The Institute of Chartered Accountants of India (ICAI) is a statutory body established for regulation of the profession of Chartered Accountants in India. During its glorious more than 70 years of existence, ICAI has achieved recognition as a global second largest Accountancy Body. ICAI has an Accounting Standard Board, Auditing and Assurance Standards Board, Financial Reporting Review Board and also has Sustainability Accounting Standards Board recently set up with an objective to formulate disclosure Standards related to Non-financial reporting framework in line with the Sustainable Development Goals 2030.

ICAI invites applications from technically sound candidates for the following positions on contract basis initially for a term of three years for its Accounting Standards Board, Auditing and Assurance Standards Board, Financial Reporting Review Board, Ethical Standards Board, Committee on Public and Government Financial Management and Sustainability Accounting Standards Board (referred as areas hereinafter) etc.:
