. Other Reporting Responsibilities: If the auditor addresses other reporting responsibilities in the auditor’s report on the financial statements that are in addition to the auditor’s responsibilities under the SAs, these other reporting responsibilities shall be addressed in a separate section in the auditor’s report with a heading titled-

"Report on Other Legal and Regulatory Requirements" or otherwise as appropriate to the content of the section, unless these other reporting responsibilities address the same topics as those presented under the reporting responsibilities required by the SAs in which case the other reporting responsibilities may be presented in the same section as the related report elements required by the SAs.

If other reporting responsibilities are presented in the same section as the related report elements required by the SAs, the auditor’s report shall clearly differentiate the other reporting responsibilities from the reporting that is required by the SAs.

If the auditor’s report contains a separate section that addresses other reporting responsibilities, the requirements stated above shall be included under a section with a heading "Report on the
Audit of the Financial Statements.” The “Report on Other Legal and Regulatory Requirements” shall follow the “Report on the Audit of the Financial Statements.”

11. **Signature of the Auditor:** The auditor’s report shall be signed. The report is signed by the auditor (i.e. the engagement partner) in his personal name. Where the firm is appointed as the auditor, the report is signed in the personal name of the auditor and in the name of the audit firm.

The partner/proprietor signing the audit report also needs to mention the membership number assigned by the Institute of Chartered Accountants of India. They also include the registration number of the firm, wherever applicable, as allotted by ICAI, in the audit reports signed by them.

12. **Auditor’s Address:** The auditor’s report shall name specific location, which is ordinarily the city where the audit report is signed.

13. **Date of the Auditor’s Report:** The auditor’s report shall be dated no earlier than the date on which the auditor has obtained sufficient appropriate audit evidence on which to base the auditor’s opinion on the financial statements, including evidence that:

   (a) All the statements that comprise the financial statements, including the related notes, have been prepared; and

   (b) Those with the recognized authority have asserted that they have taken responsibility for those financial statements.

The date of the auditor’s report informs the user of the auditor’s report that the auditor has considered the effect of events and transactions of which the auditor became aware and that occurred up to that date. The auditor’s responsibility for events and transactions after the date of the auditor’s report is addressed in SA 560.

18. **Modifications to the opinion in the independent Auditor’s Report**

Standard on Auditing (SA) 705 “Modifications to the opinion in the Independent Auditor’s Report” deals with the auditor’s responsibility to issue an appropriate report in circumstances when, in forming an opinion in accordance with SA 700 (Revised) “Forming An Opinion And Reporting On Financial Statements”, the auditor concludes that a modification to the auditor’s opinion on the financial statements is necessary.

This SA also deals with how the form and content of the auditor’s report is affected when the auditor expresses a modified opinion.
18.1 Circumstances When a Modification to the Auditor’s Opinion Is Required

The auditor shall modify the opinion in the auditor’s report when:

(a) The auditor concludes that, based on the audit evidence obtained, the financial statements as a whole are not free from material misstatement; or

(b) The auditor is unable to obtain sufficient appropriate audit evidence to conclude that the financial statements as a whole are free from material misstatement.

18.2 Objective of the auditor - to express clearly an appropriately modified opinion

As per Standard on Auditing (SA) 705 “Modifications To The Opinion In The Independent Auditor’s Report”, the objective of the auditor is to express clearly an appropriately modified opinion on the financial statements that is necessary when:

(a) The auditor concludes, based on the audit evidence obtained, that the financial statements as a whole are not free from material misstatement; or

(b) The auditor is unable to obtain sufficient appropriate audit evidence to conclude that the financial statements as a whole are free from material misstatement.

18.3 Types of Modified Opinions

There are three types of modified opinions, namely-
1. A qualified opinion
2. An adverse opinion
3. A disclaimer of opinion.

<table>
<thead>
<tr>
<th>Qualified Opinion</th>
<th>Adverse Opinion</th>
<th>Disclaimer of Opinion</th>
</tr>
</thead>
<tbody>
<tr>
<td>• The auditor, having obtained sufficient appropriate audit evidence, concludes that misstatements are material, but not pervasive.</td>
<td>• The auditor shall express an adverse opinion when the auditor, having obtained sufficient appropriate audit evidence, concludes that misstatements, individually or in the aggregate, are both material and pervasive.</td>
<td>• The auditor shall disclaim an opinion when he is unable to obtain sufficient appropriate audit evidence and he concludes that the possible effects on the financial statements of undetected misstatements could be both material and pervasive.</td>
</tr>
</tbody>
</table>

**Qualified Opinion**

The auditor shall express a qualified opinion when:

(a) The auditor, having obtained sufficient appropriate audit evidence, concludes that misstatements, individually or in the aggregate, are material, but not pervasive, to the financial statements; or

(b) The auditor is unable to obtain sufficient appropriate audit evidence on which to base the opinion, but the auditor concludes that the possible effects on the financial statements of undetected misstatements, if any, could be material but not pervasive.

**Adverse Opinion**

The auditor shall express an adverse opinion when the auditor, having obtained sufficient appropriate audit evidence, concludes that misstatements, individually or in the aggregate, are both material and pervasive to the financial statements.

**Disclaimer of Opinion** The auditor shall disclaim an opinion when the auditor is unable to obtain sufficient appropriate audit evidence on which to base the opinion, and the auditor concludes that the possible effects on the financial statements of undetected misstatements, if any, could be both material and pervasive.

The auditor shall disclaim an opinion when, in extremely rare circumstances involving multiple uncertainties, the auditor concludes that, notwithstanding having obtained sufficient appropriate audit evidence regarding each of the individual uncertainties, it is not possible to form an opinion on the financial statements due to the potential interaction of the uncertainties and their possible cumulative effect on the financial statements.
Definition of Pervasive – A term used, in the context of misstatements, to describe the effects on the financial statements of misstatements or the possible effects on the financial statements of misstatements, if any, that are undetected due to an inability to obtain sufficient appropriate audit evidence.

Pervasive effects on the financial statements are those that, in the auditor’s judgment:
(i) Are not confined to specific elements, accounts or items of the financial statements;
(ii) If so confined, represent or could represent a substantial proportion of the financial statements; or
(iii) In relation to disclosures, are fundamental to users’ understanding of the financial statements.

18.4 Which type of opinion is appropriate?
The decision regarding which type of modified opinion is appropriate depends upon:
(a) The nature of the matter giving rise to the modification, that is, whether the financial statements are materially misstated or, in the case of an inability to obtain sufficient appropriate audit evidence, may be materially misstated; and
(b) The auditor’s judgment about the pervasiveness of the effects or possible effects of the matter on the financial statements.

The table below illustrates how the auditor’s judgment about the nature of the matter giving rise to the modification, and the pervasiveness of its effects or possible effects on the financial statements, affects the type of opinion to be expressed.

<table>
<thead>
<tr>
<th>Nature of Matter Giving Rise to the Modification</th>
<th>Auditor’s Judgment about the Pervasiveness of the Effects or Possible Effects on the Financial Statements</th>
</tr>
</thead>
<tbody>
<tr>
<td></td>
<td>Material but Not Pervasive</td>
</tr>
<tr>
<td>Financial statements are materially misstated</td>
<td>Qualified opinion</td>
</tr>
<tr>
<td>Inability to obtain sufficient appropriate audit evidence</td>
<td>Qualified opinion</td>
</tr>
</tbody>
</table>

18.5 Basis for Opinion
When the auditor modifies the opinion on the financial statements, the auditor shall, in addition to the specific elements required by SA 700 (Revised)
(a) Amend the heading “Basis for Opinion” required by para of SA 700 (Revised) to “Basis for Qualified Opinion,” “Basis for Adverse Opinion,” or “Basis for Disclaimer of Opinion,” as appropriate; and
(b) Within this section, include a description of the matter giving rise to the modification.

19.1 Objective of the Auditor as per SA 706

As per SA 706 (Revised) on “Emphasis of Matter Paragraphs and Other Matter Paragraphs In The Independent Auditor's Report”, the objective of the auditor, having formed an opinion on the financial statements, is to draw users’ attention, when in the auditor’s judgment it is necessary to do so, by way of clear additional communication in the auditor’s report, to:

(a) A matter, although appropriately presented or disclosed in the financial statements, that is of such importance that it is fundamental to users’ understanding of the financial statements; or

(b) As appropriate, any other matter that is relevant to users’ understanding of the audit, the auditor’s responsibilities or the auditor’s report.

<table>
<thead>
<tr>
<th>Definitions:</th>
</tr>
</thead>
<tbody>
<tr>
<td><strong>Emphasis of Matter paragraph</strong> – A paragraph included in the auditor’s report that refers to a matter appropriately presented or disclosed in the financial statements that, in the auditor’s judgment, is of such importance that it is fundamental to users’ understanding of the financial statements.</td>
</tr>
<tr>
<td><strong>Other Matter paragraph</strong> – A paragraph included in the auditor’s report that refers to a matter other than those presented or disclosed in the financial statements that, in the auditor’s judgment, is relevant to users' understanding of the audit, the auditor’s responsibilities or the auditor’s report.</td>
</tr>
</tbody>
</table>

19.2 Emphasis of Matter Paragraphs in the Auditor’s Report

If the auditor considers it necessary to draw users’ attention to a matter presented or disclosed in the financial statements that, in the auditor’s judgment, is of such importance that it is fundamental to users’ understanding of the financial statements, the auditor shall include an Emphasis of Matter paragraph in the auditor’s report provided:

(a) The auditor would not be required to modify the opinion in accordance with SA 705 (Revised) as a result of the matter; and

(b) When SA 701 applies, the matter has not been determined to be a key audit matter to be communicated in the auditor’s report.

19.2.1 Separate section for Emphasis of Matter paragraph

When the auditor includes an Emphasis of Matter paragraph in the auditor’s report, the auditor shall:

(a) Include the paragraph within a separate section of the auditor’s report with an appropriate heading that includes the term “Emphasis of Matter”;
Include in the paragraph a clear reference to the matter being emphasized and to where relevant disclosures that fully describe the matter can be found in the financial statements. The paragraph shall refer only to information presented or disclosed in the financial statements; and

Indicate that the auditor's opinion is not modified in respect of the matter emphasized.

19.3 Other Matter Paragraphs in the Auditor’s Report

If the auditor considers it necessary to communicate a matter other than those that are presented or disclosed in the financial statements that, in the auditor’s judgment, is relevant to users' understanding of the audit, the auditor’s responsibilities or the auditor’s report, the auditor shall include an Other Matter paragraph in the auditor’s report, provided:

(a) This is not prohibited by law or regulation; and

(b) When SA 701 applies, the matter has not been determined to be a key audit matter to be communicated in the auditor’s report.

19.3.1 Separate section for Other Matter paragraph

When the auditor includes an Other Matter paragraph in the auditor’s report, the auditor shall include the paragraph within a separate section with the heading “Other Matter,” or other appropriate heading.

20. Communicating Key Audit Matters in The Independent Auditor’s Report

| Definition of Key Audit Matters: | Those matters that, in the auditor’s professional judgment, were of most significance in the audit of the financial statements of the current period. Key audit matters are selected from matters communicated with those charged with governance. |

20.1 Purpose of communicating key audit matters

As per SA 701, “Communicating Key Audit Matters in The Auditor’s Report”, the purpose of communicating key audit matters is to enhance the communicative value of the auditor’s report by providing greater transparency about the audit that was performed. Communicating key audit matters provides additional information to intended users of the financial statements to assist them in understanding those matters that, in the auditor’s professional judgment, were of most significance in the audit of the financial statements of the current period. Communicating key audit matters may also assist intended users in understanding the entity and areas of significant management judgment in the audited financial statements.

20.2 Objectives of the auditor regarding Key Audit Matters

As per SA 701, “Communicating Key Audit Matters in The Independent Auditor’s Report”, the objectives of the auditor are to determine key audit matters and, having formed an opinion on the financial statements, communicate those matters by describing them in the auditor’s report.
20.3 Determining Key Audit Matters
The auditor shall determine, from the matters communicated with those charged with governance, those matters that required significant auditor attention in performing the audit. In making this determination, the auditor shall take into account the following:
(a) Areas of higher assessed risk of material misstatement, or significant risks identified in accordance with SA 315.
(b) Significant auditor judgments relating to areas in the financial statements that involved significant management judgment, including accounting estimates that have been identified as having high estimation uncertainty.
(c) The effect on the audit of significant events or transactions that occurred during the period.

| The auditor shall determine which of the matters determined in accordance with above stated para were of most significance in the audit of the financial statements of the current period and therefore are the key audit matters. |

20.4 Communicating Key Audit Matters
The auditor shall describe each key audit matter, using an appropriate subheading, in a separate section of the auditor’s report under the heading “Key Audit Matters”. The introductory language in this section of the auditor’s report shall state that:
(a) Key audit matters are those matters that, in the auditor’s professional judgment, were of most significance in the audit of the financial statements [of the current period]; and
(b) These matters were addressed in the context of the audit of the financial statements as a whole, and in forming the auditor’s opinion thereon, and the auditor does not provide a separate opinion on these matters.

20.5 Communicating key audit matter- not a substitute for disclosure in the financial statements etc.:
Communicating key audit matters in the auditor’s report is in the context of the auditor having formed an opinion on the financial statements as a whole. Communicating key audit matters in the auditor’s report is not:
(a) A substitute for disclosures in the financial statements that the applicable financial reporting framework requires management to make, or that are otherwise necessary to achieve fair presentation;
(b) A substitute for the auditor expressing a modified opinion when required by the circumstances of a specific audit engagement in accordance with SA 705 (Revised);
(c) A substitute for reporting in accordance with SA 570 when a material uncertainty exists relating to events or conditions that may cast significant doubt on an entity's ability to continue as a going concern; or

(d) A separate opinion on individual matters

In Chapter 5-Vouching, the topic “Payments controlled by the Companies Act, 2013” given at page no. 5.11 has been revised and given hereunder:

In the case of a company, payments or transactions, directly or indirectly, have been controlled/restricted by the Companies Act, 2013 (hereinafter referred as the Act). This may be understood with some of the provisions of the Act as discussed below-

(i) Only such expenses which are incurred related to the business of the company are chargeable to statement of profit and loss. The auditor is, therefore in terms of section 143(1)(e) of the Act, required to inquire whether personal expenses have been charged to the revenue account. In case of any special comments to the said inquiry, he is also required to report on the same.

(ii) Section 180 of the Act specifically restricts the powers of the Board i.e. the Board of Directors of a company can exercise the following powers but only with the consent of the company by a special resolution, namely -

(a) sell, lease or otherwise dispose of the whole or substantially the whole of the undertaking of the company or where the company owns more than one undertaking, of the whole or substantially the whole of any of such undertakings.

(b) invest otherwise in trust securities the amount of compensation received by it as a result of any merger or amalgamation.

(c) borrow money, where the money to be borrowed, together with the money already borrowed by the company will exceed aggregate of its paid-up share capital and free reserves, apart from temporary loans obtained from the company’s bankers in the ordinary course of business. It is provided that the acceptance by a banking company, in the ordinary course of its business, of deposits of money from the public, repayable on demand or otherwise, and withdrawable by cheque, draft, order or otherwise, shall not be deemed to be a borrowing of monies by the banking company within the meaning of this clause.

(d) remit, or give time for the repayment of, any debt due from a director.

(iii) Under section 181, the Board of Directors of a company can contribute to the bona fide charitable and other funds any amount in any financial year. However, prior permission of
the company in general meeting is required if the aggregate of such contribution exceeds 5% of its average net profits for the three immediately preceding financial years.

(iv) Section 182 deals with prohibition and restriction regarding political contributions. According to this section, a government company or any other company which has been in existence for less than three financial years cannot contribute any amount directly or indirectly to any political party. Notwithstanding anything contained in any other provision of this Act, a Company, other than a Government Company and a company which has been in existence for less than three financial years, may contribute any amount directly or indirectly to any political party.

Every company shall disclose in its profit and loss account the total amount contributed by it under this section during the financial year to which the account relates.

The contribution under this section shall not be made except by an account payee cheque drawn on a bank or an account payee bank draft or use of electronic clearing system through a bank account.

(v) Section 183 permits the Board and other person to make contributions to the National Defence Fund or any other Fund approved by the Central Government for the purpose of National Defence to any extent as it thinks fit.

PART – II: QUESTIONS AND ANSWERS

PART – II A: Multiple Choice Questions based on Integrated Case Scenarios

Integrated Case Scenario-1

Moon Group of companies is a retail chain involved in the selling of daily consumer needs directly to the customer. They are in the process of appointing an audit firm for the audit of their accounts for the financial year 2019-20. Moon Group is a South Indian based consumer store having a total of 16 outlets across 4 cities in South India.

Sumant & Co. is appointed as the principal auditor for the entire group. Companies Act 2013 prescribes in detail the terms of this audit engagement. Further, there are many branch auditors appointed for the outlets in the other cities. The company also has an internal audit function conducted on quarterly basis by Ram & Co. Following are the observations during the course of the statutory audit:

(a) One of the discounts offered by the store is in the form of payback cards where reward points are accumulated and the customer can redeem the same on subsequent purchase. The management and internal auditors are of the opinion that the points redeemed are to be treated as trade discount. The external auditors are doubtful on the matter.
(b) One of the outlet in Chennai region is in the verge of getting closed and is only left with low value stock to be cleared before closure. During the year, the sales were only around Rs. 1,40,000/- and the auditor considers this component immaterial. All other outlets are performing well with good revenue share.

(c) The gratuity valuation of the employees of the retail chain is done by an external valuer. The auditor, considering the quantum involved appoints an external auditor’s expert for the verification of the actuarial calculation of gratuity.

From the above facts, answer the following questions by choosing the correct answer:

1. As per SA 210 – Agreeing the Terms of Audit Engagement, which of the following statement is correct?
   (a) Though law prescribes in sufficient detail the terms of the audit engagement, the auditor still needs to record them in a written agreement and also seek written agreement from management that it acknowledges and understands that it has responsibility for the preparation of financial statements.
   (b) Since law prescribes in sufficient detail the terms of the audit engagement, the auditor need not record them in a written agreement except for the fact that law or regulation applies and also seek written agreement from management that it acknowledges and understands that it has responsibility for the preparation of financial statements.
   (c) The auditor has to take an extract of the law prescribing the details of the terms of the audit engagement and obtain the counter signature of the management in it.
   (d) Though law prescribes in sufficient detail the terms of the audit engagement, the auditor still needs to record them in a written agreement, however it need not seek written agreement from management that it acknowledges and understands that it has responsibility for the preparation of financial statements.

2. With respect to the treatment of discount on redemption of points in payback card, what should be the action of the external auditor?
   (a) The auditor can place reliance and go by the opinion of the branch auditor and internal auditor as they have only done a thorough and detailed audit of the accounts
   (b) The auditor can place reliance on the management’s accounting policy as prima facie they are only responsible for preparation of financial statements.
   (c) The external auditor has sole responsibility for the audit opinion expressed and hence he should perform procedures to satisfy himself on the correct treatment and issue opinion accordingly.
   (d) The auditor can advise management on correct treatment but cannot qualify his opinion as branch auditor’s opinion has higher authority than external auditor’s opinion.
3. What is the main objective of the external auditor, when he uses the work of the internal audit function of Ram & Co.?
   (a) To determine as to which areas, what extent the work can be used and whether that work is adequate for the purposes of the audit.
   (b) To appropriately direct, supervise and review the work of the internal audit function.
   (c) Review the internal audit report and audit the areas not covered by the internal audit function.
   (d) Enquire from management on the special points that arose during internal audit and follow up on the course of action on those points.

4. The external auditor finds that the branch auditor of the outlet in the Chennai region, which is in the verge of closing down, is audited by an auditor who is not a member of the Institute of Chartered accountants of India. What should the external auditor do?
   (a) Since the professional competence of the auditor is in question, the external auditor should himself visit the premise and audit the accounts.
   (b) Since the financial statement of the component is immaterial, the provisions of SA 600 do not apply.
   (c) The auditor can rely on the financial statements of that component by obtaining written representation from management that the branch auditor is otherwise well qualified.
   (d) Since the professional competence of the auditor is in question, the external auditor should co-ordinate with the branch auditor and call for the books of accounts and other explanations.

5. Which of these is not a factor affecting the external auditor's evaluation of the objectivity of the internal audit function?
   (a) Whether the organizational status of the internal audit function supports the ability of the function to be free from bias, conflict of interest or undue influence of others to override professional judgment.
   (b) Whether the internal audit function is free of any conflicting responsibilities.
   (c) Whether the internal auditors have adequate technical training and proficiency in auditing.
   (d) Whether those charged with governance oversee employment decisions related to internal audit function.

**Integrated Case Scenario-2**

M/s JK & Associates have been appointed as auditors of Venus Ltd. for the financial year 2019-20. The team consist of Mr. J & Mr. K both Chartered Accountants as also the engagement partners and the audit staff consisting of 2 article assistants. While starting the audit work of
Venus Ltd, the engagement partners briefed the audit staff about the audit work, areas to be covered and the various auditing concepts and their application in the audit of Venus Ltd along with applicable Standard on Auditing.

Various topics like audit planning, overall audit strategy, audit programme were discussed in detail. The team was told about the purpose and implication of various statements and guidance notes issued by the Institute of Chartered Accountants of India (ICAI) from time to time. Mr. K also briefed the team about the concept of materiality to be applied while planning and performing audit. The team was also explained in detail about the area where benchmark materiality can be applied in case of Venus Ltd.

Based on the above facts, answer the following:

1. ..........sets the scope, timing & direction of the audit and guides the development of the more detailed plan.
   (a) Audit Programme
   (b) Overall Audit Strategy
   (c) Completion Memorandum
   (d) Audit Plan

2. Statement 1: The establishment of the overall audit strategy and the detailed audit plan are not necessarily discrete or sequential process but are closely inter-related.
   Statement 2: The auditor shall establish an overall audit strategy that guides the development of audit plan.
   (a) Only Statement 1 is correct
   (b) Only Statement 2 is correct
   (c) Both Statements 1 & 2 are correct
   (d) Both Statements 1 & 2 are incorrect

3. .......... means the amount set by the auditor at less than materiality for the financial statements as a whole to reduce to an appropriately low level the probability that the aggregate of uncorrected and undetected misstatement exceeds materiality for the financial statements as a whole :-
   a. Benchmark Materiality
   b. Materiality in Planning
   c. Performance Materiality
   d. Materiality.
4. Which of the following is not an example of benchmark that can be used in determining the materiality in the case of financial statements:
   a. Total Revenue
   b. Profit before tax
   c. Net Asset Value
   d. None of the above

5. (i) Guidance notes issued by ICAI provide guidance to members on matters which may arise in the course of their professional work.
   (ii) Statements are issued by ICAI with a view to secure compliance by members on some matters.
   (iii) Guidance notes are recommendatory in nature.
   (iv) Statements are mandatory in nature.
   a. All the above statements are correct.
   b. Statements 1 & 2 are correct
   c. Statements 1, 2 & 3 are correct
   d. Statements 1, 2 & 4 are correct

**MCQ's not based on Case Scenario**

   Statement 2: Substantive procedures consist of test of details and analytical procedures.
   a. Only Statement 1 is correct
   b. Only Statement 2 is correct
   c. Both 1 & 2 are correct
   d. Both 1 & 2 are incorrect

2. With respect to the forms specified by companies (Cost Records & Audit) Rule 2014, which of the following is incorrect combination:
   a. Form CRA 1 - Maintenance of cost records by the Company.
   b. Form CRA 2- Intimation of appointment of another cost auditor to Central Government.
   c. Form CRA 3- Submission of Cost Audit Report to the Board of Directors of the company.
   d. Form CRA 4- Submission of Cost Audit Report by the company to the Registrar.

3. Statement I As per the Standard on Auditing (SA) 520 “Analytical Procedures”, the term “analytical procedures” means evaluations of financial information through analysis of
plausible relationships among financial data.

Statement II Analytical procedures also encompass such investigation as is necessary of identified fluctuations or relationships that are inconsistent with other relevant information or that differ from expected values by a significant amount.

(a) Only Statement I is correct
(b) Only Statement II is correct
(c) Both statements are correct
(d) Both Statements are incorrect

4. Which of the following is not an example of Analytical Procedures having consideration of comparisons of the entity’s financial information:

(a) Comparable information for prior periods.
(b) Anticipated results of the entity, such as budgets or forecasts, or expectations of the auditor, such as an estimation of depreciation.
(c) Similar industry information, such as a comparison of the entity’s ratio of sales to accounts receivable with industry averages or with other entities of comparable size in the same industry.
(d) Among elements of financial information that would be expected to conform to a predictable pattern based on the entity’s experience, such as gross margin percentages.

5. Statement I: A firm whereof majority of partners practising in India are qualified for appointment may be appointed by its firm name to be auditor of a company.

Statement II: Where a firm including a limited liability partnership is appointed as an auditor of a company, all the partners shall be authorised to act and sign on behalf of the firm.

(a) Only Statement I is correct
(b) Only Statement II is correct
(c) Both statements are correct
(d) Both Statements are incorrect

PART II B – DESCRIPTIVE QUESTIONS

1. State with reason (in short) whether the following statements are true or false:

(i) all public companies, having in aggregate, outstanding loans or borrowings or debentures or deposits exceeding hundred crore rupees or more shall constitute an Audit Committee.
(ii) According to Section 140(1), the auditor appointed under section 139 may be removed from his office before the expiry of his term only by a general resolution of the company.

(iii) As per sub-section (5) of the section 140, the Tribunal cannot direct the company to change its auditors.

(iv) SA 210 does not require the auditor to agree management’s responsibilities in an engagement letter or other suitable form of written agreement.

(v) Government audit does not serve as a mechanism or process for public accounting of government funds.

(vi) The risk of not detecting a material misstatement resulting from fraud is higher than the risk of not detecting one resulting from error.

(vii) An Audit report is an opinion drawn on the entity’s financial statements to make sure that the records are true and correct representation of the transactions they claim to represent.

(viii) An auditor should issue disclaimer of opinion when there is difference of opinion between him and the management on a particular point.

(ix) Statistical sampling has narrower application where a population to be tested consists of a large number of similar items.

(x) Risk assessment procedures are not performed to obtain an understanding of the entity and its environment.

Chapter 1- Nature, Objective and Scope of Audit
2. (a) The person conducting audit should take care to ensure that financial statements would not mislead anybody. Explain stating clearly the meaning of Auditing.

(b) Explain the objectives of an Audit as per SA 200.

3. (a) There are practical and legal limitations on the auditor’s ability to obtain audit evidence. Explain with examples.

(b) In case of certain subject matters, limitations on the auditor’s ability to detect material misstatements are particularly significant. Explain such assertions or subject matters.

4. Discrepancies in the accounting records, including transactions that are not recorded in a complete or timely manner or are improperly recorded as to amount, accounting period, classification, or entity policy is one of the example of circumstances that indicate the possibility of fraud. Explain at least four other such examples relating to discrepancies in the accounting records.

Chapter 2- Basic Concepts in Auditing
5. (a) Define the following:

   (i) Positive confirmation request
(ii) Negative confirmation request
(iii) Non-response
(iv) Exception

(b) When using external confirmation procedures, the auditor shall maintain control over external confirmation requests including sending the requests, including follow-up requests when applicable, to the confirming party. Explain the other points as to when using external confirmation procedures, the auditor would be required to maintain control over external confirmation requests.

Chapter 3 - Preparation for an Audit

6. (a) Plans should be further developed and revised as necessary during the course of the audit. Explain.

(b) Overall audit strategy sets the scope, timing and direction of the audit, and guides the development of the more detailed audit plan. The process of establishing the overall audit strategy assists the auditor to determine such matters as for example - the resources to deploy for specific audit areas, such as the use of appropriately experienced team members for high risk areas or the involvement of experts on complex matters. Explain the other three such matters.

7. (a) Knowledge of the Client’s business is one of the important principles in developing an overall audit plan. In fact without adequate knowledge of client’s business, a proper audit is not possible. As per SA-315, “Identifying and Assessing the Risk of Material Misstatement through Understanding the Entity and Its Environment”, the auditor shall obtain an understanding of the relevant industry, regulatory and other external factors including the applicable financial reporting framework. Substantiate with the help of examples.

(b) Evidence is the very basis for formulation of opinion and an audit programme is designed to provide for that by prescribing procedures and techniques. Analyse and Explain with the help of example of evidence in respect of Sales.

8. Audit evidence is all the information used by the auditor in arriving at the conclusions on which the audit opinion is based. Written representations are necessary information that the auditor requires in connection with the audit of the entity’s financial statements. Accordingly, similar to responses to inquiries, written representations are audit evidence. Explain stating clearly objectives of the auditor regarding written representation.

9. The auditor is required to project misstatements for the population to obtain a broad view of the scale of misstatement but this projection may not be sufficient to determine an amount to be recorded. Explain

10. Explain the method which involves selection of a block(s) of contiguous items from within the population. Also give example.
Chapter 4- Risk Assessment and Internal Control

11. (a) When auditor identifies deficiencies and report on internal controls, he determines the significant financial statement assertions that are affected by the ineffective controls in order to evaluate the effect on control risk assessments and strategy for the audit of the financial statements. Explain

(b) Obtaining an understanding of the entity and its environment, including the entity’s internal control, is a continuous, dynamic process of gathering, updating and analysing information throughout the audit. Analyse and explain giving examples.

12. (a) Internal control over safeguarding of assets against unauthorised acquisition, use, or disposition may include controls relating to both financial reporting and operations objectives. Explain stating clearly the objectives of Internal Control.

(b) It has been suggested that actual operation of the internal control should be tested by the application of procedural tests and examination in depth. Explain with the help of example in respect of the procedure for sales.

Chapter 5 and 6- Vouching and Verification of Assets and Liabilities

13. Companies prepare their financial statements in accordance with the framework of generally accepted accounting principles (Indian GAAP), also commonly referred to as accounting standards (AS). In preparing financial statements, Company’s management makes implicit or explicit claims (i.e. assertions) regarding assets, liabilities, equity, income, expenses and disclosures in accordance with the applicable accounting standards. Explain with example stating the relevant assertions involved in this regard. Also explain financial statement audit.

14. What does the Valuation assertion mean in respect of Assets, liabilities and equity balances? Explain with the help of example in respect of Inventory.

15. How will you vouch/verify the following?
   (a) Receipt of Capital subsidy
   (b) Bank balances
   (c) Sales commission expenditure
   (d) Advance to suppliers

Chapter 7 and 8 - The Company Audit -1 and 2

16. ABC Ltd is a company incorporated in India. It has branches within and outside India. Explain who can be appointed as an auditor of these branches within and outside India. Also explain to whom branch auditor is required to report.
17. Before the commencement of the audit, the joint auditors should discuss and develop a joint audit plan. In developing the joint audit plan, the joint auditors should identify division of audit areas and common audit areas. Explain stating the other relevant considerations in this regard.

18. (a) The head accountant of a company entered fake invoices of credit purchases in the books of account aggregate of ₹ 50 lakh and cleared all the payments to such bogus creditor. How will you deal as an auditor?

(b) Auditor of A Ltd while conducting audit in the course of the performance of his duties as auditor, believes with reasons that “an offence of fraud involving such amount or amounts as may be prescribed, is being or has been committed in the company by its officers or employees, the auditor shall report the matter to the Central Government within such time and in such manner as may be prescribed”. Analyse and also explain the manner of reporting the matter to the Central Government.

19. In considering the qualitative aspects of the entity’s accounting practices, the auditor may become aware of possible bias in management’s judgments. The auditor may conclude that lack of neutrality together with uncorrected misstatements causes the financial statements to be materially misstated. Explain and analyse the indicators of lack of neutrality with examples, wherever required.

20. The first section of the auditor’s report shall include the auditor’s opinion, and shall have the heading “Opinion.” The Opinion section of the auditor’s report shall also identify the entity whose financial statements have been audited. Apart from the above, explain the other relevant points to be included in opinion section.

21. According to section 134(3)(c) of the Companies Act, 2013, the report of board of directors on annual accounts shall also include a ‘Director’s Responsibility Statement’. Explain.

Chapter 9- Audit of Different Types of Entities

22. (a) An audit of Expenditure is one of the major components of Government Audit. In the context of ‘Government Expenditure Audit’, write in brief, what do you understand by:

(i) Audit against Rules and Orders
(ii) Audit of Sanctions
(iii) Audit against Provision of Funds
(iv) Propriety Audit
(v) Performance Audit.

(b) Explain in detail the duties of Comptroller and Auditor General of India.

General MCQ's
1. (c)
2. (d)
3. (b)
4. (d)
5. (a)

DESCRIPTIVE ANSWERS
1. (i) Incorrect: all public companies, having in aggregate, outstanding loans or borrowings or debentures or deposits exceeding fifty crore rupees or more shall constitute an Audit Committee.
   (ii) Incorrect: According to Section 140(1), the auditor appointed under section 139 may be removed from his office before the expiry of his term only by a special resolution of the company, after obtaining the previous approval of the Central Government in that behalf as per Rule 7 of CAAR, 2014.
   (iii) Incorrect: As per sub-section (5) of the section 140, the Tribunal either suo motu or on an application made to it by the Central Government or by any person concerned, if it is satisfied that the auditor of a company has, whether directly or indirectly, acted in a fraudulent manner or abetted or colluded in any fraud by, or in relation to, the
company or its directors or officers, it may, by order, direct the company to change its auditors.

(iv) Incorrect: SA 210 requires the auditor to agree management's responsibilities in an engagement letter or other suitable form of written agreement.

(v) Incorrect: Government audit serves as a mechanism or process for public accounting of government funds. It also provides public accounting of the operational, management, programme and policy aspects of public administration as well as accountability of the officials administering them.

(vi) Correct: The risk of not detecting a material misstatement resulting from fraud is higher than the risk of not detecting one resulting from error. This is because fraud may involve sophisticated and carefully organized schemes designed to conceal it, such as forgery, deliberate failure to record transactions, or intentional misrepresentations being made to the auditor. Such attempts at concealment may be even more difficult to detect when accompanied by collusion.

(vii) Incorrect: The purpose of an audit is to enhance the degree of confidence of intended users of the financial statements. The aforesaid purpose is achieved by the expression of an independent reporting by the auditor as to whether the financial statements exhibit a true and fair view of the affairs of the entity.

Thus, an Audit report is an opinion drawn on the entity’s financial statements to make sure that the records are true and fair representation of the transactions they claim to represent.

(viii) Incorrect: The auditor shall disclaim an opinion when the auditor is unable to obtain sufficient appropriate audit evidence on which to base the opinion, and the auditor concludes that the possible effects on the financial statements of undetected misstatements, if any, could be both material and pervasive.

In case of difference of opinion, either the auditor will issue qualified report or adverse report and not disclaimer of opinion.

(ix) Incorrect: Statistical sampling has reasonably wide application where a population to be tested consists of a large number of similar items and more in the case of transactions involving compliance testing, trade receivables confirmation, payroll checking, vouching of invoices and petty cash vouchers.

(x) Incorrect: Risk assessment procedures refer to the audit procedures performed to obtain an understanding of the entity and its environment, including the entity’s internal control, to identify and assess the risks of material misstatement, whether due to fraud or error, at the financial statement and assertion levels.

2. (a) “An audit is independent examination of financial information of any entity, whether profit oriented or not, and irrespective of its size or legal form, when such an examination is conducted with a view to expressing an opinion thereon.”
Analysis of the Definition

1. Audit is Independent examination of Financial information.
2. of any entity – that entity may be profit oriented or not and irrespective of its size or legal form. For example – Profit oriented – Audit of Listed company engaged in business. On the other hand, Audit of NGO – not profit oriented.
3. The objective of the audit is to express an opinion on the financial statements.

The person conducting this task should take care to ensure that financial statements would not mislead anybody. This he can do honestly by satisfying himself that:

(i) the accounts have been drawn up with reference to entries in the books of account;
(ii) the entries in the books of account are adequately supported by sufficient and appropriate evidence;
(iii) none of the entries in the books of account has been omitted in the process of compilation and nothing which is not in the books of account has found place in the statements;
(iv) the information conveyed by the statements is clear and unambiguous;
(v) the financial statement amounts are properly classified, described and disclosed in conformity with accounting standards; and
(vi) the statement of accounts present a true and fair picture of the operational results and of the assets and liabilities.

(b) As per SA-200 “Overall Objectives of the Independent Auditor”, in conducting an audit of financial statements, the overall objectives of the auditor are:

(a) To obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement; and
(b) To report on the financial statements, and communicate as required by the SAs, in accordance with the auditor’s findings.

3. (a) The Nature of Audit Procedures: There are practical and legal limitations on the auditor’s ability to obtain audit evidence. For example:

1. There is the possibility that management or others may not provide, intentionally or unintentionally, the complete information that is relevant to the preparation and presentation of the financial statements or that has been requested by the auditor.
2. Fraud may involve sophisticated and carefully organised schemes designed to conceal it. Therefore, audit procedures used to gather audit evidence may be ineffective for detecting an intentional misstatement that involves, for example,
collusion to falsify documentation which may cause the auditor to believe that audit evidence is valid when it is not. The auditor is neither trained as nor expected to be an expert in the authentication of documents.

3. An audit is not an official investigation into alleged wrongdoing. Accordingly, the auditor is not given specific legal powers, such as the power of search, which may be necessary for such an investigation.

(b) **Other Matters that Affect the Limitations of an Audit:** In the case of certain subject matters, limitations on the auditor’s ability to detect material misstatements are particularly significant. Such assertions or subject matters include:

- Fraud, particularly fraud involving senior management or collusion.
- The existence and completeness of related party relationships and transactions.
- The occurrence of non-compliance with laws and regulations.
- Future events or conditions that may cause an entity to cease to continue as a going concern.

4. **Discrepancies in the accounting records, including:**

   - Transactions that are not recorded in a complete or timely manner or are improperly recorded as to amount, accounting period, classification, or entity policy.
   - Unsupported or unauthorized balances or transactions.
   - Last-minute adjustments that significantly affect financial results.
   - Evidence of employees’ access to systems and records inconsistent with that necessary to perform their authorized duties.
   - Tips or complaints to the auditor about alleged fraud.

5. (a) **Positive confirmation request** – A request that the confirming party respond directly to the auditor indicating whether the confirming party agrees or disagrees with the information in the request, or providing the requested information.

**Negative confirmation request** – A request that the confirming party respond directly to the auditor only if the confirming party disagrees with the information provided in the request.

**Non-response** – A failure of the confirming party to respond, or fully respond, to a confirmation request, or a confirmation request returned undelivered.

**Exception** – A response that indicates a difference between information requested to be confirmed, or contained in the entity’s records, and information provided by the confirming party.
When using external confirmation procedures, the auditor shall maintain control over external confirmation requests, including:

(a) Determining the information to be confirmed or requested;
(b) Selecting the appropriate confirming party;
(c) Designing the confirmation requests, including determining that requests are properly addressed and contain return information for responses to be sent directly to the auditor; and
(d) Sending the requests, including follow-up requests when applicable, to the confirming party.

6. (a) Plans should be further developed and revised as necessary during the course of the audit.

SA-300, “Planning an Audit of Financial Statements” further expounds this principle. According to it, planning is not a discrete phase of an audit, but rather a continual and iterative process that often begins shortly after (or in connection with) the completion of the previous audit and continues until the completion of the current audit engagement. The auditor shall establish an overall audit strategy that sets the scope, timing and direction of the audit, and that guides the development of the audit plan.

(b) Overall audit strategy sets the scope, timing and direction of the audit, and guides the development of the more detailed audit plan.

The auditor shall establish an overall audit strategy that sets the scope, timing and direction of the audit, and that guides the development of the audit plan.

The process of establishing the overall audit strategy assists the auditor to determine, subject to the completion of the auditor’s risk assessment procedures, such matters as:

1. The resources to deploy for specific audit areas, such as the use of appropriately experienced team members for high risk areas or the involvement of experts on complex matters;
2. The amount of resources to allocate to specific audit areas, such as the number of team members assigned to observe the inventory count at material locations, the extent of review of other auditors’ work in the case of group audits, or the audit budget in hours to allocate to high risk areas;
3. When these resources are to be deployed, such as whether at an interim audit stage or at key cut-off dates; and
4. How such resources are managed, directed and supervised, such as when team briefing and debriefing meetings are expected to be held, how engagement partner and manager reviews are expected to take place (for example, on-site or off-site), and whether to complete engagement quality control reviews.
7. (a) Examples are:

- The competitive environment, including demand, capacity, product and price competition as well as cyclical or seasonal activity.
- Supplier and customer relationships, such as types of suppliers and customers (e.g., related parties, unified buying groups) and the related contracts with those entities.
- Technological developments, such as those related to the entity’s products, energy supply and cost.
- The effect of regulation on entity operations.

(b) Evidence is the very basis for formulation of opinion and an audit programme is designed to provide for that by prescribing procedures and techniques. What is best evidence for testing the accuracy of any assertion is a matter of expert knowledge and experience. This is the primary task before the auditor when he draws up the audit programme. Transactions are varied in nature and impact; procedures to be prescribed depend on prior knowledge of what evidence is reasonably available in respect of each transaction.

Example

Sales are evidenced by:

(i) invoices raised by the client;
(ii) price list;
(iii) forwarding notes to client;
(iv) inventory-issue records;
(v) sales managers’ advice to the inventory section;
(vi) acknowledgements of the receipt of goods by the customers; and
(vii) collection of money against sales by the client.

8. Audit evidence is all the information used by the auditor in arriving at the conclusions on which the audit opinion is based. Written representations are necessary information that the auditor requires in connection with the audit of the entity’s financial statements. Accordingly, similar to responses to inquiries, written representations are audit evidence.

Written representations are requested from those responsible for the preparation and presentation of the financial statements.

Although written representations provide necessary audit evidence, they do not provide sufficient appropriate audit evidence on their own about any of the matters with which they deal. Furthermore, the fact that management has provided reliable written representations
does not affect the nature or extent of other audit evidence that the auditor obtains about the fulfillment of management’s responsibilities, or about specific assertions.

**The objectives of the auditor regarding written representation**

The objectives of the auditor are:

(a) **To obtain written representations**: To obtain written representations from management. Also that management believes that it has fulfilled its responsibility for the preparation of the financial statements and for the completeness of the information provided to the auditor;

(b) **To support other evidence**: To support other audit evidence relevant to the financial statements or specific assertions in the financial statements by means of written representations; and

(c) **To respond appropriately**: To respond appropriately to written representations provided by management or if management does not provide the written representations requested by the auditor.

9. The auditor is required to project misstatements for the population to obtain a broad view of the scale of misstatement but this projection may not be sufficient to determine an amount to be recorded. When a misstatement has been established as an anomaly, it may be excluded when projecting misstatements to the population. However, the effect of any such misstatement, if uncorrected, still needs to be considered in addition to the projection of the non-anomalous misstatements.

For tests of details, the auditor shall project misstatements found in the sample to the population whereas for tests of controls, no explicit projection of deviations is necessary since the sample deviation rate is also the projected deviation rate for the population as a whole.

10. **Block Sampling**: This method involves selection of a block(s) of contiguous items from within the population. Block selection cannot ordinarily be used in audit sampling because most populations are structured such that items in a sequence can be expected to have similar characteristics to each other, but different characteristics from items elsewhere in the population. Although in some circumstances it may be an appropriate audit procedure to examine a block of items, it would rarely be an appropriate sample selection technique when the auditor intends to draw valid inferences about the entire population based on the sample.

**Example**

Take the first 200 sales invoices from the sales day book in the month of September; alternatively take any four blocks of 50 sales invoices. Therefore, once the first item in the block is selected, the rest of the block follows items to the completion.
11. (a) Control risk assessment when control deficiencies are identified: When auditor identifies deficiencies and report on internal controls, he determines the significant financial statement assertions that are affected by the ineffective controls in order to evaluate the effect on control risk assessments and strategy for the audit of the financial statements.

When control deficiencies are identified and auditor identifies and tests more than one control for each relevant assertion, he evaluates control risk considering all of the controls he has tested. If auditor determines that they support a ‘rely on controls’ risk assessment, or if compensating controls are identified, tested and evaluated to be effective, he may conclude that the ‘rely on controls’ is still appropriate. Otherwise we change our control risk assessment to ‘not rely on controls.’

When a deficiency relates to an ineffective control that is the only control identified for an assertion, he revises risk assessment to ‘not rely on controls’ for associated assertions, as no other controls have been identified that mitigate the risk related to the assertion. If the deficiency relates to one WCGW (what can go wrong) out of several WCGW’s, he can ‘rely on controls’ but performs additional substantive procedures to adequately address the risks related to the deficiency.

(b) Obtaining an understanding of the entity and its environment, including the entity’s internal control, is a continuous, dynamic process of gathering, updating and analysing information throughout the audit. The understanding establishes a frame of reference within which the auditor plans the audit and exercises professional judgment throughout the audit, for example, when:

- Assessing risks of material misstatement of the financial statements;
- Determining materiality in accordance with SA 320;
- Considering the appropriateness of the selection and application of accounting policies;
- Identifying areas where special audit consideration may be necessary, for example, related party transactions, the appropriateness of management’s use of the going concern assumption, or considering the business purpose of transactions;
- Developing expectations for use when performing analytical procedures;
- Evaluating the sufficiency and appropriateness of audit evidence obtained, such as the appropriateness of assumptions and of management’s oral and written representations.
12. (a) **Objectives of Internal Control**: Internal control over safeguarding of assets against unauthorised acquisition, use, or disposition may include controls relating to both financial reporting and operations objectives. The auditor’s consideration of such controls is generally limited to those relevant to the reliability of financial reporting. For example, use of access controls, such as passwords, that limit access to the data and programs that process cash disbursements may be relevant to a financial statement audit. Conversely, safeguarding controls relating to operations objectives, such as controls to prevent the excessive use of materials in production, generally are not relevant to a financial statement audit.

(i) transactions are executed in accordance with managements general or specific authorization;

(ii) all transactions are promptly recorded in the correct amount in the appropriate accounts and in the accounting period in which executed so as to permit preparation of financial information within a framework of recognized accounting policies and practices and relevant statutory requirements, if any, and to maintain accountability for assets;

(iii) assets are safeguarded from unauthorised access, use or disposition; and

(iv) the recorded assets are compared with the existing assets at reasonable intervals and appropriate action is taken with regard to any differences.

(b) It has been suggested that actual operation of the internal control should be tested by the application of procedural tests and examination in depth. Procedural tests simply mean testing of the compliance with the procedures laid down by the management in respect of initiation, authorisation, recording and documentation of transaction at each stage through which it flows.

**Example**

For example, the procedure for sales requires the following:

1. Before acceptance of any order the position of inventory of the relevant article should be known to ascertain whether the order can be executed in time.

2. An advice under the authorisation of the sales manager should be sent to the party placing the order, internal reference number, and the acceptance of the order. This advice should be prepared on a standardised form and copy thereof should be forwarded to inventory section to enable it to prepare for the execution of the order in time.

3. The credit period allowed to the party should be the normal credit period. For any special credit period a special authorisation of the sales manager would be necessary.

4. The rate at which the order has been accepted and other terms about transport, insurance, etc., should be clearly specified.
5. Before deciding upon the credit period, a reference should be made to the credit section to know the creditworthiness of the party and particularly whether the party has honoured its commitments in the past.

13. Companies prepare their financial statements in accordance with the framework of generally accepted accounting principles (Indian GAAP), also commonly referred to as accounting standards (AS).

A financial statement audit comprises the examination of an entity’s financial statements and accompanying disclosures by an independent auditor. The result of this examination is a report by the auditor, attesting to the truth and fairness of presentation of the financial statements and related disclosures.

In preparing financial statements, Company’s management makes implicit or explicit claims (i.e. assertions) regarding:

- completeness;
- cut-off;
- existence/ occurrence;
- valuation/ measurement;
- rights and obligations; and
- presentation and disclosure

of assets, liabilities, equity, income, expenses and disclosures in accordance with the applicable accounting standards.

**Example**

If Company X’s balance sheet shows building with carrying amount of ₹ 50 lakh, the auditor shall assume that the management has claimed/ asserted that:

- The building recognized in the balance sheet exists as at the period- end (existence assertion);
- Company X owns and controls such building (Rights and obligations assertion);
- The building has been valued accurately in accordance with the measurement principles (Valuation assertion);
- All buildings owned and controlled by Company X are included within the carrying amount of ₹ 50 lakh (Completeness assertion).

14. **Meaning of Valuation Assertion**– Assets, liabilities, and equity interests are included in the financial statements at appropriate amounts and any resulting valuation or allocation adjustments are appropriately recorded.
Example of Inventory explaining the valuation assertion is given hereunder:

Inventory has been recognized at the lower of cost and net realizable value in accordance with AS 2 - Inventories. Any costs that could not be reasonably allocated to the cost of production (e.g. general and administrative costs) and any abnormal wastage have been excluded from the cost of inventory. An acceptable valuation basis (e.g. FIFO, Weighted average etc.) has been used to value inventory as at the period-end.

15. (a) Receipt of Capital Subsidy:

(i) Refer to application made for the claim of subsidy to ascertain the purpose and the scheme under which the subsidy has been made available.

(ii) Examine documents for the grant of subsidy and note the conditions attached with the same relating to its use, etc.

(iii) See that conditions to be fulfilled and other terms especially whether the same is for a specific asset or is for setting up a factory at a specific location.

(iv) Check relevant entries for receipt of subsidy.

(v) Check compliance with requirements of AS 12 on “Accounting for Government Grants” i.e. whether it relates to specific amount or in the form of promoters’ contribution and accordingly accounted for and also complies with the disclosure requirements.

(b) Verification of Cash at Bank: While testing the authenticity of cash at bank, the following areas may be considered by the auditor -

(i) Apart from comparing the entries in the cash book with those in the Pass Book the auditor should obtain a certificate from the bank confirming the balance at the close of the year as shown in the Pass Book.

(ii) Examine the bank reconciliation statement prepared as on the last day of the year and see whether (a) cheques issued by the entity but not presented for payment, and (b) cheques deposited for collection by the entity but not credited in the bank account have been duly debited/credited in the subsequent period.

(iii) Pay special attention to those items in the reconciliation statements which are outstanding for an unduly long period. The auditor should ascertain the reasons for such outstanding items from the management. He should also examine whether any such items require an adjustment write-off.

(iv) Examine relevant certificates in respect of fixed deposits or any type of deposits with banks duly supported by bank advices.

(v) The auditor should examine the possibility, that even though the balance in an apparently inoperative account may have remained stagnant, transactions may have taken place in that account during the year.

(vi) In relation to balances/deposits with specific charge on them, or those held
under the requirements of any law, the auditor should examine that suitable disclosures are made in the financial statements.

(vii) Remittances shown as being in transit should be examined with reference to their credit in the bank in the subsequent period. Where the auditor finds that such remittances have not been credited in the subsequent period, he should ascertain the reasons for the same. He should also examine whether the entity has reversed the relevant entries in appropriate cases.

(viii) The auditor should examine that suitable adjustments are made in respect of cheques which have become stale as at the close of the year.

(ix) Where material amounts are held in bank accounts which are blocked, e.g. in foreign banks with exchange control restrictions or any banks which are under moratorium or liquidation, the auditor should examine whether the relevant facts have been suitably disclosed in the financial statements. He should also examine whether suitable adjustments on this account have been made in the financial statements in appropriate cases.

(x) Where the auditor finds that the number of bank accounts maintained by the entity is disproportionately large in relation to its size, the auditor should exercise greater care in satisfying himself about the genuineness of banking transactions and balances.

(c) **Sales Commission Expenditure:**

(i) Ascertain agreement, if any, in respect of sales transaction actually occurred during the year carried out by authorized parties on its behalf. If yes, the commission should be in accordance with the terms and conditions as specified.

(ii) Check evidence of services rendered by the party to whom commission is paid with reference to correspondence etc.

(iii) Ensure that the sales in fact have taken place and the same has been charged to Statement of Profit and Loss.

(iv) Compare the amount incurred in previous years with reference to total turnover.

(v) Check entries regarding TDS on commission at the time of credit to Payee’s Account, or payment, whichever is earlier.

(vi) Ensure that the payment has been made through cheque only, if limit as stated in the clause of tax audit is exceeded.

(d) **Advances to the Suppliers:**

(i) Obtain schedule of debit balances in trade payables’ account and pay particular attention to the age of the balances. Also, scrutinise the bought ledger by tracing the corresponding entries in the cash/bank book.

(ii) Enquiry should be made for long unadjusted outstanding and check as to
whether any of them would require provisioning.

(iii) Examine that the advances have not been shown as deposits in balance sheet as per Section 143(1) of the Companies Act, 2013.

(iv) Confirmation of balances should be obtained and reconciliation be done in case of any discrepancies.

(v) Assess the possibility of delivery of goods against advance payment and examine whether provisioning is required.

(vi) Ensure proper classification in the Balance sheet as per requirement of Schedule III to the Companies Act, 2013

16. Further, sub-section (8) of section 143 of the Companies Act, 2013, prescribes the duties and powers of the company’s auditor with reference to the audit of the branch and the branch auditor. Where a company has a branch office, the accounts of that office shall be audited either by the auditor appointed for the company (herein referred to as the company’s auditor) under this Act or by any other person qualified for appointment as an auditor of the company under this Act and appointed as such under section 139, or where the branch office is situated in a country outside India, the accounts of the branch office shall be audited either by the company's auditor or by an accountant or by any other person duly qualified to act as an auditor of the accounts of the branch office in accordance with the laws of that country and the duties and powers of the company’s auditor with reference to the audit of the branch and the branch auditor, if any, shall be such as may be prescribed:

It may be noted that the branch auditor shall prepare a report on the accounts of the branch examined by him and send it to the auditor of the company who shall deal with it in his report in such manner as he considers necessary.

Further as per rule 12 of the Companies (Audit and Auditors) Rules, 2014, the branch auditor shall submit his report to the company’s auditor and reporting of fraud by the auditor shall also extend to such branch auditor to the extent it relates to the concerned branch.

17. Before the commencement of the audit, the joint auditors should discuss and develop a joint audit plan. In developing the joint audit plan, the joint auditors should:

(a) identify division of audit areas and common audit areas;
(b) ascertain the reporting objectives of the engagement;
(c) consider and communicate among all joint auditors the factors that are significant
(d) in directing the engagement team’s efforts;
(e) consider the results of preliminary engagement activities, or similar engagements performed earlier.
ascertain the nature, timing and extent of resources necessary to accomplish the engagement.

18. (a) Here, the auditor of the company is required to report the fraudulent activity to the Board or Audit Committee (as the case may be) within 2 days of his knowledge of fraud. Further, the company is also required to disclose the same in Board’s Report. It may be noted that the auditor need not to report the central government as the amount of fraud involved is less than ₹ 1 crore, however, reporting under CARO, 2016 is required.

(b) Reporting to the Central Government: As per sub-section (12) of section 143 of the Companies Act, 2013, if an auditor of a company in the course of the performance of his duties as auditor, has reason to believe that an offence of fraud involving such amount or amounts as may be prescribed, is being or has been committed in the company by its officers or employees, the auditor shall report the matter to the Central Government within such time and in such manner as may be prescribed.

In this regard, Rule 13 of the Companies (Audit and Auditors) Rules, 2014 has been prescribed. Sub-rule (1) of the said rule states that if an auditor of a company, in the course of the performance of his duties as statutory auditor, has reason to believe that an offence of fraud, which involves or is expected to involve individually an amount of ₹ 1 crore or above, is being or has been committed against the company by its officers or employees, the auditor shall report the matter to the Central Government.

The manner of reporting the matter to the Central Government is as follows:

(a) the auditor shall report the matter to the Board or the Audit Committee, as the case may be, immediately but not later than 2 days of his knowledge of the fraud, seeking their reply or observations within 45 days;

(b) on receipt of such reply or observations, the auditor shall forward his report and the reply or observations of the Board or the Audit Committee along with his comments (on such reply or observations of the Board or the Audit Committee) to the Central Government within 15 days from the date of receipt of such reply or observations;

(c) in case the auditor fails to get any reply or observations from the Board or the Audit Committee within the stipulated period of 45 days, he shall forward his report to the Central Government along with a note containing the details of his report that was earlier forwarded to the Board or the Audit Committee for which he has not received any reply or observations;

(d) the report shall be sent to the Secretary, Ministry of Corporate Affairs in a sealed cover by Registered Post with Acknowledgement Due or by Speed Post followed by an e-mail in confirmation of the same;
(e) the report shall be on the letter-head of the auditor containing postal address, e-mail address and contact telephone number or mobile number and be signed by the auditor with his seal and shall indicate his Membership Number; and

(f) the report shall be in the form of a statement as specified in Form ADT-4.

19. In considering the qualitative aspects of the entity’s accounting practices, the auditor may become aware of possible bias in management’s judgments. The auditor may conclude that lack of neutrality together with uncorrected misstatements causes the financial statements to be materially misstated. Indicators of a lack of neutrality include the following:

(i) The selective correction of misstatements brought to management’s attention during the audit.

Example

◆ Correcting misstatements with the effect of increasing reported earnings, but not correcting misstatements that have the effect of decreasing reported earnings.

◆ The combination of several deficiencies affecting the same significant account or disclosure (or the same internal control component) could amount to a significant deficiency (or material weakness if required to be communicated in the jurisdiction). This evaluation requires judgment and involvement of audit executives.

(ii) Possible management bias in the making of accounting estimates.

20. The first section of the auditor’s report shall include the auditor’s opinion, and shall have the heading "Opinion."

The Opinion section of the auditor’s report shall also:

(a) Identify the entity whose financial statements have been audited;

(b) State that the financial statements have been audited;

(c) Identify the title of each statement comprising the financial statements;

(d) Refer to the notes, including the summary of significant accounting policies; and

(e) Specify the date of, or period covered by, each financial statement comprising the financial statements.

21. Director’s Responsibility Statement: According to section 134(3)(c) of the Companies Act, 2013, the report of board of directors on annual accounts shall also include a ‘Director’s Responsibility Statement’. However, the provisions related to Director’s Responsibility Statement are provided under section 134(5) of the Companies Act, 2013 which requires to state that-
in the preparation of the annual accounts, the applicable accounting standards had been followed along with proper explanation relating to material departures;

(ii) the directors had selected such accounting policies and applied them consistently and made judgments and estimates that are reasonable and prudent so as to give a true and fair view of the state of affairs of the company at the end of the financial year and of the profit and loss of the company for that period;

(iii) the directors had taken proper and sufficient care for the maintenance of adequate accounting records in accordance with the provisions of this Act for safeguarding the assets of the company and for preventing and detecting fraud and other irregularities;

(iv) the directors had prepared the annual accounts on a going concern basis;

(v) the directors, in the case of a listed company, had laid down internal financial controls to be followed by the company and that such internal financial controls are adequate and were operating effectively.

(vi) the directors had devised proper systems to ensure compliance with the provisions of all applicable laws and that such systems were adequate and operating effectively.

22. (a) **Government Expenditure Audit**: Audit of government expenditure is one of the major components of government audit conducted by the office of C&AG. The basic standards set for audit of expenditure are to ensure that there is provision of funds authorised by competent authority fixing the limits within which expenditure can be incurred. **Briefly, these standards are explained below:**

(i) **Audit against Rules & Orders**: The auditor has to see that the expenditure incurred conforms to the relevant provisions of the statutory enactment and is in accordance with the financial rules and regulations framed by the competent authority.

(ii) **Audit of Sanctions**: The auditor has to ensure that each item of expenditure is covered by a sanction, either general or special, accorded by the competent authority, authorising such expenditure.

(iii) **Audit against Provision of Funds**: It contemplates that there is a provision of funds out of which expenditure can be incurred and the amount of such expenditure does not exceed the appropriations made.

(iv) **Propriety Audit**: It is required to be seen that the expenditure is incurred with due regard to broad and general principles of financial propriety. The auditor aims to bring out cases of improper, avoidable, or in fructuous expenditure even though the expenditure has been incurred in conformity with the existing rules and regulations. Audit aims to secure a reasonably high standard of public financial morality by looking into the wisdom, faithfulness and economy of transactions.

(v) **Performance Audit**: This involves that the various programmes, schemes and
projects where large financial expenditure has been incurred are being run economically and are yielding results expected of them. Efficiency-cum-performance audit, wherever used, is an objective examination of the financial and operational performance of an organisation, programme, authority or function and is oriented towards identifying opportunities for greater economy, and effectiveness.

(b) Duties of C&AG: The Comptroller & Auditor General's (Duties, Powers and Conditions of Service) Act, 1971 lays down duties of the C&AG as under-

(i) Compile and submit Accounts of Union and States - The C&AG shall be responsible for compiling the accounts of the Union and of each State from the initial and subsidiary accounts rendered to the audit and accounts offices under his control by treasuries, offices or departments responsible for the keeping of such account.

(ii) General Provisions Relating to Audit - It shall be the duty of the C&AG –

(a) to audit and report on all expenditure from the Consolidated Fund of India and of each State and of each Union Territory having a Legislative Assembly and to ascertain whether the moneys shown in the accounts as having been disbursed were legally available for and applicable to the service or purpose to which they have been applied or charged and whether the expenditure conforms to the authority which governs it;

(b) to audit and report all transactions of the Union and of the States relating to Contingency Funds and Public Accounts;

(c) to audit and report on all trading, manufacturing profit and loss accounts and balance-sheets and other subsidiary accounts kept in any department of the Union or of a State.

(iii) Audit of Receipts and Expenditure - Where anybody or authority is substantially financed by grants or loans from the Consolidated Fund of India or of any State or of any Union Territory having a Legislative Assembly, the Comptroller and Auditor General shall, subject to the provisions of any law for the time being in force applicable to the body or authority, as the case may be, audit all receipts and expenditure of that body or authority and to report on the receipts and expenditure audited by him.

(iv) Audit of Grants or Loans - Where any grant or loan is given for any specific purpose from the Consolidated Fund of India or of any State or of any Union Territory having a Legislative Assembly to any authority or body, not being a foreign State or international organisation, the Comptroller and Auditor General shall scrutinise the procedures by which the sanctioning authority satisfies itself as to the fulfillment of the conditions subject to which such grants or loans were given and shall for this purpose have right of access, after giving reasonable
previous notice, to the books and accounts of that authority or body.

(v) **Audit of Receipts of Union or States** - It shall be the duty of the Comptroller and Auditor General to audit all receipts which are payable into the Consolidated Fund of India and of each State and of each Union Territory having a Legislative Assembly and to satisfy himself that the rules and procedures in that behalf are designed to secure an effective check on the assessment, collection and proper allocation of revenue and are being duly observed and to make this purpose such examination of the accounts as he thinks fit and report thereon.

(vi) **Audit of Accounts of Stores and Inventory** - The Comptroller and Auditor General shall have authority to audit and report on the accounts of stores and inventory kept in any office or department of the Union or of a State.

(vii) **Audit of Government Companies and Corporations** - The duties and powers of the Comptroller and Auditor General in relation to the audit of the accounts of government companies shall be performed and exercised by him in accordance with the provisions of the Companies Act, 2013. The comptroller and Auditor-General of India shall appoint the auditor under sub-section (5) or sub-section (7) of section 139 (i.e. appointment of First Auditor or Subsequent Auditor) and direct such auditor the manner in which the accounts of the Government company are required to be audited and thereupon the auditor so appointed shall submit a copy of the audit report to the Comptroller and Auditor-General of India which, among other things, include the directions, if any, issued by the Comptroller and Auditor-General of India, the action taken thereon and its impact on the accounts and financial statement of the company.
